STUDENT CLIMATE COALITION

Environmental & Conservation Services

SUSTAINABLE SCHOOLS
The School District of Palm Beach County

INTRODUCTION

The Student Climate Coalition elevates student voice on topics of environmental stewardship.

Students play an important role in sustainable practices on school campuses. The mission of the Student Climate Coalition is to affirm, inspire, and support student action and leadership, to drive green decision-making, both at the school and District level.

WHAT ARE YOUR OPPORTUNITIES TO MAKE A DIFFERENCE?

1

CONNECT WITH PEERS

Meet virtually twice a month to brainstorm and advance coalition projects. Become part of the Climate Coalition's Google Classroom community to connect with fellow students, share ideas, and collaborate on impactful initiatives.

2

COLLABORATE ON AN E-ZINE

This is your time to shine! Spotlight YOUR voice in a brand new e-zine highlighting student efforts to green our schools and communities.

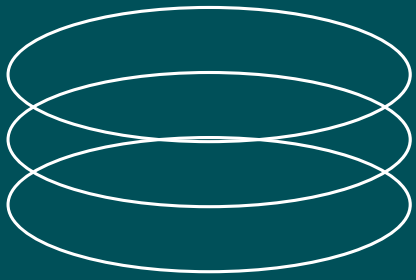

DEADLINE: JANUARY 17, 2025

3

SPEAK TO THE SCHOOL BOARD

Celebrate Earth Month by giving a speech to the School Board on environmental stewardship and share your vision for future sustainable changes in the District.

DEADLINE: APRIL 2025

4

ENGAGE YOUTH

Create a hands-on learning experience by presenting to elementary school or middle school students about an environmental topic of your choice.

DEADLINE: ONGOING
