Welcome to Kleinbrak

A Tranquil Estuary Where River Calm Meets Garden Route Charm

The Klein Brak River (Little Brak River) is a tranquil coastal village and river located on South Africa's Garden Route in the Western Cape, roughly 13km north of Mossel Bay. It is renowned for its Blue Flag beach, a scenic lagoon, and popular activities like fishing, canoeing, and whale watching, along with proximity to the Botlierskop Private Game Reserve.

Think of it as a quiet, scenic estuary town rather than a dramatic river system. It's valued more for its tranquility, natural beauty, and laid-back coastal living than for size or economic importance. The nearby beaches are safe and uncrowded, making the area a relaxed holiday spot rather than a busy tourist hub. The surrounding area blends river, lagoon, and ocean scenery, creating a peaceful, almost tucked-away coastal landscape.

Come experience a quiet, family-friendly atmosphere, that is often considered a scenic gem on the Western Cape coastline.

HELPING ANIMALS, CHANGING LIVES

Since 2007, CAWS 4 PAWS has been a lifeline for stray and homeless animals in Great Brak and surrounding areas. Thanks to community spirit, we've sterilised thousands of dogs and cats, provided food, shelter, and veterinary care — giving them the love and dignity they deserve.

But we can't do it alone.

Every donation, fundraiser, and legacy gift helps us continue this mission — from rescuing animals in disasters to teaching communities about responsible pet care.
