About the Author

**Hello! My name is Seoyoung.
I'm a first-year middle school
student.**

**I like listening to music, eating

Minjun and Jiho are best friends.
We go to school together and we
do it during breaks.

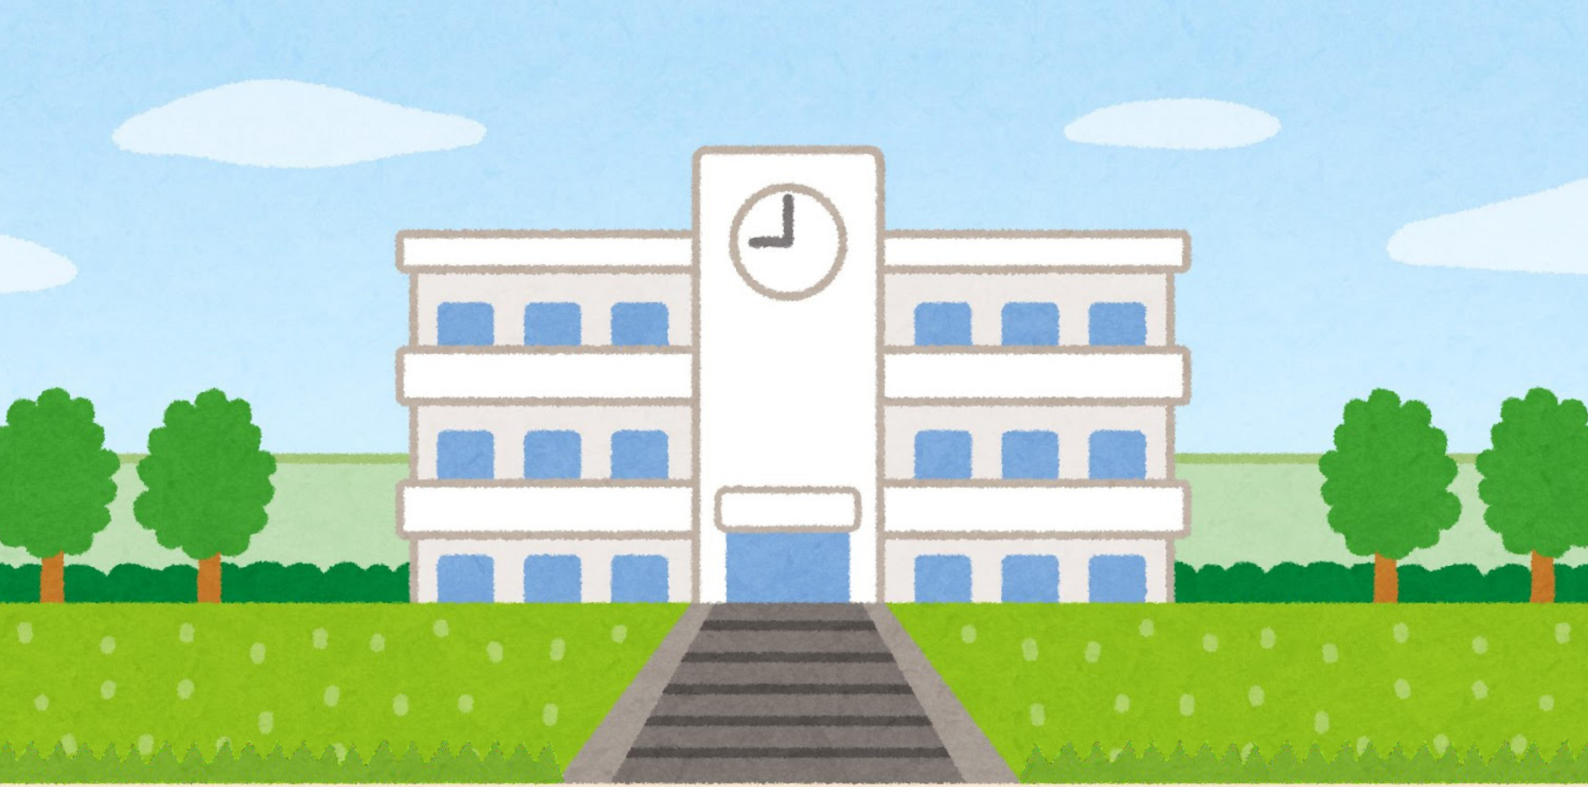

One day, in PE class, two friends want to use the same ball.

Minjun says he will
use the ball first.
Jiho also says he
wants to use it first.

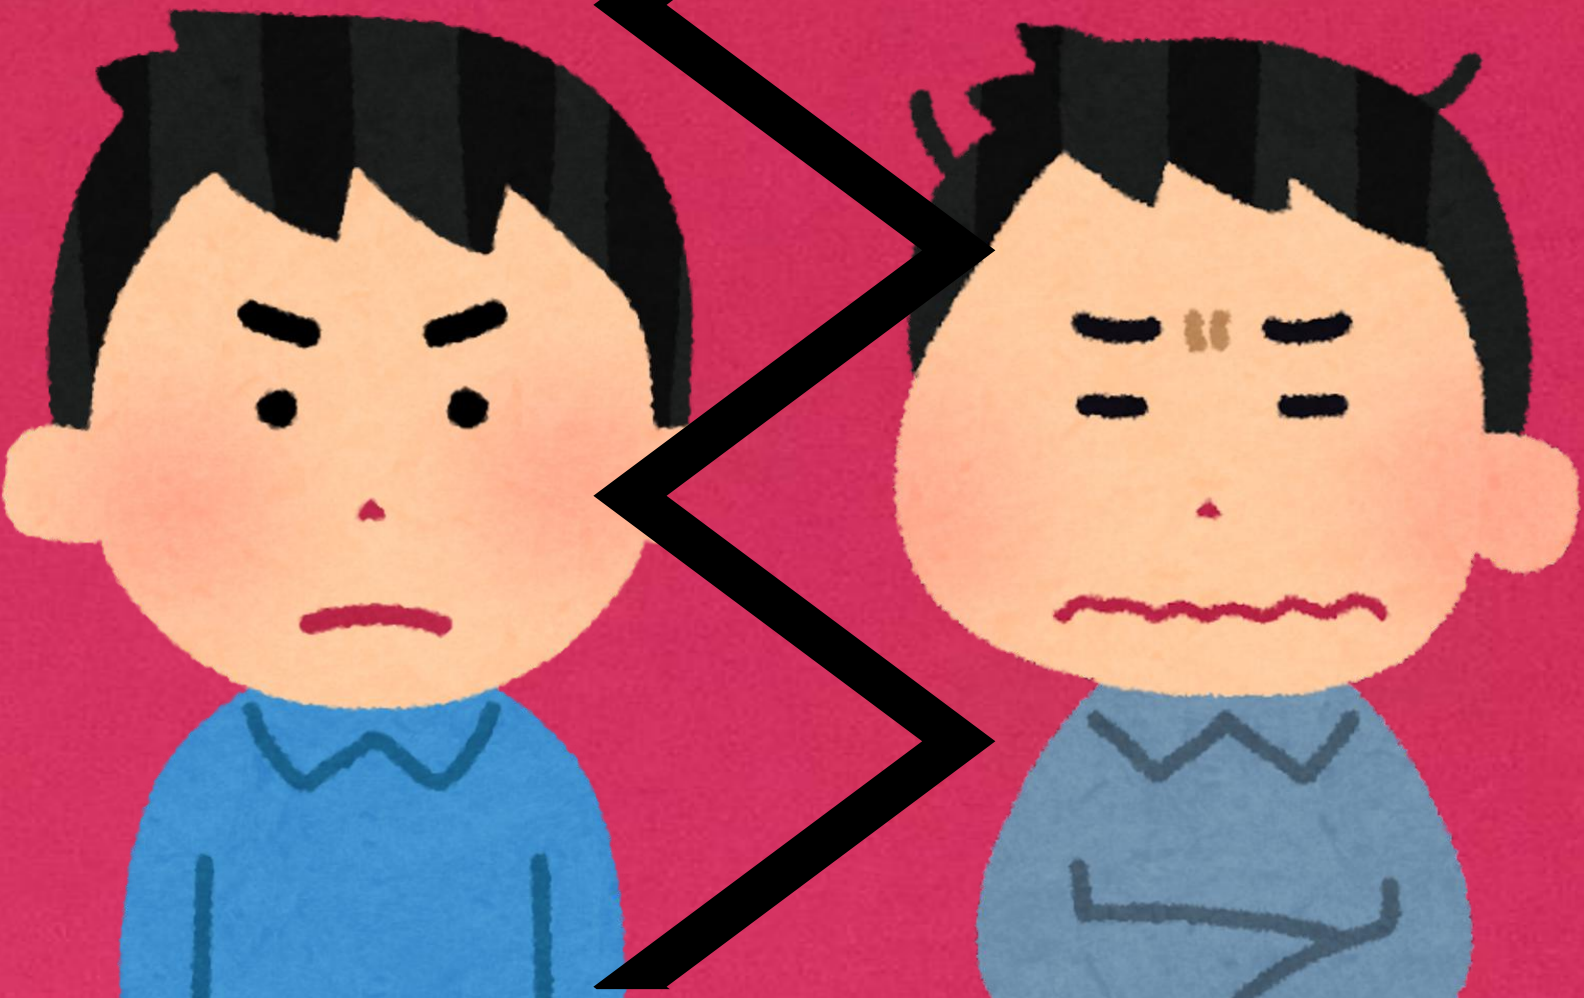

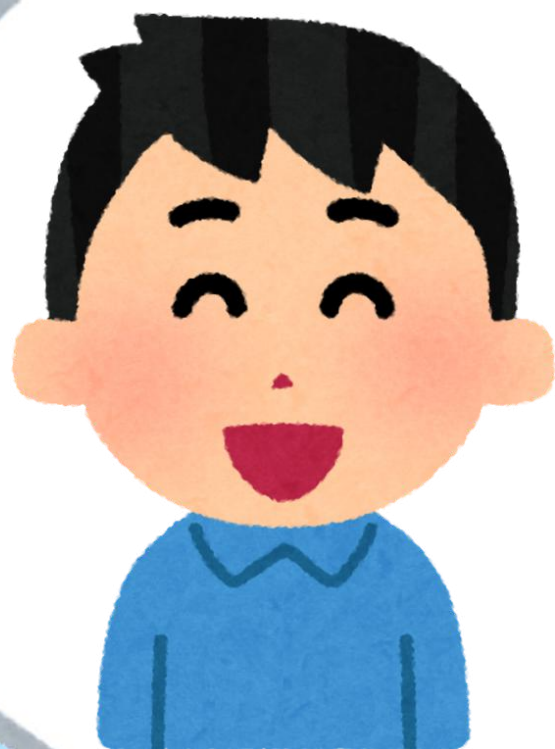

Two friends do not listen to each other.
They argue angrily.

Eventually,
the two friends go to
different places.
They don't talk to
each other for days.

Minjun thinks
of Jiho while
playing
soccer alone.

Minjun felt sorry for Jiho.
So, Minjun decides to
approach Jiho first.

Minjun says,
"I'm sorry."

Jiho also replies,
"I'm sorry, too."

The two friends listen to
each other calmly.
And we decided to
use the ball together.

Minjun and Jiho play together
on the playground again.
The two feel that friendship has
become more precious.
