Welcome and Thanks for checking us out…. and for the ones who have placed advertising…Thank You so much!

Who can believe that the holidays are upon us and 2026 will be over before we know it. The long hot days of summer are gone and fall is moving right along.

It's the time of year that mail order thrives. People are spending much more time indoors and many are looking for some extra income. If you have an ad in this issue, it might just be the opportunity they are looking for. If you don't have an ad here, now it the time to send in your flyers so that they will be running during the winter months.

If you are looking to make some extra money working from home, mail order is just one of the options. There are also other legitimate work from home opportunities. And, there is always the possibility of starting a home based business offering local products and services.

Even though we will mostly feature "mail order" and "mlm" offers here, we are always open to helping you with other aspects of working from home for extra income.

The Postal Service is still in disarray with first class mail taking up to 2 weeks to arrive at its destination, if it arrives at all. Imagine if they can't handle the mail now, what will it be like when Christmas cards and packages hit the post office.

If you've read this far, here is a Special Offer: Advertise in the next three issues (December, January and February) Just $10 CASH for 5 full page flyers. Mention the Winter Special. Include a first class stamp for acknowledgement.

So, look over the many offers enclosed and choose the ones that interest you most. Please remember to mention that you saw their ad in "Oppads Magazine" when ordering from or contacting advertisers. It helps us to grow and to offer you even more valuable information and offers each issue.

Next deadline is November 28th. Publication will be December 1st.

Until next time, *Mike*

Luckily, it's never been easier to make extra money from the comfort of your own home!

Consider these ideas:

1. **Become a virtual assistant.** If you can copy and paste data, then you can easily become a virtual assistant. While some of the tasks involved may be more complicated than copying and pasting, most tasks will not need much skill or experience, yet can earn you a healthy amount if you find the right client.

    - There are dedicated sites online, such as Upwork, where you can bid for virtual assistant jobs. You can also find work on social media if you keep your eyes open.

2. **Sell on eBay, Craigslist, or Facebook Marketplace.** We all have things around our homes that we no longer want or need. Rather than leaving them to gather dust, you could list them for sale online.

    - **You could even buy from other sellers cheaply before relisting the items for a small profit yourself.**

3. **Trade cryptocurrency.** While cryptocurrency is still relatively new, there are

still plenty of people online making money by trading Bitcoin or digital currency. As with anything else you want to sell, **the way to profit is to sell at a higher price than you bought it.**

4. **Sell services on Fiverr.** If you have any skill, such as writing, design, or many others, you can offer your services on Fiverr or one of the many marketplaces online.

    - Work may be slow when you first start selling on these sites, but once you start making sales and your reputation grows, you can start to make more money.

5. **Start a blog.** Do you have a particular passion or subject that you know a lot about? If you do, consider writing a blog. Whether your passion is dogs or fashion, if you can write about the subject, then your audience will grow.

    - **Before long you'll be able to earn money from commissions from products you recommend or from accepting advertising, like Google Ads, on your site.**

6. **Social media management.** Nowadays, most people and businesses have a social media presence. If a company wishes to reach their target audience, it's important to keep posting content to their social media accounts. This is where you can come in and offer your social media management services.

    - If you have any experience at growing a social media following, you can charge these companies to grow their channels for them.

7. **Affiliate marketing.** Affiliate marketing involves creating content to promote various product offers and services. **You receive a commission from any product bought from your affiliate link.** You can promote these products on your blog or social media accounts.

    - There are thousands of niches to choose from, with plenty of money to be

made from selling in-demand products.

- You can find products to promote from marketplaces like Clickbank, Amazon, or JVZoo. You can also find many websites that offer affiliate programs for their products.

8. **Create online courses.** This can also be a great way to make money at home by teaching others how to do any skill that you know. There are many ways to do this.

    - You can create a digital product that you could sell, like an eBook.

    - You could create a YouTube channel where you teach your skills to others. With YouTube, you may not make much money to start, but if you stick with it, creating new videos on a regular basis, then you could grow a following and create a passive income stream that could last for years.

    - Create courses to upload to course marketplaces like Udemy, Teachable, Kajabi, or many more. You make money by selling access to your courses.

Basically, if you know how to do anything online or know more about a topic than the average person, you can monetize that skill or knowledge online.

So which side hustle do you fancy? Making money at home is certainly possible, and for some of the ideas you need very little skill or expertise, making them suitable for just about anyone.

Why Keying Your Ad Matters

Keying your ad means adding a small identifying code to your advertisement so you can track exactly where each response comes from, and this simple step turns guesswork into real data by showing which adsheets, issues, or versions of your ad are actually producing results; with a key code, every order or inquiry tells you which placement pulled, allowing you to measure performance, compare different ads, drop the weak ones, and invest confidently in the ones that consistently deliver.

5 WAYS TO MAKE MONEY **While You Sleep**

5 Ways to Make Money While You Sleep

Who doesn't want to make money while they sleep? ***If you want to really make a lot of money, it's easier if you can do it 24/7.*** Any stream of income you can create that doesn't require your regular attention will take you a long way towards your goal.

Here are just a few ideas to get you thinking:

1. **Hire an assistant.**The idea here is to ***get the contract for some work that pays reasonably well and then simply hire someone else to do the work.*** You pay them less than what you're getting paid and keep the rest. If you can get enough work, you won't have to do much and you can really make some money, all while you sleep.
    - For contracts involving offline work, bookkeeping, landscaping, and many other service businesses work well with this concept. Your work would be in meeting with current clients and getting new clients while your assistant does all the service work. ***Picking up ongoing, monthly contracts is where you make the most money.***
    - For contracts involving online work, such as programming, design, or graphics for websites, the least expensive virtual assistants are typically found in foreign countries where a day's pay is considerably less than it is here. There are many qualified and skilled people all over the world that would love to help you out.
        - Look at marketplaces like elance.com and others to obtain your online contracts. There are also marketplaces specifically for workers in foreign countries. An Internet search will lead you to all

the marketplaces you could use.

2. **Create a blog.** ***If you can get readers, you can make money.*** With a high traffic site, you can make a lot of money from advertising revenue. Pay per click ads can really amount to a significant income on a popular site.
    - With that regular audience, you can also sell products and services to them. The products and services don't even have to be your own! There are probably products related to your blog content that you could sell and take a cut of the proceeds.

3. **Buy a small business.**Most people focus on the Internet when trying to make money while they sleep. Any small business where you can hire other people to run it will work. Do you think the owner of 10 McDonald's franchises is in there flipping burgers? Your own bricks-and-mortar business might be the answer.

4. **Create affiliate websites.**This is similar to the blog idea, but an affiliate website is commonly dedicated to selling a single product. Maybe it's for a diet product or a dating strategy product. By creating a website with worthwhile content, you can attract people looking to spend money on the type of product that you're offering.
    - You can find products on websites like clickbank.com and commissionjunction.com. There is no shortage of products and you're sure to find something that you can sell.

5. **Write a book.**Specifically, write an eBook and sell online. Amazon.com makes it extremely easy to sell your eBook and they take care of everything. It's not likely that you'll make a ton unless you really strike a chord with people, but you might be surprised.
    - Create a mini-empire. If you have an eBook on raising chickens, why not have a website and a blog about raising chickens? You can establish yourself as an expert and have a lot of cross advertising going on. Sometimes 1+1+1 = 5.

- Pick something that a lot of people are willing to spend money on. ***Things like money, love, and health are goldmines.*** Who isn't interested in these things? There's more competition for sure, but that's where the big money is located.

- Choose a topic you're passionate about. If you love it, then it's not really work.

Can you come with some more ideas? ***Making money while you sleep can create the additional income you crave.*** Imagine if you spent your spare time creating passive income instead of watching TV every night. You'd be wealthy before you know it!

Get Creative With Making Money at Home

Get Creative With Making Money at Home

Have you lost your job or suffered reduced hours (and pay) because of the sluggish economy? As the person responsible for putting food on your table, you might not have the luxury of waiting for a lucrative full-time job to come your way.

Instead, start the process of finding other sources of income. Use your resolve to come up with creative ways to earn an income at home.

How to Identify Alternate Earning Opportunities

Use these ideas for identifying creative ways to make money at home:

1. **Survey your neighborhood.** Sometimes, answers to your challenges are closer than you know! There could very well be a need for your knowledge or skills right there in your own neighborhood. ***How could you tap into these needs to earn from your abilities?***

    - Did you play sports while you were in school? Perhaps one of your local schools could do with an assistant coach to help expand one of their sports programs. This could provide you with some extra income.

    - Since you already have a car that's sitting idly most of the time, why not start a car pooling service to take community kids to and from school or their after-school activities? It's very likely that parents will feel reassured knowing that their kids are in the hands of a trustworthy neighbor.

2. **Re-purpose one of your skill sets.** At your last job, you were likely called upon

to do different tasks that were aligned with your skills. ***Take a minute and think about whether some of those skills could be applied to other areas.***

- Were you the resident letter writer because of your way with words? If so, it's possible that you could take your skill to a content writing website, newspaper, or publishing house.

- Did you ever get involved with training new staff members because your boss felt you were an effective communicator? Offer your services to a skills training institution. You could even offer online training in various skills for a fee.

3. **Consider consultancy.** Some employers, while unable to hire new employees due to the instability of the economy, may still need valuable input from people like you in the field. Hence, ***many companies are going the route of hiring consultants, instead.***

    - When companies hire consultants, they don't have to worry about employee expenses like health insurance, clothing allowance, and more. ***They can get what they need without the costs and commitment of hiring an employee.***

    - ***That's where you come in!*** Offer your consultancy services and enable them to save money while you make money.

    - You might be able to provide valuable input to the company right from your home computer.

Those who will remain afloat throughout this employment slump are people like you who are willing to think outside the box to make things happen.

Take advantage of earning alternatives like these and turn things around. Use these tips as a springboard to more ideas of your own. Who knows? You might just find your next great career!

Giving Thanks For Your Life

Giving Thanks for Your Life

When was the last time you said *thank you* for being alive? Sounds silly, doesn't it? Well, if you barely have time to appreciate what you have, how can you ever desire anything more?

We all have something to be thankful for, even those who live a modest lifestyle by choice or by circumstance.

- Focusing on material possessions, rather than on the very fact that we're living and breathing, tend to make us *forgetful* of the greater gifts, such as our families and our health.

Life is a miracle and can be taken away in a moment's notice. Regardless of your spiritual beliefs, there are many ways you can show your appreciation for your life.

5 Ways to Express Your Gratitude

Sometimes showing your gratitude can be as simple as saying thanks, but other times ***you can show gratitude by helping others, or paying it forward.*** After all, you'll never know how a simple, kind gesture will affect someone's day.

Here are some ideas to help you appreciate life while also helping others:

1. ***Reach out to your extended family and friends***. Send them cards just to say Hi, call or email them, or even throw a party to reconnect and show these people they're important to you.

2. ***Reflect about your childhood and ancestors***. Write a poem, essay, or short story about your life. What sacrifices did your parents make for you? What struggles did the family endure? How is your life better or easier than that of your great-grandparents? How did these events make you the person you are today?

3. ***Meditate, pray, or go to your place of worship***. Find a quiet place to think about all that's good your health, family, or home and simply say thank you to your Creator.

4. ***Reconnect with your spouse and children***. Actions speak louder than words so turn off that television and spend some quality time with your family just to have some fun! Whether it's a surprise getaway or a family game night, renewing your relationships with your family will strengthen your bond and bring you closer together.

5. ***Keep a gratitude journal***. Write down all the things you're grateful for in your life and reflect on all that is good. Even the simplest things such as finding a parking space at the mall or locating your missing keys are times to be grateful!

When You Need a Wake Up Call

Sometimes it's all too easy to engage in these activities and give thanks for a good life, yet over time, we somehow fall back into our old habits. In these times, we need a jolt to remind ourselves of all that is good.

- ***Spend a few hours a week volunteering at a hospital, nursing home, or soup kitchen.*** Take a good look at the people you're helping, listen to their stories, and be grateful that you're fortunate enough to help those in need.

Giving IS Receiving

When you give of yourself either with a smile or another kind gesture you receive the warm satisfaction of helping to make a difference in the world, one person at a time. Your uplifting attitude will be contagious and you just might be the recipient of a random act of kindness!

How Many 20's Do You Want?

Maybe 5, 10, 20…..a hundred? How about a dozen or so every week? It's all possible…….if you really want it.

With this little program, you can work at your own pace, set your own goals, start small or go all in. It's up to you.

But I can assure you that everyone likes the idea of getting twenty dollar bills in their mail every day. And those people will eagerly pay the small amount required to achieve this accomplishment.

So, what's the catch? There is none. You simple pay a small fee of $20 + 10 new, straight from the post office, first class stamps. In return, you receive all the following:

- A copy of this flyer with your name and address in the space below. This is your ticket to receiving all those 20's you want.
- Advertising coupons worth $25 to help you promote this and other programs you might choose.
- A second program that brings you in $5.00 bills like crazy.

Then what happens? You promote this program by mailing out copies of your flyer (like this one), or having someone print and mail copies for you. When people send you $20 dollar bills and 10 stamps, YOU KEEP ALL THE MONEY! You send the customer information and the 10 stamps to the prime source who fills the order for your customers. You spend or bank all those 20's coming to you and life gets much better. But it all starts when you take the first step. Just send $20 (cash only) plus 10 new first class "Forever" stamps and this ad to:

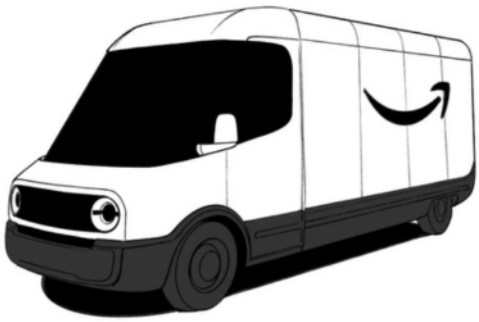

BAKER - PO Box 196 - Pittsburg KY 40755-0196

You will receive the above mentioned program and other items listed by first class mail. Note that this program is void where prohibited by law. No claim of earnings is made. Your success will depend upon your efforts to market your product. No refunds..

"The Thundering 100's!"

Receive Cash From The Thundering 100's!

HOW? See Details Below.

There are 2 people listed below, these are your 2 sponsors. These are the two you will send a one time $100. Once you are a member, your name and address will be added to the list in the 1st position. Your sponsor will move to the 2nd position and number 2 gets removed from the page. You will send out copies of this same letter to get your new members. Each one you sign up earns you $100. And get this, they will be using this same letter with their name in the 1st position and yours will be in the 2nd position on their flyer, and as they get their members, you will receive another $100. This could get "HUGE" because your name remains in the 2nd position on their flyer and as long as they mail, you keep receiving $100, the same as on your flyer, you are always in the 1st position. Of course, as others join you, you are moved to the 2nd position and you would receive from their efforts!

What if you got 10 people and they each got 10 or more. You could be receiving into the thousands and possibly more! What if you got more than 10, as it is unlimited! Plus, you receive from being in the 2nd position on others flyers, this way no work on your part. Now they are working for YOU . . . WOW!!

Upon joining, you will receive a new master copy of this page with typesetting complete, instructions on how to continue, a helpful hints guide and a mailing list of 90 names on peel & stick labels (our products) to help you get a quick start. Plus, you will receive a report on "How To Mail To 1,000 With Ease!" This opportunity is for like minded people, who are willing to give a small amount in order to prosper in The Thundering 100's way! So, don't put it off and join us TODAY! You won't regret it! Do YOU trust *them*? We sure don't! They're all criminals!

It does not matter *which side* you're on, or what candidates you like, because they are all lying, criminal bastards! *Come on*! Stop believing their lies! Face reality, face facts!

They *really don't* care about us, so we all have to start fending for ourselves! Here is a new way **for you** to begin solving your financial problems. If *everyone* takes this great program seriously, and does not "quit" too soon, we can all prosper!

Take five one hundred dollar bills (**Yes, cash!** *If* you're too squeamish to mail cash, or don't have the money, then throw away this letter, it's NOT for you!) and wrap each bill in a page from an old magazine for privacy. Then stick each GIFT into a note that says, "Here is a GIFT to you, one of my fellow Americans! May God also Bless you!" Then put each of those into a well sealed envelope addressed to the five participants below.

Put a stamp on each, and drop them into the outgoing mail. One person is the monitor who keeps this organized and *prevents cheaters*. Within a few days, you will receive a camera-ready copy with your name in the fifth position. Make at least 1,000 copies and buy 1,000 envelopes and start mailing them out. If you cannot afford that many stamps at one time, then just buy 100 stamps each week, and keep mailing.

Keep mailing until you receive at least **six $100 bills** while your name is in the fifth position. You will know because everyone must also send a copy of this letter to the five people to whom they are mailing gifts. Whenever anyone joins through your letter or the letter of one of your recruits, you will move up one spot. If everyone were to mail until they receive six initial responses while in the fifth position, and everyone else did the same, and we skip over the monitor, you could potentially get **6 x 6 x 6 x 6 = you** can *do the math* and see the number of $100 bills you might soon have flooding your mailbox! Some people will mail much more! Others might mail *fewer*, which **is not** a good idea. Like I said earlier, this is not for everyone.

To keep this legal and *legitimate*, the monitor will *also* send you some names and addresses of serious *opportunity seekers* printed on paper, so YOU can hand address some of your mailings! You will also receive a brief report with great tips about making money through the mail with these types of mail programs. (Studies show that *most people* are more inclined to open envelopes that are hand addressed.)

Is The U.S. Economy About To Collapse?

Plan Ahead!

Things are getting more crazy around the USA and also around the world. There are many people who fear that this decline will continue, and they are preparing for the worst by stocking up on food and supplies. They are also less trusting of banks, and are stocking up on cash. And some are even buying silver, gold, and Goldbacks!

Be Prepared!

Perhaps you do not have enough money, or you would love to accumulate more, and here is a great mail program that just might help you achieve your goals, if you work it and do not quit! You simply make 5 copies of this flier, grab 5 envelopes, 5 stamps, and 5 twenty dollar bills. You send twenty dollars and a copy of this flier to the five patriots listed below, one of whom is the monitor. Be sure to include your name and address! Within a week you will receive a camera-ready copy with your information listed in the Patriot #4 spot. Then start making copies and mailing them out!

As people to whom you mail the flier join this fabulous program, they will each mail you a $20 bill, and when they begin mailing fliers, you will be Patriot #3 on their flier. You will earn on four levels! Do the math. As an example, if everyone would mail until they receive 10 responses; 10 x 10 x 10 x 10 = ? people sending YOU twenty bucks!

It would be wise to hoard some of this cash, and also buy some food, silver, and gold!

For best results, you might mail 20, 50, or 100 fliers every week!

You will also receive several other fabulous money making and work from home business offers to help you with your finances.

SUPER CA$H GENIE!

HE'S GRANTED YOUR WISH FOR "MORE MONEY"!

UPGRADE YOUR WAY TO BIGGER PROFITS!

Watch As Your $100 Commissions Grow Exponentially!

Here is an **"OPTIONAL"** upgrade offer to ***THE ALL CASH GENIE***, with **MORE AND BIGGER CASH PAYOUTS!** You have received this page either for your consideration to join THE ALL CASH GENIE and SUPER CASH GENIE, or because you are already a member of THE ALL CASH GENIE and wish to upgrade to EXTRA streams of income with $100 CASH COMMISSIONS! It works the same as THE ALL CASH GENIE (a Reverse 1-up program) with 2 small exceptions. First, to participate in & upgrade to SUPER CASH GENIE, ***one must already be a participant in THE ALL CASH GENIE***. Second, commissions and pass-ups go ONLY to those qualified to receive them. To qualify, first join THE ALL CASH GENIE program so that you can receive unlimited $50.00 cash commissions. Then, simply pay a **one-time program cost of $120.00 cash or money order to upgrade to SUPER CASH GENIE** and to be eligible for unlimited $100 cash commissions. Let's simplify this a bit… Suppose you have upgraded to SUPER CASH GENIE (totally optional on your part). You're now qualified to receive $100 payouts from those you personally sponsor and those who pass up to you (except the 2nd personal, which passes up to your sponsor OR THE NEXT QUALIFIED UPLINE who is a member of SUPER CASH GENIE). In other words, say you sponsor Sue. Sue joins THE ALL CASH GENIE but doesn't want to upgrade at this time. That is perfectly fine. Sue will receive $50 cash commissions that she earns from her program sales. Now say Sue sponsors Joe, who not only joins THE ALL CASH GENIE, but also upgrades to SUPER CASH GENIE. Since Sue is not in SUPER CASH GENIE, she will NOT receive the $100 commission, but it will pass up to YOU instead, because you are the first qualified upline above her to receive the commission. You will continue to receive all of your $50 commissions from the ALL CASH GENIE, but can now receive additional streams of $100 from SUPER CASH GENIE as well! That means more pay lines and more pass-ups, which means MORE MONEY! Rush a copy of this flyer with payment for the option you are choosing below to:

☐ OPTION 2: I am already in THE ALL CASH GENIE, but wish to upgrade to larger $100 cash payouts with SUPER CASH GENIE! Here is my payment of just **$120.00 (cash or money order only)** to join this exciting upgrade offer!

Thanksgiving Every Day - How Gratitude Attracts More Blessings

Thanksgiving Every Day - How Gratitude Attracts More Blessings

Why wait until Thanksgiving to express your gratitude? ***You have the luxury of living your joyous life every single day of the year.*** So make it a point to recognize your blessings and remind yourself that showing gratitude for all you already have only does more to attract further blessings into your life.

Here are five ways that showing gratitude attracts more abundance into your life:

1. **You'll be thankful for the little things.** When you're in a positive mindset, you'll learn to appreciate the little things. ***The sweetest blessings come in the smallest forms.*** Once you learn to love, recognize, and be thankful for the little things in life, your quality of life will increase because ***you'll be aware of how fortunate you really are.***

- Your daughter giving you a drawing that says, "Number one mom!" or your husband picking up your favorite flavor of ice cream are things that you should be thankful for. Your daughter thinks you're a rock star and you have a considerate spouse. How awesome!

2. **You'll develop impeccable radar.** If you often reflect on the fortunate events in your life, ***you'll be able to spot a good opportunity a mile away***. For example, you'll be able to smell a promotion in the works or an opportunity to bring your family closer.

- Actively seeking new opportunities to increase your personal quality of life and that of the ones nearest and dearest to your heart will fill your heart with accomplishment.

3. **Giving to the less fortunate.** When you're thankful for the bed you sleep in at night, the roof shielding your family from the cold, the family on your couch and the food on your plates, you're well aware of how fortunate you are. As a result, you're more likely to jump at the opportunity to help someone in a worse position.

- The smallest efforts from you could make a world of a difference in the life of another. Helping your neighbor craft his resume will help him provide for his family. Donating your used clothing will help keep the homeless warm. And taking part in a walk for breast cancer may give someone else the opportunity to live another day.

- ***When you help others, you help yourself in many ways.***

4. **You'll reach higher.** Your grateful ways are a blessing. You appreciate life more intensely when you're grateful. You also see each day as another chance to bring more joy to your reality, lifestyle, and future.

- It's perfectly normal to be grateful for what you have, yet often desire to reach for more. ***Constantly improving your life is a good thing for you and your family.***

5. **Taking others into consideration.** When you're satisfied with your life and feel genuinely happy, you tend to treat others very kindly. You'll be more likely to hold the door open at the mall for a stranger or pick up a fallen cane for an elderly man. Your own happiness is magnified when you help bring joy to others.

Your life begins to take a turn for the better when you keep in mind how fortunate you really are. ***The smallest details can boost your spirits.*** The misfortune of others will prompt you to help them seek support, and life just begins to look a little brighter.

Starting today, take your positive mindset to new heights and make every day a personal day of thanksgiving!
