TRUSTING GOD WITH THE ROAD AHEAD

PROVERBS 3:5-6

*"Trust in the Lord with all your heart and lean not on your own understanding;
in all your ways submit to him, and he will make your paths straight."*

Andy Bryson | CEO of Gridiron Football

Proverbs 3:5-6 reminds us to trust the Lord with all our hearts instead of leaning on our own understanding. That sounds simple until life gets difficult and we start believing we must figure everything out ourselves.

I have learned this lesson repeatedly: when I depend on myself, I screw up. I rush decisions, worry about things I cannot control, and try to force doors open. But when I rely on the Lord, things seem to work out more smoothly. Sometimes the circumstances change. Other times, He changes my heart so I can handle them.

My life has not followed an easy, straight road. Being disowned at sixteen, joining the Navy shortly after high school, and suffering an injury in Afghanistan were experiences that could have left me feeling lost. Looking back, I see how much I needed strength beyond my own.

Today, through Gridiron Football, I have the opportunity to help young athletes discover their potential. Our mission, "To Change One Life, is to Change A Community," reminds me that purpose reaches beyond personal success. It is about serving others with the opportunities God places before us.

Trusting Him does not mean every problem disappears. It means we do not have to face every problem alone. A straight path may still include hardship, waiting, and unexpected turns. Yet God can guide our next step even when we cannot see the destination.

Whatever you are carrying today, place it in His hands. Pray before you react. Seek His wisdom before making your next decision. Keep working, keep believing, and let Him lead.

I am still learning to surrender my plans, but this much I know: my understanding has limits. God's faithfulness does not. When I stop trying to control everything and trust Him, I find peace to take the next step.

NATIONAL PLAYER OF THE WEEK

WEEK 5

Kortlin Kyle delivered a dominant first-half performance in Vinton's 56-6 victory over LaGrange. He recorded 12 tackles, recovered a fumble, and returned an interception 70 yards for a touchdown. He also carried the football on offense for the first time in his career.

Kyle earned 87,046 votes, finishing more than 60,000 ahead of the runner-up. He follows teammate Michael Lange, the Week 3 winner, giving Vinton another reason to celebrate.

A teammate's tipped pass helped create Kyle's interception. He turned the takeaway into a touchdown, helping the Lions improve to 5-0. Despite the individual recognition, the defensive captain credited the teammates around him.

"I would like to also share this trophy ... with my teammates and my brothers."

KORTLIN KYLE

Head coach Tyler Laverigne praised Vinton's community support and Kyle's development from a young lineman into a defensive leader who also contributes on the offensive line.

OCALA, FL

CLASS OF 2027 | WR-CB | 6'1" | 178 LB | 3.1 GPA

Victor "HuckaBuck" Young III brings versatility and determination to Trinity Catholic High School in Ocala, Florida. The Class of 2027 senior contributes at wide receiver and cornerback, gaining experience on both sides of the football.

At 6'1" and 178 pounds, Young offers size and positional flexibility. Competing at receiver and in the secondary gives him two perspectives on the same matchup as he continues developing his skills.

His journey began with a love for football and encouragement from his family. That support remains his strongest motivation as he pursues college football. He credits hard work and consistency as important parts of his progress.

His senior-season priorities are clear: compete, win, and create recruiting opportunities. He feels more experienced and confident than last year and hopes to attract interest from additional schools.

Improving his route running is a particular focus. Refining timing, precision, and separation gives him a concrete goal as he works to show what he can offer an offense.

Away from the field, Young maintains a 3.1 GPA. He is open to any college willing to give him an opportunity to compete at the next level.

How To Be Invited

Every year we get hundreds of
emails asking to play in this
All-American Bowl Game. We do
not accept just anyone to play.
Every player must have a minimum
of a 2.8 GPA, have Hudl film, be
recommended by their head coach,
and for Louisiana residents attend
one of our events. This game has
gotten bigger and bigger every year
it has been in existence. This past
year (2025), we had four Senior
teams (Lions, Tigers, Knights, and
Demons). We played two games
with a 15 min championship round
between the two winners. This
game had more than 500k total
viewers on YouTube and thousands
in attendance. With nearly 400
prospects to have signed to date,
over 500k total viewers from one
years game, and the national
attention through ESPN; this game
has become one of the premier
games in the country. We look
forward to seeing you at one of our
camps if you wish to participate.
