

Plants Made Tasty

nomVnom is a modern vegan fast food restaurant based in Singapore, known for its innovative and flavorful plant-based dishes. Established in 2015 by founder Dr Ng Wai Lek, nomVnom was created with the vision of promoting a healthier, more sustainable lifestyle through accessible and delicious vegan food.

The name “nomVnom” is a playful combination of the word "nom" (a fun term for eating) and "V" for vegan, reflecting the brand’s cheerful and inclusive approach to plant-based dining.

nomVnom takes pride in using natural ingredients, avoiding artificial preservatives, and sourcing responsibly whenever possible.
