About Us

A family owned business with worldwide ambition; Status International has progressed to become arguably the largest independent light bulb and electrical accessory supplier in the UK.

Status International (UK) Ltd. was formed in 1991 by Peter and Nicholas McVeigh, a father and son business partnership. Together, they have a combined experience of over 80 years working in the lighting and electrical accessories market.

What makes us the market leaders in light bulb and electrical accessories?

- We are nominated suppliers to some of the best known high street retailers, supermarkets and discounters in Europe.
- Our range of light bulbs and electrical accessories come supplied in stylish, colour-coded and consumer friendly, shelf-ready packaging.
- We have independent testing on all our products.
- Huge amounts of 'off the shelf' stocks are maintained in our modern warehouse and depot, ready to instantly fulfil your orders.
- Our product quality is ensured by our in-house laboratory.
- Certificates of Conformity are supplied with every consignment.
- Our factories all operate under strict ISO 9001 conditions.
- We pursue an ethical audit policy.
- Working closely with all our customers, we are able to provide bespoke promotional solutions to suit the exact requirements of your business.
- 'Own brand' packaging is available subject to minimum order quantity.

We can arrange a meeting to assist with the ordering process or call us on 01274 852200.

Place your order with us online at: **www.statusinternationaluk.co.uk** or email: **sales@statusinternationaluk.co.uk**

1 Gang Triple Pole Fan Isolator Switch White 1 Pack Poly Bag With Header Card

Product Code	Product Description	Rating	Colour	Pack Description	Display Tray	Retail Units Per Case	Retail Barcode	Outer Carton Barcode
S3POLEFANISB5	**1 Gang Triple Pole Fan Isolator Switch**	**10 Amp**	**White**	**1 Pack Poly Bag With Header Card**	**Brown Box**	**5**	**5022822 192430**	**05022822 196018**

- Triple pole fan switch
- BS 60669
- 10 Amp / 220~250v
- Ideal for kitchens and bathrooms
- Timer controlled fans are often linked into the lighting circuit whereas the three pole switch allows the need for the lighting circuit to remain live to provide light whilst the fan unit is externally isolated so that routines can be carried out in complete safety
- Fitting instructions and wiring diagram included
- Fixing screws included
- Poly bag
