ONCOFERTILITY

Elephants and Tea
elephantsandtea.org

Elephants and Tea is a nonprofit media brand of the Steven G. Cancer Foundation, created for and by adolescent and young adult (AYA) cancer patients, survivors, and caregivers. As the only magazine dedicated to sharing AYA cancer experiences in their own words, their mission is to ensure no one feels alone. The "elephant in the room" is cancer — and the "tea" is the healing power of conversation

All Paths (Family Building)
allpathsfb.org

AllPaths Family Building is a New England-based nonprofit dedicated to supporting anyone impacted by cancer and fertility. Whether you're newly diagnosed, exploring fertility preservation, or coping with infertility after cancer, AllPaths offers the resources, community, and support you need to navigate family building.

Their mission is to create a compassionate space for all individuals facing fertility challenges, offering psychosocial support, education, and advocacy. At AllPaths, they believe in the power of connection—because everyone deserves to Find Your People.

Worth The Wait
worththewaitcharity.com

Our mission is to empower young adult cancer survivors on their path to parenthood. We provide financial support and educational resources for fertility treatments, adoption, and surrogacy while advocating for oncofertility within the healthcare system and beyond.

Walking Miracles Family Foundation
walkingmiracles.org

Walking Miracles Family Foundation was founded by a two-time childhood cancer survivor of leukemia and Non-Hodgkin's lymphoma. We help caregivers, families and survivors impacted by childhood, adolescent and young adult cancer in West Virginia by navigating and connecting them to support networks and resources. Walking Miracles helps defray the cost of travel associated with treatment through our partnerships, programs and affiliations. Patients, their families and caregivers are never charged for the travel assistance, patient navigation, counseling, or survivorship guidance Walking Miracles provides.

Verna's Purse
reprotech.com

REPROTECH® strives to make fertility preservation services available to all individuals who are facing fertility-threatening cancer treatment, therefore we are proud to offer a generous financial assistance program to patients faced with economic challenges, particularly at a time when it is hardest to handle. Verna's Purse is that program.

Live Strong
livestrong.org

We provide support for the issues that people navigating cancer face every day. From breaking down complex topics, providing step-by-step guidance, and creating programs that improve your quality of life—whatever your daily challenge, we're here to help.
