SPRING
2027
DISTRIBUTED IN THE USA BY CHRONICLE BOOKS

Welcome to Galison's Spring 2027 Collection!

At Galison, artists have always been at the heart of what we do. Our Creative Pledge – Real Artists, Real Art – reflects our commitment to collaborating with real artists and illustrators and celebrating their original creative work. As technology continues to change the creative landscape, we believe it is more important than ever to recognize the people, ideas, and individual perspectives behind the art we bring into the world.

Our Spring 2027 collection continues that tradition, bringing together an exciting new range of puzzles, creative activities, gifts, and paper products designed to make art part of everyday life. The spring season introduces fresh formats, new artist collaborations, and imaginative extensions of some of our most-loved categories.

And this year we want to honor the legacy of our founder Jerry Galison who passed away this summer. Jerry was an artist at heart and artists have always been at the center of what we do. We will continue to honor his vision and uplift our artists through genuine, human work.

Galison, President
