Tales of the Space Age
LEGO® Ideas

Goodbye, planet Earth. Hello, endless possibilities. Celebrate the dreams and reality of space exploration as you build 3D postcards inspired by 1980s sci-fi myths, movies, books and posters. Construct graphic images of a space shuttle, moon base, black hole, lunar eclipse, different star constellations and more. Display the 4 postcards separately or connect them to create a stellar centerpiece.

Just like the real-life Anglo-French passenger jet, this detailed replica model has a tiltable droop nose, functioning landing gear, a retractable tail bumper wheel, delta wings with movable elevons and hinged upper and lower rudders. It also features an accessible seating area and comes with a stand for display in flight, takeoff or landing modes.
