

FDA Class II Medical Device

MAKE **YOUR OWN** PATH.

BAJA® MOBILITY

BAJA® BANDIT

Venture with confidence knowing you're equipped with the perfect blend of power and agility. An impressive ground clearance will get you through those rough spots with ease, and you'll be flying on flat terrain with a top speed of 8 mph. With a lithium battery that delivers a 29 mile range, the Bandit® is built to keep you moving all day.
