Taste the difference, feel the health

While treated water is safe enough to drink straight from the tap, old and rusted pipes can compromise the quality of water received. Rusted pipes have a potential of causing contamination when soil, mud, rust and bacteria enters the pipeline.

Additionally, sediment buildup in home water tanks that are not regularly cleaned can also lead to contamination.

- Inorganic contaminants
- Radioactive elements
- Bacteria & viruses
- Microbial Pathogens

Removes chlorine, heavy metals, organic and inorganic contaminants.

Increase alkalinity level of water.

Protecting Water, Protecting Health:
Say No to Single-Use

It is a day to highlight the importance of fresh water and managing fresh water resources in a sustainable way.

One of the biggest concerns with fresh water is the amount of microplastics that contaminate it.

Microplastics

bind to chemicals that can cause cancer

can also carry toxins into the body

Tupperware products helps reduce microplastics in our water, promoting better health and a healthier environment.

Safe Locking System

Dishwasher Safe

Odor-Resistant Clear Material

Made to be seen. Built to be used.

These aren't just containers, they're your new everyday essentials. Whether you're batch cooking or heating up last night's dinner, Tupperware Voila™ Glass helps you save time, reduce mess, and serve in style.

PROPERTY OF TUPPERWARE MALAYSIA AND DOMESTIC SALE OF MALAYSIA ONLY

BUILT-IN STEAM VENT

While reheating in the microwave, steam escapes safely through the vent, preventing mess and preserving flavor. No splatter and no drama.

DURABLE GLASS FOR DAILY USE

Safe from -13° to 572°F/-25° to 300°C, this borosilicate glass container resists cracking in the oven, microwave, freezer, fridge, and dishwasher.

DID YOU KNOW?

The built-in steam vent makes microwave reheating easier by reducing cleanup and improving heat distribution, giving you better flavor, faster.

PROPERTY OF TUPPERWARE MALAYSIA AND DOMESTIC SALE OF MALAYSIA ONLY

EASY-PRESS AIRTIGHT LID

To keep food fresh, just press the lid and vent to create a spill-proof, airtight seal without clips or latches.

All-In-One Glass Container for Prep, Bake, Serve & Store

Simplify your kitchen routine with this borosilicate glass container -- ideal for meal prep, baking, serving, reheating, and storing food. Always remove lid before placing the glass container in the oven.
