ITINERARY

BUENOS AIRES TO BUENOS AIRES

Begin in Buenos Aires, fly to Ushuaia, cross the Drake Passage and spend five extraordinary days exploring Antarctica before returning to Argentina.

DAY 1

Buenos Aires

City of Many Passions

Feel the rhythm of bustling Buenos Aires

An overnight stay in Buenos Aires is the ideal way to start your Antarctic adventure.

Home to a proud and diverse community of porteños, or “people of the port,” this city is a sensuous fusion of faded European splendour and Latin American panache.

There are plenty of places to explore, including many parrillas serving authentic Argentine steak. Or maybe you'd like to practise your dance moves in the famous hometown of the tango.

Consider arriving a few days early to see all this vibrant city has to offer.

DAY 2

Ushuaia

Setting Sail From Ushuaia

Flying south to Ushuaia where you'll board your ship

Your adventure begins with an early morning flight to Ushuaia, where we'll meet your hybrid-powered expedition ship that is specially designed for sustainable cruising in polar waters.

This bustling port is the capital of Argentina's Tierra del Fuego Province. Set against the magnificent backdrop of the Martial Glacier, Ushuaia vies for the title of the world's southernmost city.

After a briefing from your Expedition Team, you'll have time to settle into your cabin and explore the comforts and amenities on board.

eBird

DAY 3 - 4

Drake Passage

Get Ready For Antarctica

Centre on science before your Antarctic adventure

On the two-day crossing through the Drake Passage, the Expedition Team will equip you with all you need to make the most of your expedition cruise.

Visit the onboard Science Centre and find out what lies ahead. Listen to experts talk passionately about Antarctica's history, the science of what lies beneath the ice, and the impact of climate change and plastic pollution. Learn how to make your visit as safe and as low-impact as possible, and discover the Citizen Science projects you can join.

There's plenty of time to relax, so unwind in the hot tub or panoramic sauna, enjoy some delicious cuisine, and meet fellow travellers in the Explorer Lounge & Bar.

DAY 5 - 9

Antarctica

Antarctica Another World

Experience Antarctica in all its natural majesty

Nothing can quite prepare you for it. Antarctica will fill you with wonder when you see its looming glaciers and icebergs the size of cathedrals. Perhaps the most surprising part of Antarctica is the silence. It's a stillness that's broken every so often by the locals – the wildlife.

In the Antarctic summer, that might be penguins tending to their chicks; cormorants, sheathbills, and petrels wheeling through the skies; or even orcas or humpback whales feeding on the krill-rich waters. Antarctica is simply a place where nature is king and the rest of us are mere observers.

You'll spend an exciting five days busily exploring several of the possible landing sites. Wherever we go and whatever we do, each day will offer something different and thrilling.

You'll join the Expedition Team on landings and ice cruises. You can take part in activities such as kayaking, snowshoeing, and hiking – and you may even get the chance to go camping overnight. Back on board, the Expedition Team will continue their lectures, giving you deeper insight into the frozen continent.

DAY 10 - 11

Drake Passage

The Drake Passage

Discover more about the Falkland Islands

As you savour your Antarctic experiences, prepare for more adventures ahead as we cruise toward the Falkland Islands. Your Expedition Team will brief you about the history and biology of the islands. In the Science Centre, you can look through the microscope at the tiny krill and phytoplankton that sustain so much of the region's wildlife.

Get tips from our professional photographer to improve your images or join workshops on wildlife painting and tying nautical knots. You can also book a spa treatment, visit the gym, and enjoy the locally sourced, regionally inspired dishes in our restaurants.

Wildlife of the Falklands

DAY 12 - 14

Falkland Islands

Enjoy birding and hiking on these green islands

The Falkland archipelago is filled with seamless horizons and white sand beaches teeming with birdlife. Only the occasional farm dots the landscape. You'll find grassy hills and wildflowers, in contrast to the vast whiteness of Antarctica. You can also enjoy a community walk through Stanley, taking in the Jubilee Villas gardens, Christ Church Cathedral, and the Historic Dockyard Museum.

Our landings, hikes, and excursions are—as always—subject to weather conditions. We hope to visit albatross and penguin colonies, which are often found sharing space with seals, and get as close as we can without disturbing them.

Optional Excursion

Stanley - Community Walk

Take a guided walk to get insight into life in the Falklands, where approximately 2500 people call home.

A large photograph of a bird, possibly a booby, in flight over a deep blue ocean. The bird has dark plumage on its head and back, with white underparts and wings. It is shown in profile, flying towards the left. The background is a vast, slightly hazy blue sea.

Our Last Day at Sea

DAY 15

Ushuaia

A relaxing day at sea with time to reflect

Your expedition cruise, taking in the wonders of Antarctica and the wildlife of the Falkland Islands, is nearing its end. As we sail the final leg to Ushuaia, enjoy your final day at sea.

Join the Expedition Team in the Science Centre to examine special interests in greater depth. Enlist the help of the Expedition Team to help identify species captured in your photos or simply relax on deck, recalling the highlights of your memorable adventure. End the day in the Explorer Lounge & Bar with the new friends you've made on your trip, sharing experiences over a relaxing drink.

DAY 16

Ushuaia and Buenos Aires

Journey's End

Your expedition cruise concludes in Ushuaia, where you disembark and say farewell to the ship, Expedition Team and new friends.

An included economy-class flight returns you to Buenos Aires, bringing your round-trip journey from Argentina to Antarctica and the Falkland Islands full circle. Carry home vivid memories of immense ice, extraordinary wildlife and communities shaped by the Southern Ocean.

INCLUDED ACTIVITIES & EXCURSIONS

These activities are included with your trip. Our Expedition Team will confirm timings once you're on board. Selected activities can also be booked before departure.

LANDING SITES IN ANTARCTICA

Go ashore at carefully selected sites with guidance from the Expedition Team and transportation by small expedition boat.

ONBOARD SCIENCE PROGRAM

Join onboard science activities with experts, learn about Antarctica's fragile ecosystems, and contribute to research.

DAILY LECTURES

Join lectures, discussions, demonstrations and Citizen Science activities that deepen your understanding of Antarctica's wildlife, history, geology and climate.

Every activity is planned with safety in mind. The final program remains flexible because Antarctic conditions can change quickly.

WHAT IS INCLUDED

HOTEL

- Overnight in Buenos Aires before the expedition cruise, including breakfast

FLIGHTS

- Flights in economy class between Buenos Aires and Ushuaia

TRANSFERS

- Transfer from the hotel to the airport in Buenos Aires before the expedition cruise
- Transfers between the Ushuaia airport and the ship

EXCLUSIVELY FOR SUITE GUESTS

- Relax and recharge in the hours before your Antarctic adventure
- Step into calm at Arakur Resort & Spa, perched in the Cerro Alarkén Nature Reserve with sweeping views over Ushuaia and the Beagle Channel. This curated experience, lasting approximately five hours, gives suite guests a few precious hours of serene luxury to prepare for their journey
- Meet and greet on arrival in Ushuaia, before your Antarctic departure
- Scenic 20-minute transfer to the resort
- Gourmet lunch featuring regional flavours'
- Enjoy a few hours of relaxation with access to spa, heated pools, saunas, and nature trails
- Remote check-in, with luggage delivered directly to your suite
- Optional spa treatments and massages (additional cost, subject to availability)
- Duration: Approx. 5 hours

FOOD & BEVERAGES

- Daily breakfast, lunch, and dinner. Coffee, tea, soft drinks, wine, beer, and spirits
- Fine dining in restaurant Lindstrøm included for suite guests
- Wine, beer and spirits available at meals and throughout the day and evening (subject to licensing laws, excludes premium drinks)

HX EXPEDITION GEAR

- Wind and waterproof expedition jacket
- A complimentary Ocean Bottle water bottle to refill on board and take home

ONBOARD ACTIVITIES

- In-depth lectures and discussions hosted by our knowledgeable Expedition Team
- Use of our Science Centre, including the library and advanced biological and geological equipment
- The Citizen Science Program allows guests to assist with ongoing scientific research
- An onboard professional photographer will give tips and tricks for taking the best landscape and wildlife photos
- Informal gatherings with the crew for daily briefings
- Daily briefing with the Expedition Team about the plans for the next day

LANDING ACTIVITIES

- Escorted landings with small expedition boats
- Necessary equipment for activities, such as walking poles, will be provided on board on loan. Rubber boots are mandatory for biosecurity per IAATO guidelines. Your HX travel documents will have a recommended packing list.
- Expedition photographers on hand to assist you

SHIP FACILITIES

- Use of sauna, hot tubs, pool, fitness room, lounges and more

COMPLIMENTARY WI-FI

- Complimentary Wi-Fi. Please note, streaming is not supported

EXTRAS

- Professional photos from your trip taken by our onboard photographer
- Gratuities included. Fantastic service is standard at HX – though if you'd like to leave something extra, it's always appreciated
- Range of included activities

NOTES

- All planned activities are subject to weather and ice conditions
- Excursions and activities are subject to change
- Please make sure you meet all entry and boarding requirements
- Depending on your flight times, an additional overnight stay might be needed (not included)
