Moments before the cataclysmic destruction of Earth by an unknown celestial destroyer of worlds known only as the 'The End', high-schooler Doug is whisked away to Galaxyland – an idyllic, zoo-like solar system of planets. But is this so-called paradise truly as good as it seems? As Doug embarks on a galactic quest alongside his gun-toting pet guinea pig Boom Boom, a sentient robot called MartyBot, and a whole host of equally whacky companions, in a valiant effort to discover the truth behind Galaxyland and somehow undo the apocalypse of his Earth.

An all-new take on the beloved RPG adventures of old, players will pinball around many diverse planets, skyrocketing through teeming jungles, neon-lit cities, and cybernetic casinos, Beyond Galaxyland blends classic platforming and puzzle solving, with an engaging active turn-based combat system, and epic boss battles against the Universe's 'most wanted'.

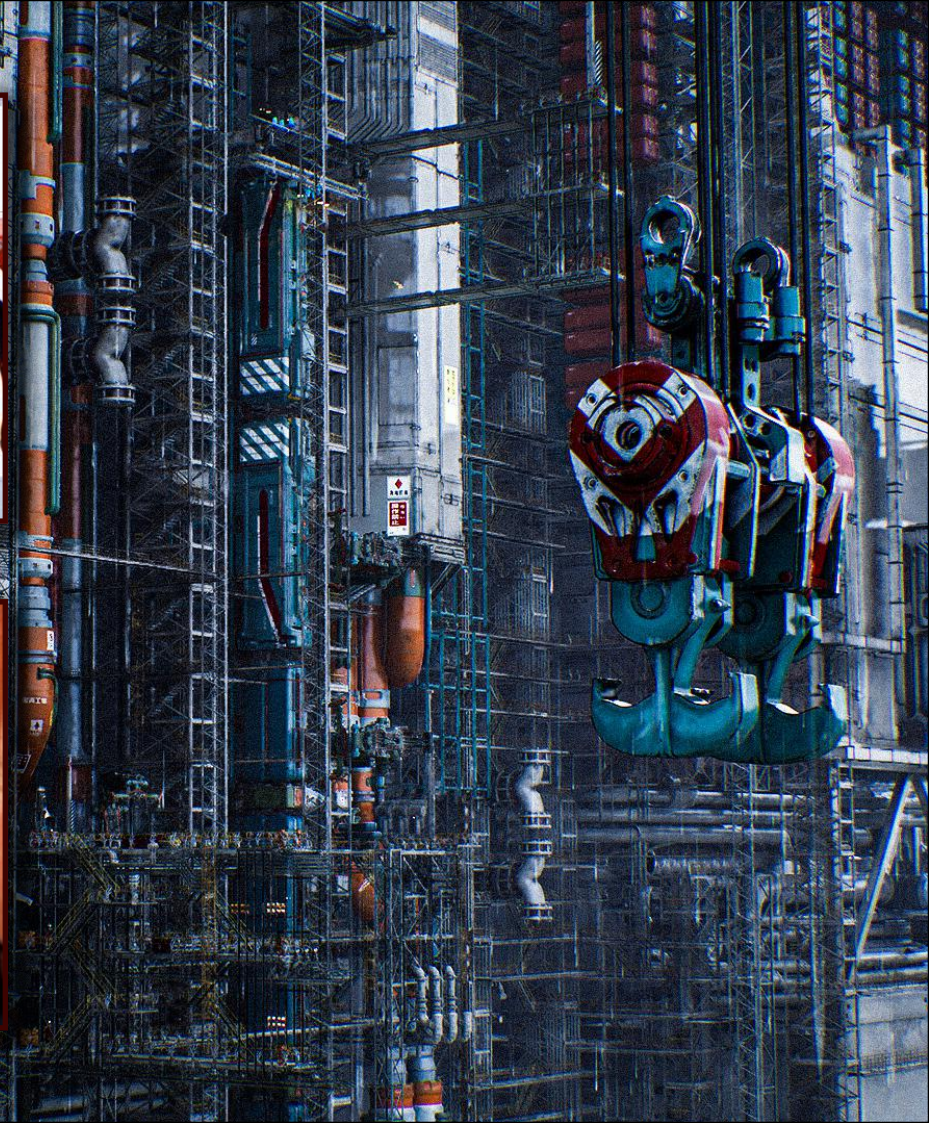

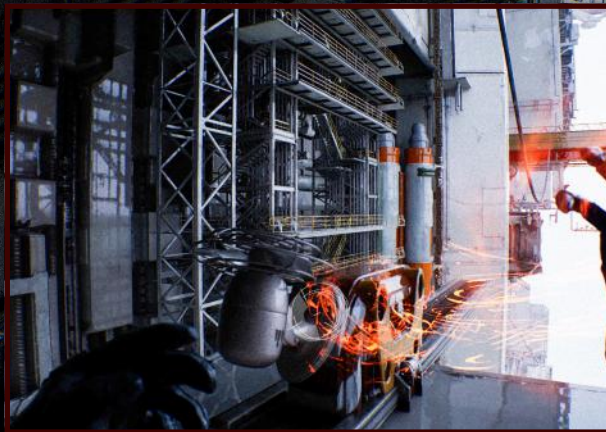

CREATED BY CHICAGO-BASED DEVELOPER AND MUSIC PRODUCER, SAM ENRIGHT, THE CLASSIC SCI-FI MOVIE-INSPIRED ADVENTURE IS SCHEDULED TO LAUNCH ON PC, NINTENDO SWITCH™, PLAYSTATION™5, PLAYSTATION 4, XBOX SERIES X|S, AND XBOX ONE LATER IN 2024.

"I'M A HUGE FAN OF CLASSIC TURN-BASED RPGs FROM THE MID AND LATE-1990s, AND SOME OF MY FAVOURITES – SUCH AS CHRONO TRIGGER AND FINAL FANTASY VII –HAVE PROVIDED ME A GALAXY'S WORTH OF INSPIRATION WHEN DEVELOPING BEYOND GALAXYLAND. I WANTED TO MAKE A GAME THAT FELT UNIQUELY CINEMATIC, WHILE BEING WITHIN A FAMILIAR GENRE. I HOPE WHEN GAMERS PLAY IT THEY'LL APPRECIATE HOW BEYOND GALAXYLAND'S PACING WILL OFTEN FEEL CLOSER TO A MOVIE THAN A VIDEOGAME. DOUG, BOOM BOOM, AND MARTYBOT'S ADVENTURES ACROSS AND BEYOND GALAXYLAND IS A VERY PERSONAL TALE TO ME, AND I CAN'T WAIT FOR PEOPLE TO EXPERIENCE THEIR INTERGALACTIC STORY!" SAID SAM ENRIGHT.

“Our work on The Forever Winter started out with one simple truth: war is hell. There’s a time and a place for the power fantasy of being a super soldier, but frankly, it’s been done time and time again.

We wanted to redefine victory as survival - ensuring that every battle is hard fought, and every defeat is a lesson learned. You’ll be rewarded for fighting smarter, not harder, and maintaining situational awareness in a world we designed to be as unforgiving as it is

unforgettable. While your power will grow, you’ll always be a mouse in a maze, to survive, you’ll have to work together.” *said Miles Williams, CEO and Creative Director of Fun Dog Studios.*
