MESSAGE

FROM THE PRESIDENT OF EASTERN PROVINCE BOWLS

On behalf of the Executive of Eastern Province Bowls it is my pleasure and privilege to extend a warm welcome to all the players and spectators to 2026 Personal Trust All Cape tournament.

Eastern Province Bowls is proud and thankful to be associated with Personal Trust who have generously sponsored this tournament for a number of years. Allow me to also thank them for their continued generous support of our sport both nationally and locally. I trust that the endorsement and support by all our players of their products will ensure that our relationship continues to flourish. Only through reciprocal support of our sponsors will we demonstrate our gratitude for their involvement.

The All Cape tournament is now in its forty second year of existence and its longevity is testimony to the support players continue to give to the event. It provides a unique opportunity for all our bowlers from across the six districts in the Cape that comprise of our traditional participation regions to participate and test their ability against their fellow bowlers from all our other districts. More than that however It is a place where old acquaintances are renewed and new friends made. Whilst the ultimate goal of being crowned the Champion of the whole Cape is the aspiration all contestants set out to achieve not realizing that goal is more than compensated for by the fantastic spirit of camaraderie that pervades itself across the sport we all enjoy so much. Be it on the field of battle or afterwards the spirit of goodwill that is so prevalent across our sport is what makes the experience of participation one that remains in our memories for a long time.

The Executive extend our sincere thanks and gratitude to the organising committee under the leadership of Jeanette Williams for their dedicated commitment to ensuring that all those who participate will remember the event with a great sense of enjoyment.

Finally I would like to thank the officials at all the hosting Clubs, Technical Officials, Caterers and Green Keepers for their dedication. It would be impossible to present a successful tournament without the tremendous contribution made by all these volunteers. Good bowling to all safe travels and God Bless

Robert Forbes

FROM THE TOURNAMENT COMMITTEE CONVENER

My Committee and I would like to welcome you to the 2026 All Cape Tournament.

We have faced numerous problems with the draw due to the fact that the price of Fuel has gone up and we have received many withdrawals from the Tournament. Because of this we been forced to redo the draw several times to ensure that everyone plays as many games as possible.

We look forward to welcoming you all to Gqeberha and trust that you all have a good tournament, good sportsmanship and most of all good weather and all return home with fond memories and many more bowling friends.

PRACTICE

- A team awarded a walkover or having a bye may, at the discretion of the Club Tournament Official, play or practice on a rink on the green allocated to the Section concerned.
- Playing to a jack and using a mat is permitted.

TRIAL ENDS

One trial end in each direction may be played prior to the commencement of a game.

START OF PLAY

- At the start of the game, the winner of the toss shall decide whether to take the mat and deliver the jack or let the opposing team play first.
- At the start of the second and subsequent ends, the winner of the previous end must take the mat and deliver the jack.
- If the end is drawn, the winner of the last scoring end must take the mat and deliver the jack.
- There are no burnt ends; the jack is to be re-spotted at the 2m mark.

FORMAT OF PLAY

- The Tournaments are played separately according to gender and shall be played on a league basis, in sections of not more than 10 teams, 21 ends per game, with all teams in a section playing each other.
- Games during sectional play not to exceed three and a half (3½) hours in total, calculated from the official starting time (09h00) for the morning session and 14h00 for the afternoon session.
- Where there is only 1 game per day, the starting time will be at 09h00.
- A warning bell will be sounded ten (10) minutes prior to the expiry time and any games still in progress when the final bell is sounded are to cease at the completion of the end in progress.
- The score at the completion of the end in question will be taken as the final result.
- Should an end be made dead after the final bell has been sounded, the jack must be re-spotted on the 2m mark and the end played to its completion.
- Should a game be stopped due to inclement weather, the time will be extended by the equivalent amount of time for the delay, subject to the availability of time and at the discretion of the Tournament Committee.
- Section winners will proceed to play on a knock-out basis in the Championship event, the runners-up in each section shall compete on a knock-out basis in the Plate event and the 3rd placed in the Bowl event.
- No time limit will apply during the knock-out stages of the Tournament.

SCORING

In sectional play:

- Two points shall be awarded for a win and one for a draw.
- Should play be abandoned for any reason, a minimum of 15 ends must be played to constitute a game and the score at the completion of the 15th end shall be the final score for that game. If more than 15 ends have been completed, the score at the greatest number of completed ends by all teams in the section will count.
- The winner of the section qualifies for the championship playoffs, the 2nd place qualifies for the plate playoffs, and the 3rd place qualifies for the bowl playoffs. In the event of there being teams with equal number of points, then the winner shall be decided by the following sequential criteria.

Net score

- Shot percentage (i.e. shots for, divided by shots against)
- The game is played between the two teams during sectional play.
- If that game was drawn, the winner will be decided by the spin of a coin.

In knock-out play:

- An extra end/s shall, where necessary, be played to achieve a result.
- A team may concede in knock-out play once their losing margin either in points or shots is greater than the total number of possible points or shots in the ends still to be played.
- In knock-out play; should play be abandoned, the winning team shall be the team leading at the time of abandonment irrespective of the number of ends completed.
- Should no ends be completed at the time of abandonment then the winners shall be determined by the toss of a coin.
- Should a team withdraw for any reason after commencement of the Tournament, all their completed results up to the point of withdrawal shall stand.
- That game and the remainder of the games shall be forfeited and the opposing team/s for that and the remaining un-played games shall be allocated two (2) points and the net total shots equal to the average net shots scored by the winners of all the other games played in the same round/s of the same section.

RE-SPOTTING THE JACK (one re-spot position)

ENDS MADE DEAD SHALL NOT BE REPLAYED.

- In the event of an end being made dead the jack will be re-spotted on the two (2) metre mark.
- If a jack in motion passes completely outside the boundaries of the rink of play, comes to rest in any hollow in the face of the bank, or rebounds to a distance of less than 20 metre from the mat line, the end must not be declared dead.
- Instead, the jack must be placed with the nearest point of the jack to the mat line and the spot which is two (2) metres from the ditch and on the centre line. Play must continue.
- Should this spot be partly or completely covered by a bowl, the jack must be placed as close as possible to the covered spot, between and in line with that spot and the corresponding spot on the opposite end of the rink, without touching a bowl.

RESTRICTING THE MOVEMENT OF PLAYERS DURING PLAY

- The provisions of Appendix A.4 of the Laws of the Sport of Bowls, Crystal Mark Version 4, specifying the circumstances under which players are allowed to walk up to the head, shall apply.
- A lead, second and third player may only visit the head after they have both played both of their bowls.
- The skip may visit the head after each bowl has been played.
- There is no restriction in the laws as to when players must move to the mat end except to play his/her bowl.
- When a player at the head walks up to the mat to deliver their first bowl, their direct opponent can remain at the head until that bowl has come to rest before walking up to the mat to deliver their first bowl.

INTERRUPTION OF PLAY

- A game in progress may be stopped by the Tournament Committee or upon appeal by the players to the Umpire, on account of darkness, adverse weather conditions, or any other valid reason.
- The Technical Official shall submit the appeal to the Club Tournament Official who shall immediately seek the instruction of the Tournament Committee.
- All play must cease immediately upon the bell (or other signaling device) being rung.
- Incomplete ends shall be restarted should the game be resumed.
- In the event of adverse weather conditions or for any other valid reason, the Tournament Committee shall have the right to curtail the number of rounds or ends as well as to determine the winners/runners-up of each section on a lesser number of rounds.

DISTINCTIVE MARKING OF BOWLS AND LEGALITY

Bowls in a set of four must have distinctive and similar markings on each side and shall not have been tampered with.

STICKERS

Stickers are allowed provided that all members of the team have them affixed to their bowls.

INTERCHANGE OF PLAYERS

No interchange of players will be allowed during the course of a game.

RESERVES AND SUBSTITUTES

- Two reserves that are bona fide members of the same Club may be registered with the team prior to the commencement of the Tournament.
- Should a registered reserve act as a substitute for a different team, such reserve shall forfeit the right to be the reserve for the team he/she was originally registered for.
- A substitute shall be permitted to replace a player who fails to appear within the maximum waiting period of 30 minutes after the scheduled commencement or restart of a game.
- A substitute shall also be permitted for a player who, for any valid reason acceptable to both skips and the Tournament Committee, is compelled to withdraw during the course of a game.
