 WHITE

REFINED COMFORT

SPACIOUS DESIGN

Two-color Matching Interior

Drawing on the design of high-end brands, both the workmanship and color matching are more pleasing.

Detailed Central Control Elements

High-polishing air conditioning panel, narrow and long air outlet design, highlighting the overall simple design concept.

Exquisite & Simple Design

The interior design concept of "Less is more" but not simple in function. It cancels the physical keys.

Multi-element Matching

The shift knob is exquisite and the diamond pattern feels more rich; Bi-color sports seats reflect delicate collocation everywhere.

BRUMBY'S BIG HIGHLIGHTS

Product from Largest
Manufacturer in China

Robust Metal Body
Best in Class

70+ Years of Legacy
Since 1951

Enough Ground
Clearance of 170mm

Max power
Rear Wheel Drive
