Patterns with a warm touch.

Hand-painted patterns by Nate Berkus.

Olive Star

An intricate, lattice-like pattern hand-drawn exclusively for this collection. Grounded and earthy, the layered star motifs and organic lines give the pattern an artistry that rewards a closer look.

Olive Stripe

A hand-drawn, painterly stripe designed exclusively for this collection. Grounded and earthy, it layers naturally into the room, adding depth that rewards a closer look.

Bronze Stripe

A hand-drawn, painterly stripe designed exclusively for this collection. Warm and rich in tone, it layers naturally into the room, adding depth that's worth lingering on.

Bronze Star

An intricate, lattice-like pattern hand-drawn exclusively for this collection. Warm and rich in tone, the layered star motifs and organic lines give the pattern an artistry that rewards a closer look.

Toffee

Rich, warm and full of character. The visible wood grain adds texture and dimension to the finish, a detail that makes each piece feel considered and intentional in your space.
