About Us

Founded in 2005 by passionate students of BITS Pilani, Nirmaan Organization started as a youth-driven movement inspired by the vision of A. P. J. Abdul Kalam. Through the "Save One Rupee a Day" initiative, Nirmaan brought together young changemakers committed to nation-building and social development.

Over the years, Nirmaan Organization has grown into a global social impact organization working towards building an inclusive and sustainable society.

Vision

To achieve a knowledge-driven and economically empowered society.

Mission

To promote grassroots social innovations, volunteering spirit, active citizenship & social leadership among the youth of the nation.

Core Values

Our core values guide every decision and action. They define who we are and how we serve with **transparency, truthfulness, and responsibility** at the heart of all we do.

Being Ruthlessly Transparent

Lead with honesty, take responsibility, and let truth be your compass

Being Truthful

Lead with integrity, accept accountability, and seek support when in doubt

Being Responsible

Demonstrate ownership, anticipate challenges, deliver with excellence and timeliness

Nirmaan Implementation Model

HOLISTIC EDUCATION

School Transformation Program

Transforming government schools with better infrastructure, quality teaching, and holistic growth

Digital Classroom Program

Equipping under-resourced schools with smart classrooms, trained teachers, and interactive content

Digital Labs & Coding Program

Upgrading government schools with computer labs, skilled instructors, and structured curriculum to build digital literacy

STEM & Robotics Program

Bringing hands-on STEM and robotics learning to under resourced schools

Career Guidance Program

Enabling underserved students to explore careers through workshops, counseling, and mentorship

Scholarships & Mentoring Program

Transforming government schools with better infrastructure, quality teaching, and holistic growth

Sports

Inspiring young talent in rural schools with regular coaching, equipment, and competitions

Vidya Helpline

A toll-free (1800-425-2425) education and career guidance service helping students make informed futures

Inclusive Education Program

Building barrier free learning environments through accessible infrastructure for Bhavitha centres

ECONOMIC EMPOWERMENT

Women in Tech Program

Enabling women in tech through free training, mentorship, job readiness, and life skills

Women in Fintech

Equipping underprivileged women with industry-relevant skills, mentorship, and placement support

Artificial Intelligence Readiness Program

Expanding access to future-ready AI skills in Tier 2 & Tier 3 cities through a Hub-and-Spoke mode

Women Entrepreneurship Program

Supporting women to create sustainable businesses and economic independence

Youth Employment Program

Empowering youth with skill training, industry links, jobs, and career growth support for sustainable employment

Vocational Training Centre

Empowering women as confident micro entrepreneurs through skills, mentorship, outreach, and start-up support

Impact Hiring

Guiding marginalized youth to connect with inclusive jobs through counseling, training, mentorship, and placement

Persons with Disabilities (PwDs) Skilling Program

Empowering persons with disabilities through training, mentorship, and job support to ensure equitable access to dignified employment

HEALTH & WELL-BEING

Infrastructure Support to Govt Hospitals

01 Set Up ICUs in Government Hospitals

Equipping hospitals with intensive care units to improve critical care access

01

02 Upgrade Hospital Infrastructure

Renovating and strengthening hospital buildings and utilities for better healthcare delivery

02

03 Provide Medical Equipment

Supplying ventilators, infusion pumps, syringe pumps, and other essential tools for treatment

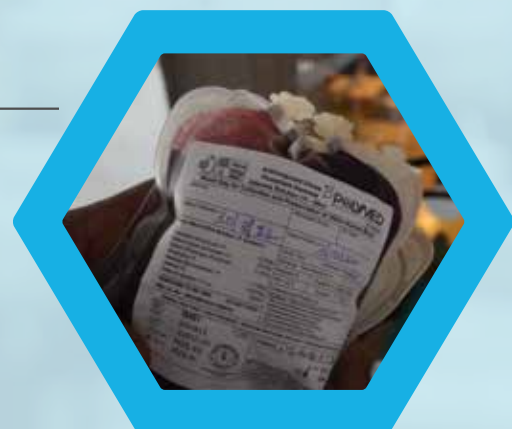

03

04 Support Blood Units

Ensuring reliable access to safe blood for transfusions and emergencies

04

Community Health Program

01 Mobile Medical Unit

Free consultations, screenings, and health education in urban slums

01

03 Anemia Free Community

Health education, screening, and nutritional support

03

05 Blood Donation Camps

Promoting a culture of voluntary blood donation

05

07 White Coats Family Clinic

High-quality medical services at reduced costs, including daily discounts on diagnostic tests and free screenings

07

02 CPR Sessions

Training citizens and frontline responders to strengthen emergency preparedness

02

04 Breast & Cervical Cancer Screening and Awareness

Awareness sessions and early screenings to protect and empower women

04

06 Multi-Specialty Health Camp

Specialist consultations and lab diagnostics brought to remote and tribal areas

06

ENVIRONMENT & SUSTAINABILITY

Lake Cleaning & Restoration Program

Cleaning and restoring lakes through waste removal, water treatment, plantation, and community engagement

Solid Waste Management Program

Building waste infrastructure, promoting segregation and recycling, and mobilizing communities for sustainable waste practices

Other Activities

Engaging initiatives such as seed ball making, paper bag crafting, and bird feeder installation encouraged community participation while promoting environmental awareness

Plantation & Kitchen Gardens Program

Planting trees, creating school gardens, promoting sustainable farming, and nurturing environmental education

Solar Energy Solutions

Solar street lights, solar borewells, and more, our solar initiatives are empowering communities with sustainable solutions

RURAL DEVELOPMENT

DISASTER RELIEF AND REHABILITATION

Medical & Health Camps

Critical healthcare access in affected regions mobile camps, trauma care, hygiene awareness

Livelihood Revival

Training, tools, and financial aid to help families restart income sources and stand tall again

Emergency Response

Rapid deployment of food, water, hygiene kits, and temporary shelters within 72 hours of disaster impact

Rehabilitation & Rebuilding

Immediate relief, infrastructure recovery, and livelihood restoration

Preparedness & Resilience

Community-led training programs and mock drills to build readiness and reduce risk before the next storm

COMMUNITY DEVELOPMENT

LGBTQIA+ Skilling and Entrepreneurship Development

Empowering LGBTQIA+ communities through training, mentorship, and livelihood support for sustainable futures

Zero Hunger Holistic Care Program

Supporting children in orphanages and elders in old age homes with nutritious meals, healthcare, education, safe living spaces,

TECHNOLOGY AND AI FOR GOOD

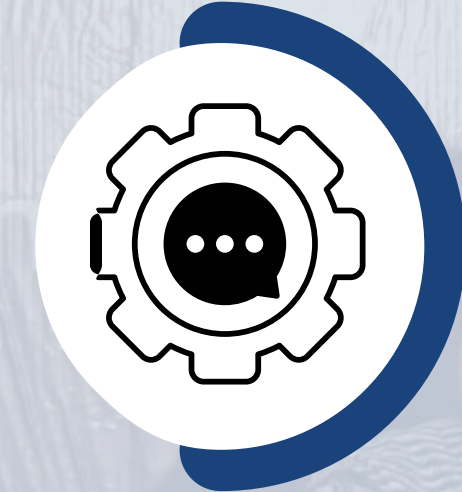

Impact Hiring

Empowers underserved youth with jobs, training, and learning resources, while helping employers hire diverse talent

Career Advancement Platform

Personalized assessments, diverse opportunities, and expert support for students' academic and career success.

Skill Center Management Portal

Student data, performance tracking, and reporting for efficient skill center management and improved impact.

Online Learning Platform for Coding

Free, mentor-backed coding education with age-appropriate content, interactive tools, and continuous evaluation for underprivileged students.

Digital Learning Platform

Structured, self-paced digital content for government school students to learn computer skills and basic coding anytime.

E-commerce Portal

Zero-cost e-commerce platform enabling marginalized entrepreneurs with access, equity, and sustainable opportunities.

Social Impact Platform

One platform to manage projects, track impact, and connect stakeholders, driving efficiency, transparency, and data-driven impact.

Our Services

- Full Stack Web Development
- Mobile App Development
- UI/UX Designing
- Cloud Hosting
- Product Management
- AI Enabled Projects

INDIVIDUAL SOCIAL RESPONSIBILITY (ISR)

Individual Campaigns

Start a campaign. Change someone's reality

Raises funds for education, healthcare, disaster relief, and urgent community needs

Friends of Nirmaan

Be more than a supporter. Become an advocate

Friends of Nirmaan connects passionate individuals across communities and networks

Employee Giving (India and Global)

Support causes in India, from your office anywhere in the world.

Give smarter through platforms like Benevity, Bright Funds, and Your Cause, and unlock tax benefits

Patrons Program

Commit to long-term, measurable impact

Long-term impact across key social initiatives, enabling consistent support with transparency and deeper engagement

Fundraising Events

Celebrate, Compete, and Contribute, all at once

Events that unite people for a cause, from marathons to virtual experiences

VOLUNTEERING

We offer a wide range of **individual volunteering opportunities** and **virtual volunteer opportunities** to fit your schedule, location, and interests

For Professionals

Corporate Volunteering

Where you can use your skills to support impactful initiatives

Change Makers Program

Brings together passionate individuals aligned with Nirmaan's mission, contributing their time, expertise, and leadership to drive real change

Program Vashishtha

Nirmaan's Mentorship Program, where you can be a mentor and empower young minds to shape a better future
