DELTA DENTAL®

The Most Advanced Impact Protection

More than 3 million teeth will be knocked out this year while practicing or participating in youth sports across the country. The **Delta Dental Mouthguard** provides 2x the impact absorption of traditional mouthguards & was the first mouthguard to receive the ADA Seal of Acceptance from the American Dental Association.

Delta Dental of New Mexico is proud to provide Delta Dental Mouthguards to school athletics programs across the state of NM FREE of charge!

Over 50,000 mouthguards donated since 2023, saving New Mexican families over $1,000,000.

GUARD YOUR GRIN

Delta Dental of New Mexico is committed to improving the overall health and smiles of the people we serve. Our Mouthguard Program benefits schools, students, and their families.

PREVENTING INJURY

Wearing a mouthguard minimizes the impact of concussions & other injuries to the teeth, tongue, lips, jaw, & face.

ORTHODONTIA FRIENDLY

The patented fitting material molds comfortably over braces, and can be remolded again and again as teeth move.

SAVING FAMILIES MONEY

Preventing sports-related orofacial injuries can save a family thousands of dollars over a lifetime.

MORE TIME FOR LEARNING

Reducing orofacial injuries in school sports keeps kids in the classroom, and out of the emergency room.

NMDOT

The habits we model matter. Planning ahead when alcohol is involved shows the next generation what responsible choices look like. When you know people will be drinking, decide how everyone will get home safely before heading out. Either designate a sober driver or plan a rideshare. A little preparation can make all the difference.
