### Who Are We?

"I opened Right at Home Guildford & Farnham in June 2012 and have not looked back since. I love what we do; it's so rewarding making a difference not just to our Clients', but to those of their families too. We support people to stay in their own homes with very person-centred care services. If someone wants to stay living in their own home, then we will do everything we can to make that happen."
