

CHILDREN'S MINISTRY

Nourishing, Nurturing, and Building Hope

CICM
INTERNATIONAL

For more than four decades, CICM International has been committed to bringing hope and transformation to vulnerable children across India. Children affected by hunger, poverty, slavery, and illiteracy have been given opportunities to experience care, education, nourishment, dignity, and, most importantly, the transforming love of Jesus Christ.

Since the ministry began, CICM has helped rescue more than **82,000 children**. The long-term impact of investing in these young lives has been remarkable. Children who once faced poverty and hopelessness have grown to become doctors, nurses, teachers, professors, community leaders, evangelists, and preachers. Today, **500 children who were once rescued are serving as full-time pastors**, sharing the Gospel and impacting another generation for Christ.

CARING FOR CHILDREN AND FAMILIES

CICM believes every child is created by God, deeply valued, and deserving of hope and opportunity. Our Children's Ministry seeks to care for the physical, social, educational, and spiritual needs of children while also strengthening their families.

For $100 per month, a donor can support one child and help provide meals and food assistance for the child and their family. For families experiencing poverty and food insecurity, this consistent support provides stability and relief while demonstrating the compassion and love of Christ in a practical way.

By caring for the family alongside the child, CICM builds meaningful relationships that create opportunities for lasting spiritual transformation.

CHILDREN'S CLUB MINISTRY

Ministry clubs are an important part of this outreach, providing a safe, joyful, and welcoming environment where children gather, learn, build friendships, and experience the love of Jesus.

Children participate in **Bible teaching, Scripture memorization, action songs, worship, games, activities, fellowship, and spiritual encouragement**. These gatherings teach biblical truths about faith, love, forgiveness, hope, and each child's God-given value.

These clubs also provide practical food support for children and families facing economic hardship. Through physical care and spiritual nourishment, children discover that they are **seen, valued, loved, and not forgotten**.

JUST OVER $3 A DAY CAN CHANGE GENERATIONS

A gift of $100 per month—just over $3 a day—can help change a child's life. By simply setting aside about $3 each day, you can help provide food and care while giving a child the opportunity to know Jesus and discover the hope found in Him.

But the impact does not stop with one child.

You can change a child's life. You can help change their family by helping them know Jesus. And through that family, you can help change generations.

CICM has witnessed this multiplication firsthand. The 500 rescued children now serving as pastors demonstrate what can happen when someone invests in one young life.

When you sponsor a child, you are doing more than meeting an immediate need. **You are nourishing a child, strengthening a family, nurturing faith, creating opportunity, and investing in generations to come.**

Your investment matters.

$100 a Month. Just Over $3 a Day.

One Child. One Family. Generations Changed.

A Future Filled With Hope.
