READ·A·RIFIC®

The Best Reading Comprehension Program

Every child deserves to feel capable and confident in their learning!

Many struggling learners have never been taught the important foundational skill that makes comprehension, memory, and independence possible.

That skill is visualization — the brain's ability to create meaning from what is heard and read.

Discover how this approach works — and how to begin supporting your child at home!

Read-A-Rific® is an affordable, step-by-step online reading comprehension program that teaches the foundational skill of visualization in short, guided sessions — approximately 15 minutes a day.

Read-A-Rific® is perfect for:

- Parents and Guardians
- Homeschooling
- Schools

Read-A-Rific® is a vendor for various schools & ESA Scholarship Programs across the country, including Texas PDSES, and TEFA -Texas Education Freedom Accounts and continues to grow.

- Programs are geared toward 3rd to 6th graders, but older students can benefit as well because the concept is the same. Adults use the program as well!
- Proven results
- Payment plans available through Affirm (3, 6, or 12 months)
- All the programs have unlimited access and can be used by multiple students

www.readarific.com

Use code TEX10 to get 10% off the 60 session reading comprehension programs and bundles.

Janel Nansenn, M.A., is an Educational Therapist, author, speaker, online course creator and founder of Read-A-Rific®, LLC. Janel earned a Master's degree in speech-language pathology and audiology, and over the years, has established five successful private practices/learning clinics in four different states, helping many clients from the age of five through adulthood become independent learners.
