WE'RE MAKING ROOM TO WELCOME & WALK

Church Family,

One of the greatest joys of being your pastor is having a front row seat to all God is doing in and through our church. Every week we're reminded that behind every face is a story, every life matters, and every opportunity to share the love of Christ is worth making room.

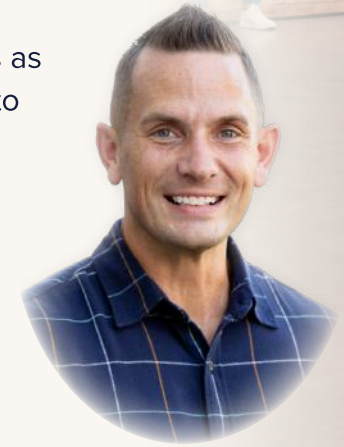
Romans 15:7 says, "Therefore welcome one another as Christ has welcomed you, for the glory of God."

This is the heart behind who we are and everything we do. This is also the heart behind our Make Room Campaign. The love of Christ compels us to love Northeast Houston and the Nations, so we welcome others and walk alongside them with his love.

For more than a year, we've prayed and sought God's wisdom about the opportunities and challenges before us. And together, we embraced A Plan for Every Ministry and Every Generation. As we officially begin Make Room, our focus now shifts from understanding the plan to prayerfully considering how God wants each of us to join him in making room, for those already here and those not here yet.

As we seek the Lord together, my prayer is that each of us would see this as an opportunity to trust God and faithfully steward what he has entrusted to us today while preparing for ministry ahead.

I love you church family, I'm grateful to be your pastor, and I'm excited for what God has ahead all for his glory and the good of others!



Pastor Coleman

A PLAN FOR EVERY MINISTRY & EVERY GENERATION

Every part of this plan addresses a real ministry need and helps our facilities better support the work God has called us to do.

TWO-STORY EDUCATION ADDITION

Nearly 8,000 square feet of additional ministry space will provide more room for Northeast Kids and Northeast Students, improve security, and create better accessibility for Northeast Adults and our church family.

LOBBY RENOVATION & EXPANSION

Enlarged, open-concept spaces featuring a café area and improved flow will make it easier to welcome guests, connect, and move throughout the building.

WORSHIP CENTER UPDATES

Updates and upgrades to lighting and technology will help our Worship Center continue to serve as the primary gathering place for our church family and a space for ministry in our community for years to come.

IMPROVED OUTDOOR SPACES

A renovated baptismal area, additional covered gathering spaces, and improvements to the exterior of our campus will create more opportunities for connection, conversation, and ministry beyond the walls of our building.

Every space has a purpose.
Every improvement supports ministry.
Every part of the plan helps us welcome and walk alongside people well.

MORE THAN
SQUARE FOOTAGE

This isn't about changing a building. It's about making room for ministry to grow, relationships to deepen, and more people to be welcomed and walked alongside with the love of Christ.

MORE MINISTRY SPACE

More room for Kids, Students, and Adults to gather, build relationships, study God's Word, and grow together.

IMPROVED SECURITY

Spaces designed to help us care well for the children and families God has entrusted to us.

BETTER ACCESSIBILITY

First-floor adult ministry spaces and improved movement throughout our campus so age or mobility doesn't become a barrier to community.

EASIER TRAFFIC FLOW

Improved flow through entrances, hallways, and gathering spaces will make it easier for people to move throughout our campus, especially during busy transition times.

MORE SPACE TO CONNECT

Indoor and outdoor spaces that give conversations room to happen before service, after service, and throughout the week.

We have been so blessed by the many loving people in Kids Ministry at Houston Northeast. So many have poured into our kids and shown them the love of Jesus. From singing songs in the nursery to doing crafts and activities with them as they get older, these moments have stuck with our family. It’s so special to know that they enjoy their time at church while also learning about the Lord.

We are especially excited to have a safe place for our kids to grow, not only in the Kids Ministry but also as they transition into Students. Having a space that can grow with them through every stage is such a blessing!

We can’t wait to see these facilities being used not only on Sundays and Wednesdays but also during Active8 Kids Camp and other church activities throughout the year. So many children, families, and members of our community will benefit from these upgrades, and we’re so excited to see all God will do through these spaces!

STEWARDING THE PLAN RESPONSIBLY

FULL SCOPE OF THE PROJECT IS ESTIMATED AT

$9 to 10.5 MILLION

The project will be funded through a combination of cash on hand, a 3-Year Building Campaign, and financing not to exceed $4 million.

We will not build more than we can afford.

We believe each part of this plan addresses a real need, and our desire is to complete the full vision. But we will not pursue any of it irresponsibly. The extent of what we do will depend upon what God provides through Make Room and the generosity of our church family.

$3 MILLION

Cash On Hand

Houston Northeast will invest approximately $3 million from existing cash reserves while maintaining a minimum three-month emergency fund.

$3.5 MILLION

Make Room Campaign

Through the Make Room campaign, our church family will have the opportunity to give above and beyond our regular giving, beginning with a “First & Best” Kickstart Offering on November 15 and continuing through three-year pledges as we make room for ministry across every generation.

UP TO $4 MILLION

Long-Term Financing

The Trustees have authorized up to $4 million in long-term financing, a decision affirmed by Houston Northeast members.

PRAY ABOUT
YOUR PART

Make Room isn't first about reaching a financial goal. It's an opportunity for each of us to seek the Lord and respond faithfully to what he asks of us.

We're asking every person and family at Houston Northeast to pray:

> God, what do you want to do through me/my family to make room at Houston Northeast?
>
> Show us our part in welcoming and walking alongside others with the love of Christ, and prepare our hearts to respond in obedience.

MAKE ROOM MOMENTS

Making Room begins with seeking the Lord. Our Make Room sermon series and Make Room Moments at Home were created to help individuals and families spend time in God's Word, pray together, and consider how the Lord is leading you to respond.

HoustonNortheast.org/makeroom

RESPOND TO WHAT GOD IS ASKING

After you've prayed and talked together as a family, your Make Room commitment is an opportunity to put that response into action.

MAKE YOUR COMMITMENT

Complete a Make Room pledge card with the amount you intend to give on November 15 and over the next three years.

GIVE YOUR FIRST GIFT

Begin your commitment with a kickstart gift on **November 15**, or give anytime through the QR code or at *HoustonNortheast.org/makeroom*.

CONTINUE THROUGH THE CAMPAIGN

Continue your regular giving while fulfilling your Make Room commitment over the next three years.

God has proven over and over that we can trust him to provide when we walk in his will! We can continue to trust him as we step out to grow his Kingdom in Atascocita and to the ends of the earth!
