Keeping Students Safe at Charter

Keeping Students Safe is Our Priority

You have the right to feel safe.

If something happens that makes you feel **worried, uncomfortable or unsafe**, tell an adult you trust. This could be your parent, your teacher, or anyone at Charter you feel comfortable talking to.

What happens when you tell us?

We will listen.

We will take you seriously.

We will help you.

Sometimes we may need to share what you tell us with another adult so that we can help keep you safe.

Screen Time and Wellbeing

Meet the Teacher 2026-2027

- We are a ***phone-free*** Primary School
- The same applies to ***smart watches***
- If you need to contact your child please contact the front office or the class teacher directly.
- We aim to create a community where children can focus fully on their learning, friendships, and play.
- Importance of sleep - primary children need between 9-12 hours
- Importance of downtime, relaxation, play, and hobbies - they are critical for balanced growth, wellbeing, and lifelong learning.

A gentle reminder:

While social media can be a useful way for parents to connect, we ask that the wellbeing of all students is always respected. Discussions about individual children in parent groups can sometimes lead to misunderstandings, embarrassment, or unnecessary stress for families.

If you have a concern about another child, please share this directly with the class teacher. This ensures that the matter can be addressed appropriately, fairly, and with the best interests of all children in mind.

Thank you for your support in helping us keep our community positive, respectful, and focused on the wellbeing of every student.

Birthdays

Meet the Teacher 2026-2027
