YOUTH PROGRAMS

Learn Henna (Ages 6-12)

Enjoy a highlighted reading of "A Garden in My Hands" by Meera Sriram, followed by a practical opportunity to learn henna designing skills using a henna cone on paper or acrylic practice boards.

Presented by Chelsea Stevenson, Cardamom & Clove Henna.

Friday, September 4, 2 - 3:30 pm

Kent Island Branch

SCIENCE SATURDAYS

Apple Wrecking Ball Challenge (Ages 5-10)

Participants will work in teams and follow the engineering design process in order to design and build a structure to support an apple wrecking ball that can accurately knock over a target.

This event is made possible by a donation from the Sinsky-Kresser-Racusin Memorial Foundation.

Saturday, Sept. 19, 9:30 am

Kent Island Branch

Kaleidoscopes (Ages 5-10)

A hands-on STEAM program where young makers explore the colorful world of kaleidoscopes. After learning the science behind reflection and angles, participants will design and build their own working kaleidoscope to take home.

This program is part of the Maryland STEM Festival.

Saturday, Oct. 17, 9:30 am

Kent Island Branch

Wind Tubes (Ages 4-12)

Try out the wind tubes experiment with different objects to explore how air moves!

Various materials will be provided, and kids can see what items float, sink, or fly out!

This program is a part of the 2026 Maryland STEM Festival.

Friday, October 16, 10:30 am

Centreville Branch

Youth

YOUTH PROGRAMS

Spinning Stories with Spiders (Ages 5-10)

We'll enjoy a spider-themed story, create a spider craft, and, weather permitting, take a walk through the Kent Island Community Garden to discover where spiders live. Learn why these incredible creatures are important helpers in nature!

Friday, October 16, 10 - 10:30 am

Kent Island Branch

Mini Pumpkin Chunkin (Ages 5-12)

Drop by to use popsicle sticks, rubber bands, and a plastic spoon to build a small catapult to launch an orange puff ball through the air! Alter your design to see if you can make your "pumpkin" go higher or further!

This program is a part of the 2026 Maryland STEM Festival.

Friday, October 23, Drop-in from 1 pm to 4 pm

Centreville Branch

Slime Open Play

(Ages 4-10)

Drop in to play with different kinds of slime. Enjoy some time to play with slime, then leave the mess with us at the library.

This event is made possible by a donation from the Sinsky-Kresser-Racusin Memorial Foundation.

Friday, October 30, 10:30 am

Kent Island Branch

Balloon Twisting 101

(Ages 5-13)

Join Amanda James, of Clownin' Around, LLC to learn the basics of balloon twisting on the QACPS Half Day! Participants will take their creations home with them.

Friday, October 23, 2:30 pm

Kent Island Branch

Read to Rover (Ages 5-10)

Read to one of two dogs from the Delmarva Pets on Wheels! Research shows that reading to an animal helps children gain confidence and improve reading skills.

Wednesday, Sept. 9, Oct. 14 & Nov. 11, 4:30 pm

Kent Island Branch

Youth

YOUTH PROGRAMS

Light-Up Monsters (Ages 4-12)

Create a light-up monster to take home!

Using plastic eggs, tea lights, and craft supplies, use your imagination to create your own silly or scary monster!

Saturday, October 31, Drop-in from 10 am - 4 pm
Centreville Branch

Lego Open Build (Ages 4-10)

Ignite your creativity with our extensive LEGO® collection as you take the lead, whether solo or teamed up with fellow builders, to craft towering fortresses, intricate mazes, and whimsical worlds limited only by your imagination.

Monday, November 2, 11 am
Centreville Branch

Beaded Buddies (Ages 6-12)

Use pony beads, ribbon, and keychains to create your own animals following the provided patterns or get creative and come up with your own!

Saturday, November 28
Drop-in from 10 am - 4 pm
Centreville Branch

Block Exploration (Ages 1-5)

Explore different types of blocks and building materials! We will have a variety of Duplo, soft blocks, and magnetic tiles for you and your child to explore!

Saturday, Nov. 14, 10:30 am
Kent Island Branch

Chess Club (Ages 8-13)

Join our library's Chess Club! Sharpen your strategic skills and make new friends. Whether you're a complete beginner or seasoned player, come discover the fun with us! Hosted by Dan Meeks of Central Gaming Corps.
Tuesdays in November, 5 pm
Centreville Branch

YOUTH PROGRAMS

Preschool Science: Dancing Balloons (Ages 3-5)

Make balloons dance and scarves float to the ceiling in this hands-on experiment! Using wind tubes and a variety of materials, we will experiment with what floats, sinks, and what we can shoot out of the tubes!

This program is a part of the 2026 Maryland STEM Festival.

Wednesday, November 4, 10:30 am

Centreville Branch

Celebrate Native American Heritage Month

Where Are The Fish? Stories, Music, Movement

(Ages 3-6)

Join us for an interactive storytelling adventure inspired by "Where Are the Fish?" where we'll sing, move, imagine, and explore the plants and animals of the Chesapeake Bay!

Families will create their own recycled-paper artwork inspired by the Indigenous tradition of ledger art. Presented by Caroline Ferrante, M.Ed., Author & Storyteller.

Tuesday, Nov. 17, 10:30 am,
Centreville Branch

Grandmother's Beaded Story: Music, Movement & Beading

(Ages 3-8)

Join presenter Caroline Ferrante for a joyful and interactive Native-led story time, featuring Grandmother's Beaded Story, a beautiful Indigenous picture book. After the story, each child will create a simple beaded keepsake inspired by the book.

This event is made possible by a donation from the Murray Foundation.

Saturday, Nov. 21, 10:30 am,
Kent Island Branch

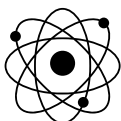

Youth

HOMESCHOOL PROGRAMS

Homeschool Library Orientation (Ages 5-14)

Start the school year off by learning about the Queen Anne's County Library and its resources! We will cover searching the catalog for materials, using our databases for educational purposes, and how to request inter-library loans. We will finish with a scavenger hunt to help you practice using the catalog and finding books on the shelves.

Monday, September 21, 11 am
Centreville Branch

Homeschool Science: Lego Robotics (Ages 8-14)

Work in pairs to build and program LEGO® robotic creations!

This program will be open to the first 16 participants. Presented by 4H Youth Development of UME Extension.

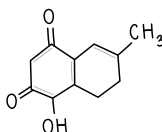

This program is part of the 2026 Maryland STEM Festival.

Monday, Oct. 19, 11 am
Centreville Branch

Homeschool Art: Enchanting Lanterns (Ages 5-12)

Light up your imagination and create a unique lantern! Use paper lanterns, tissue paper, decoupage, and twinkle lights to bring your creation to light.

Monday, Nov. 16, 11 am
Centreville Branch

Homeschool Science: Chemistry Under Construction (Ages 7-17)

Through hands-on experiments, children and teens can join a real chemist, Dr. Rose Pesce-Rodriguez from the American Chemical Society for fun experiments to learn how chemistry relates to building and construction.

Monday, November 30, 11 am
Kent Island Branch

These programs are great for homeschool families or others whose schedule allows for daytime availability.

Youth
