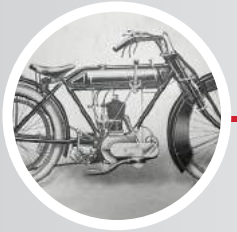
BESCOL 'ELEPHANT'
ELECTRIC KETTLE
(For use on Alternating Current)
BESCOL (ELECTRIC) LTD. PARKFIELD RD. BIRMIN



1880's

Originally a bicycle-making business A.H. Haden Motorcycles in Hockley, Birmingham, started in the late 1880s

1905 - 1931

New Comet were motorcycles designed and produced from 1905 to 1931, by Alfred Hamlet Haden

1944

Twin brothers, Donald & Denis Haden became involved in manufacturing Bescol kettles

1958

The brothers split & Denis Howard Haden founded his own separate company D.H. Haden Ltd. to manufacture electric kettles

1958 - 1980's

D.H. Haden Ltd pioneered in manufacturing electric kettles

1981 - Present

Haden becomes synonymous with the words 'Electric Kettle'

HELLO AND WELCOME

Haden started its journey manufacturing bicycles on British soil in the late 1880s. We entered the world of kettles in 1958 and haven't looked back since. We continue to focus on Haden's heritage in pioneering colour and design that is 'Quintessentially British'. We have continued this theme with our latest ranges. We hope you are as excited as we were in developing these collections. Without further ado, please sit back, relax and enjoy your cuppa while turning the pages.

ESTD. 1958

2 YEAR GUARANTEE

QUALITY AT AN ATTAINABLE PRICE

We pride ourselves on our products being of the highest functionality, appearance and certification. All of this quality, priced to be accessible to many.

QUINTESSENTIALLY BRITISH

We take inspiration from all things British, both classic and modern. We create our collections with colours influenced by British homes, architecture and landscapes. All this makes us a brand that offers beautifully designed quintessentially British appliances!

HADEN
ESTD. ENGLAND 1958

KETTLES & TOASTERS

Bristol

Haden has created this kettle in a distinctive and Quintessentially British shape, reminiscent of a stove top kettle with a modern twist.

The temperature gauge allows you to see when the water has reached the optimal temperature for specific cups of tea and even coffee! We've created a beautiful matching 4 slice toaster which has 6 browning settings and extra wide slots. With the Haden Bristol range you can start the day right.

Devon

This range focusses in on the stunning British coast line of Devon. We are inspired by the stunning sea hues and texture of the waves and have replicated this on the texture of our appliances.

The Devon kettle is rapid boil and features an ergonomic handle, as well as being lightweight. The toaster has wider than average slots and 6 levels of browning control. The Devon breakfast set marks a new era for Haden, the go to British breakfast brand.

Highclere

Our new Highclere collection brings retro glam back as vintage flair, in home decor, is still going strong into 2020. The vintage inspired Highclere range combines a timeless feel with sophisticated features. These quintessentially British kettle and toaster are influenced by stately homes of the past. We have brought the classic stove top design into the modern day using colour and texture. The Highclere kettles and toasters are available in elegant Cornish Cream and matt Poole Blue colours.

IVER

Inspired by the tranquil landscape of Buckinghamshire, the Haden Iver collection is an interpretation of the parish character as a blend of calm and urban architecture.

Packing great features for everyday, the kettle has an ergonomic handle and is lightweight. The 2 slice toaster has wide toasting slots, cancel, reheat and defrost functions and more. With a clean and fresh look with rounded lines, this range comes in two colourways with chrome accents.

JERSEY

Looking back to the traditional days of boiling water with a stove top kettle, we have fashioned a modern kettle from the styling of the past. Named after Jersey, an independent and modern island with a historic story, it's colourful past drew us to Putty and Rectory Red within this stunning range. The kettle benefits from a temperature gauge incorporating both beauty and function so you can enjoy your favourite tea at the ideal temperature. Matching four-slice toasters feature a removable crumb tray, variable browning control, cancel, defrost and reheat functions.

Salcombe

Did you know that shipwreck and gold coins were found at the bottom of the sea in Salcombe? It gave us the inspiration for a toughened Black and Copper kettle and toaster. Our Deep Teal range is reminiscent of the beautiful Salcombe waters, a rarity in the UK, the water is as blue as in the Caribbean. Now available in elegant Cream and Copper.

STOKE

Our new Stoke kettle and toaster has a super sleek brushed stainless steel finish. The perfect duo for a modern kitchen, we have drawn inspiration from Stoke's Shelton Bar, a major steelworks that used to have five coal mines and a complete railway system, producing everything from car tyres and railway lines to bridges. The kettle features a 1.7 litre capacity, water level gauge and a light indicator that is illuminated whilst boiling. Matching two slice toaster is available.

KITCHEN APPLIANCES

THE DUAL BASKET AIR FRYER

Introducing the new Haden 9L Dual Basket Air Fryer. The air fryer uses rapid air circulation technology to cook food quickly and evenly, using little to no oil, making it a healthier alternative to traditional frying methods.

Family-friendly, with two large 4.5l baskets, it integrates the latest technology, like the smart feature that will sync the settings, so it's ready at the same time, and the match to cook function to set the same cooking program & time in both drawers, ideal for batch cooking and bigger portions.

206978

THE AIR FRYER

The Air-Fryer is a perfect option for those with little time on their hands. This appliance can cook healthy dishes within a few minutes. Wonder how? The secret is hidden in its name. An Air-Fryer uses hot air to fry, bake or roast food. Meaning you can enjoy your favourite meals with less fat.
