DARLING

Proudly reminiscent of the 50s design era, DARLING is an innovative Collection with a sturdy aluminum structure nicely shaped and dressed with the best materials available.
For all the good reasons, its familiar look is timeless therefore it easily adapts to multiple environments, whether residential or commercial, on its own or complementing existing decors.
The 1950 era was an exceptional time of experiment namely with bentwood, it was a time of revival after years of restraint.
As a designer, born in those years, I felt privileged to be able to acknowledge the creators of that era.
Love you Darling!

The first two words that come to mind when you look at ENJOY Collection is “graceful elegance”. While love at first sight is kind of a cliché it is truly the case for this collection.

Start with an elegant structure in dark bronze, add a beautifully weaved shell and comfortable seats and backs dressed in a classy weather resistant fabric and there we go, we use it inside or outside?

While we can’t help you here, we are more than happy to bring up the question…ENJOY!

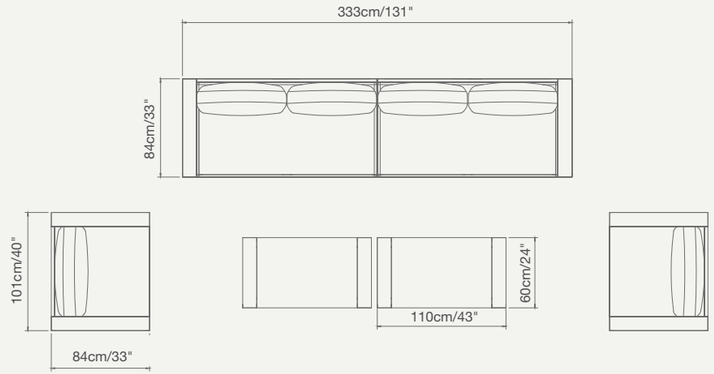
SKY

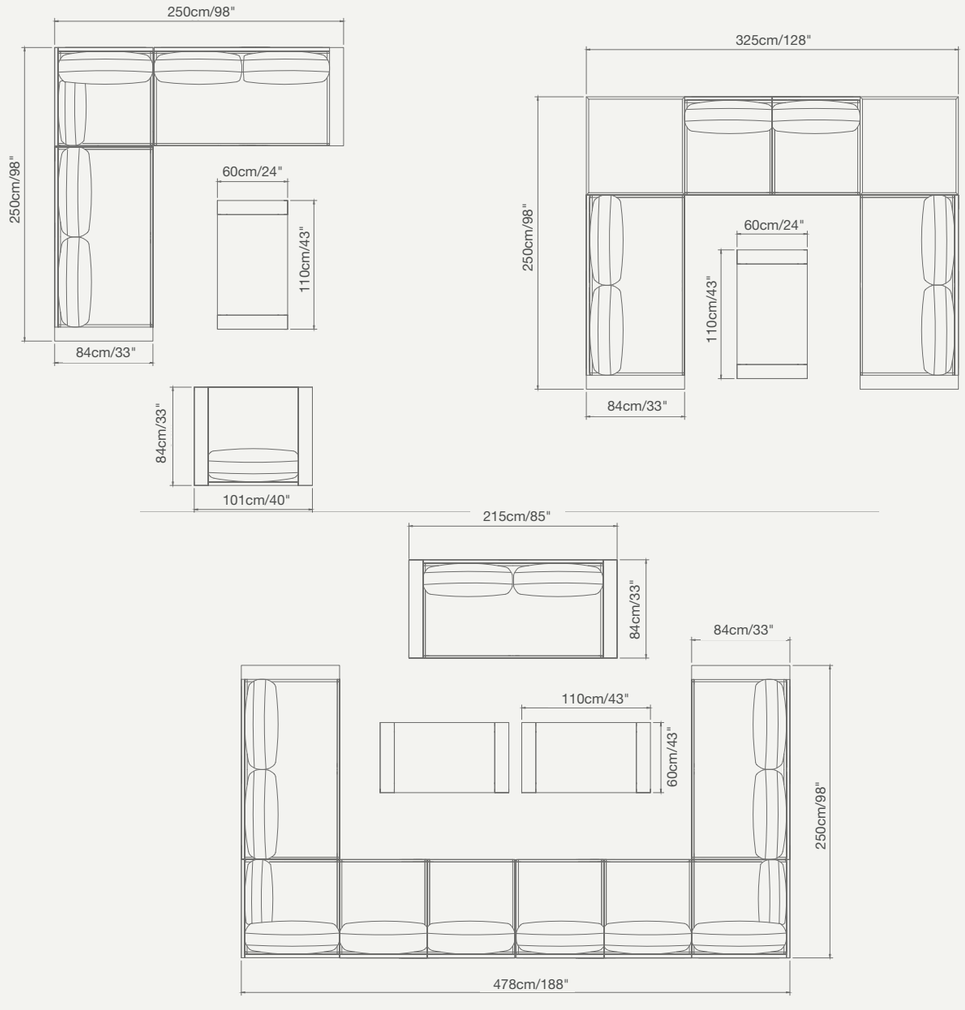
The SKY Collection simply started as a nice chaise lounge but…our esteemed fans loved it so much and since sky has no limits we've added an extensive range of seating, then Cabanas and new finishes to create a cohesive design family.
All structures are made of 100% recyclable aluminum, not only does it look sturdy, it is. To soften the look, it is dressed expertly in our COUTUREtex proprietary fabric.

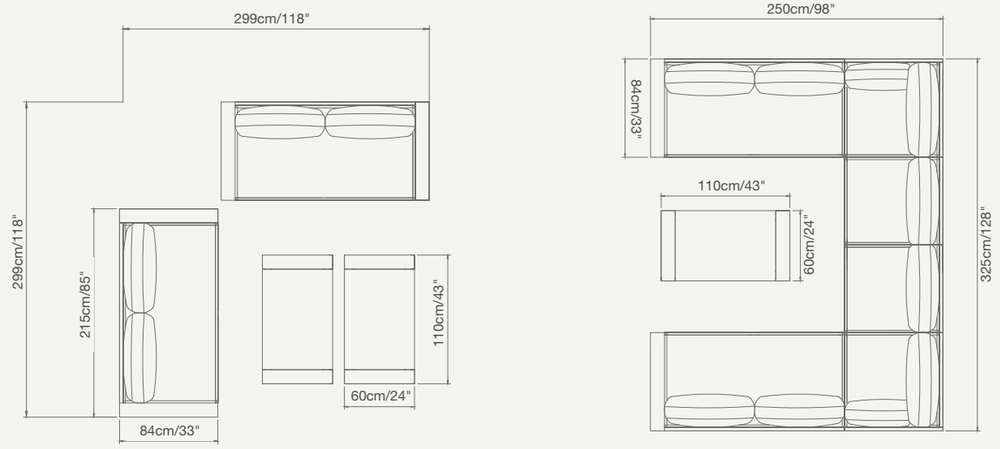
LOUNGE side table LG02 can be added to SKY backs, providing additional functionalities.

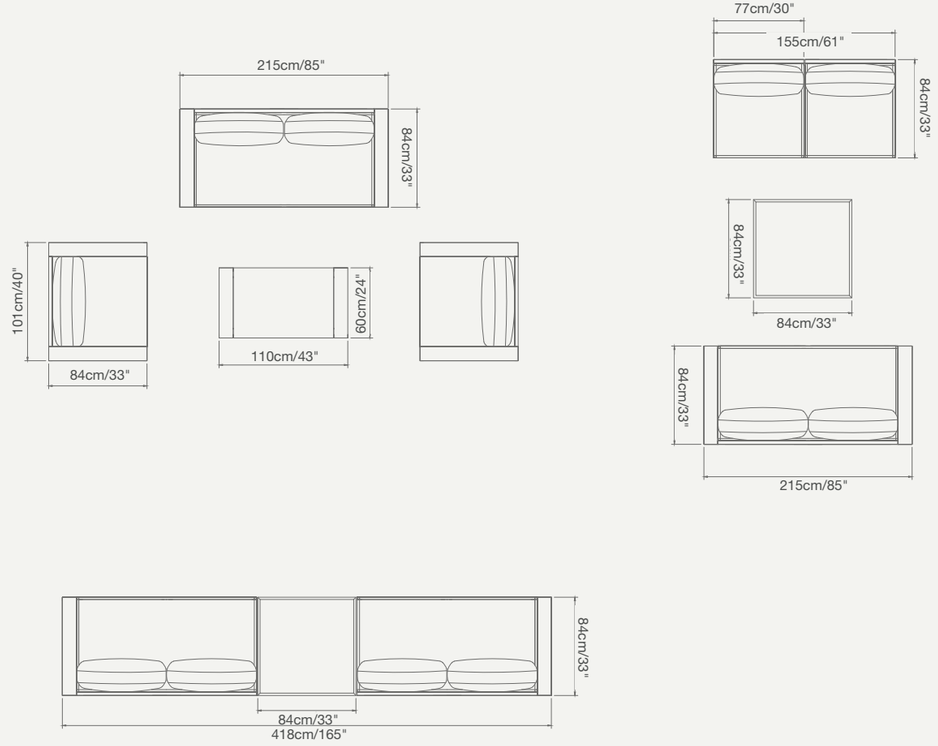
SKY

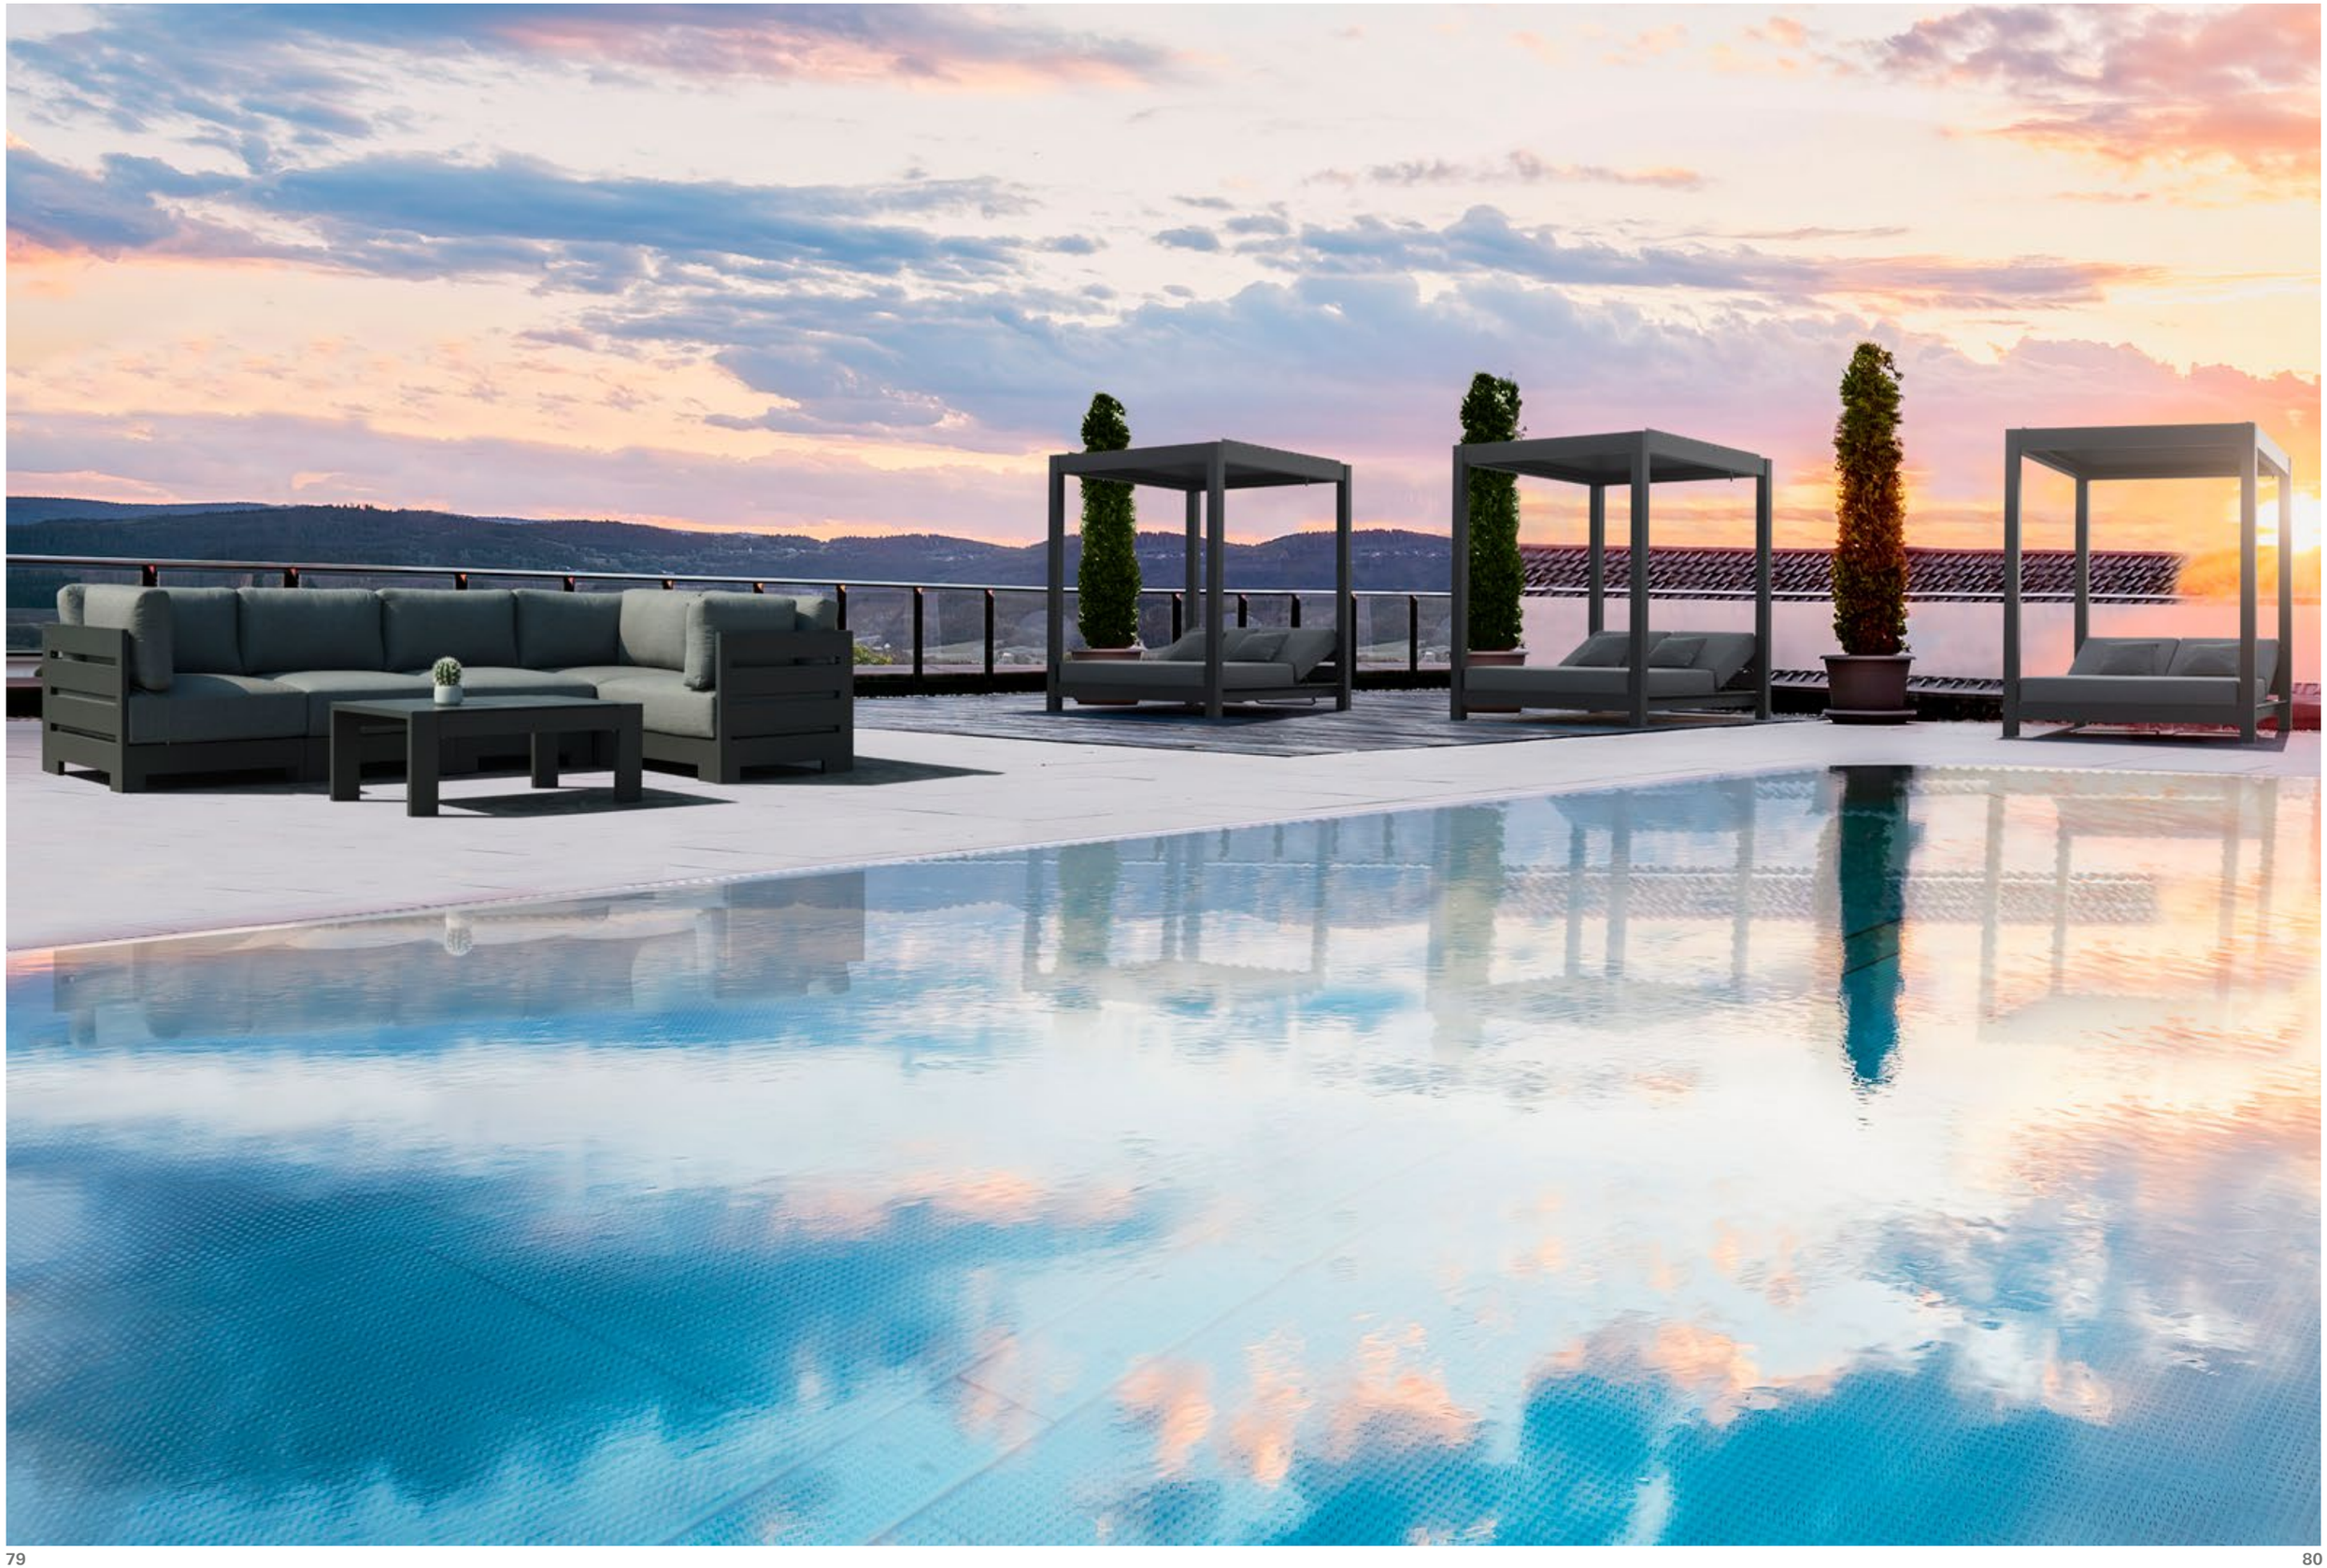
Endless configurations











Under the sun, the moonlight or even a light rain, you will love SKY Cabanas. The 100% recyclable aluminum structure conceals an ingenious roof.Thanks to an easy to maneuver mechanism, the slats can be oriented to let the sun in or out or in between. Should the rain start to pour, hop you go, just rotate the handle to close the roof, the rain will first drip trough the side gutters and then evacuate down the the four posts, easy and very clever, a little piece of heaven, at your convenience.

the ART *of* STANDING *Out*

Thanks to an innovative shape and a clever choice of materials, the LOUNGE Collection will undoubtedly make an outdoor statement in a multitude of environments, whether modern or slightly more transitional. The shape talks by itself while the choice of materials, indeed, is pretty distinctive.
While mixing materials skillfully might seem easy the most important is, as in the world of fashion, to reach the right balance so that each ingredients on the design table contribute to a tremendous design.
We truly believe we've achieved that goal with the LOUNGE Collection and it is all yours to enjoy!

LOUNGE

When the sun goes down our ILLUMI outdoor light will create just the right mood to enjoy time with your loved ones.

Thanks to a clever attachment, in the wink of an eye, you can easily move the tables from one side to the other, even in front of the sofa or chair.

LOUNGE
