YOUTH SOLUTIONS

Whether the story of Reach Out Youth Solutions is portrayed through the lens of statistics, leaders, or testimonies, the center of the story has always been Jesus. My hope is that, in these pages, you are inspired and challenged by how God has used this organization to ***introduce hundreds of thousands of teenagers and young adults to Jesus*** who now live with HIM as the center of their stories. From the Southeast Asian youth leader we trained this year who is introducing teens to Jesus through a tutoring program...to the Cuban university students we worshiped with last month who are ***following God's calling to reach their classmates with the gospel***....to the church leaders of the five countries who have asked us to bring Jesus-Focused Youth Ministry to their churches this year...God is at work revealing Himself to the largest generation this world has ever seen! I invite you to prayerfully consider ***stepping into the movement of this redemptive work with us***, as together we reach the younger generation with the good news of Jesus!

Our Strategy

At Reach Out, our mission is ***to equip and multiply leaders globally who influence the younger generation to follow Jesus***.

We train indigenous leaders around the world in a program called **Jesus-Focused Youth Ministry** (**JFYM**) to reach the next generation with the gospel. Through in-person Forums and our online training platform, we equip leaders in prayer, discipleship, and plans for reaching their surrounding culture with the good news of Jesus.

Implementing JFYM has proven results:

- Leaders spiritually impacted
- Teams built within the church to reach the next generation
- Prayer lives deepened, and prayer strategies expanded within the church
- Young people saved, baptized, and discipled
- Churches revitalized in their vision to reach the next generation
- Churches started through church planters using the JFYM strategy

Churches implementing JFYM multiply the strategy ***by inviting other churches and leaders to future Forums they host!***

Our History

- **1970s** – Challenged more than 500,000 teens to follow Jesus
- **1980s** – Began equipping youth leaders with Jesus-Focused Youth Ministry and reached 25,000 youth leaders
- **1990s** – Expanded into Eastern Europe and Russia; trained 5,000 youth leaders in Ukraine
- **2000s to today** – Jesus-Focused Youth Ministry has been taught in 55 countries...with new countries added every year!

Chismo lives in Chifombo Village in Mozambique where he grew up in witchcraft traditions. At a local Jesus-Focused Youth Ministry Forum, Chismo was saved, baptized, and connected to Pastor Iwell Phiri, Reach Out's Mozambique Country Leader, who discipled him. Since becoming a Christian, Chismo led his mother, father, and 25 family members to Christ, and now 180 villagers have given their lives to Jesus and meet together as a new "church" of more than 200 baptized believers!

"My daughter sat me down and said, 'You've been doing ministry the same way for 18 years, and the world is evolving. If you continue the way you are going...this church will be seen as obsolete. Right now, all you are doing is just babysitting the youth and trying to keep them quiet in the church..."" After being trained in Jesus-Focused Youth Ministry, he said, "I came here believing I was learning how to lead a ministry, but I'm leaving loving a generation!"

"The simple truths of Jesus-Focused Youth Ministry are the core of my life. It gives me a handle on why I do what I do. And in my ministry, every student, parent, and volunteer I have worked with has benefitted from JFYM. That's 37 years' worth! It is the best tool I know to 'equip the saints for the work of the ministry.' I have such a strong desire to invest my time in multiplying JFYM in the lives of others because of its focus to make Jesus' name famous around the world!"

Build

Use Jesus-Focused Youth Ministry Online (**jfymonline.org**) to **build** a healthy and proven paradigm of ministry for your church. You can work through the content with a mentor, as a team, or on your own. You'll also find additional books and curriculum for help with youth discipleship and parenting at **reach-out.org**.

Homa Bay, Kenya

We trained **Isaac Okoth**, a Kenyan pastor, in Jesus-Focused Youth Ministry. He is using this paradigm of ministry ***to reach hurting and hopeless young people in Homa Bay, Kenya***. The poverty is so severe in this community that widowed mothers often resort to *offering their own daughters to fishermen in exchange for food*. Isaac's outreach is ***rescuing these young girls and helping these families connect to churches where they can find resources and training that lifts them out of a spiral of such desperation***.

As Isaac deepened his own walk with Christ, he prayed fervently for God to move mightily in the youth in his community. God granted Isaac and his team access to **10 government schools** where they were able to share the gospel with 15,000 students. ***Over 3,000 students prayed to receive Christ in just one week alone!***

Because Isaac developed an action plan based on Jesus' ministry model, he and his team ***have been able to disciple those new believers in small groups***. We praise God for His redemptive power at work in Homa Bay and in Isaac!

God is doing amazing things through Reach Out and JFYM in Homa Bay and around the world. To hear more stories of hope, visit **reach-out.org**
