ICONS AW27

THE NEW FAMILIAR

Rooted in the WITHBLACK DNA, ICONS AW27 explores a new perspective on familiar wardrobe codes — where Scandinavian minimalism meets heritage influences and a modern, effortless attitude.

Beyond Outerwear. As seasons shift and traditional boundaries fade, jackets and hybrid layers become essential elements of everyday dressing. Versatile by nature, designed to move seamlessly between seasons, occasions and outfits.

A rich, tactile expression defines the collection. Shades of blue, rosewood, rust, muted greens and layered greys bring depth and understated sophistication. Heritage references and aristocratic dressing are reimagined through contemporary silhouettes, soft structure and modern femininity. Defined waists, expressive sleeves and contrasting lengths create a new sense of proportion.
Familiar shapes. New proportions. A wardrobe in transition.

Much Love
