# BRING HOME YOUR NEW FOREVER FRIEND!

There is someone waiting for you at the Houston SPCA. Celebrate the unconditional love of a rescue animal by adopting today.

We have hundreds of puppies, dogs, kittens, cats, small companion pets, horses, and farm animals available right now.

## JOIN OUR FOSTER FAMILY & BECOME A FOSTER HERO!

Foster families give animals the time, care and comfort they need to grow, heal and prepare for their next chapter.

## EDUCATORS: INVITE US TO YOUR SCHOOL!

Customized for students in 3rd through 12th grade to inspire kindness, empathy, and responsible animal care while exploring STEM concepts and introducing students to the wide range of careers that support animal health, welfare, and conservation.

## GROUP FIELD TRIPS

Interactive presentation about the Houston SPCA. An engaging lesson with a hands-on activity incorporating STEM concepts, animal care and conservation, and diverse careers.

## SUMMER CAMP

Critter Camp is a week-long day camp offered during the summer. If your child is interested in animals, rescue, rehabilitation, and animal careers, Critter Camp is the place to be!

## SCOUT PROGRAMS

During this one-hour visit, your troop will enjoy an interactive presentation about our organization, an education workshop, and a tour of our adoption centers with an animal interaction.

The Houston SPCA Adoption Center will be open to the public every day from 11am to 6pm. Please make sure to visit our website to see all the pets available for adoption before you leave home. No appointment is necessary, and there is no waitlist.

Equine and Farm Animal Adoptions are by application and appointment only.

Artist Boat was founded in 2003 as a nonprofit organization with the purpose of protecting our Gulf Coast through land conservation and fun, educational, inspiring adventures that spark creativity, awareness and action.

## NATURE TOGETHER FAMILY CAMP

Ages 5 & Up

Discover the coastal environment through hands-on activities, creative projects, and outdoor exploration. Together, families will learn about local wildlife and ecosystems while creating nature-inspired artwork and connecting with the environment.

## WHERE THE WILD THINGS GROW

Ages 5 & Up

Explore the prairies of the Coastal Heritage Preserve on a guided walk through the landscape.

Learn to identify native plants, discover animal tracks and signs, and uncover the historical and cultural significance of this unique coastal habitat.

## WATERCOLOR AND WETLANDS

Ages 12 & Up

Participants will discover how wetlands support wildlife, protect our coast, and keep ecosystems healthy while creating plein air watercolor paintings.

This activity is perfect for those new to watercolor painting, those with art skills that want to learn about wetlands and paint in a beautiful place and those that want to share nature with the next generation.

## WHERE THE WILD THINGS GROW

Ages 12 & Up

Explore the Coastal Heritage Preserve through nature journaling.

Participants will slow down, notice the details of the coastal landscape, and document plants, wildlife, and natural patterns through art.

# READ·A·RIFIC®

## ***The Best Reading Comprehension Program***

### **Every child deserves to feel capable and confident in their learning!**

Many struggling learners have never been taught the important foundational skill that makes comprehension, memory, and independence possible.

That skill is visualization — the brain's ability to create meaning from what is heard and read.

Discover how this approach works — and how to begin supporting your child at home!

Read-A-Rific® is an affordable, step-by-step online reading comprehension program that teaches the foundational skill of visualization in short, guided sessions — approximately 15 minutes a day.

### **Read-A-Rific® is perfect for:**

Parents and Guardians

Homeschooling

Schools

Read-A-Rific® is a vendor for various schools & ESA Scholarship Programs across the country, including Texas PDSES, and TEFA - Texas Education Freedom Accounts and continues to grow.

Programs are geared toward 3rd to 6th graders, but older students can benefit as well because the concept is the same. Adults use the program as well!

Proven results

Payment plans available through Affirm (3, 6, or 12 months)

All the programs have unlimited access and can be used by multiple students

**[www.readarific.com](http://www.readarific.com)**

Use code **TEX10** to get 10% off the 60 session reading comprehension programs and bundles.

**Janel Nansenn, M.A.**, is an Educational Therapist, author, speaker, online course creator and founder of Read-A-Rific®, LLC. Janel earned a Master's degree in speech-language pathology and audiology, and over the years, has established five successful private practices/learning clinics in four different states, helping many clients from the age of five through adulthood become independent learners.

# BEZOS ACADEMY

**At Bezos Academy,  
the child always  
comes first.**

**We provide programming  
5 days a week, for children  
ages 3-5 years old.**

Our preschools are offered at no cost to families who qualify through fully supported scholarships and public funding.

**Our Curriculum is designed around  
four key areas:**

- ✓ Child-centered
- ✓ Culturally responsive
- ✓ Standards-based
- ✓ Montessori-inspired

These four areas drive our decisions on what is taught in our classrooms, ensuring that a high-quality learning experience is offered to each child and that developmental outcomes meet or exceed the national standards for early childhood education.

# Field Trips and Distance Learning

## Field Trips

Guided field trips accommodates visitors of all ages. SCT provides field trips for daycares, scout packs, high school science classes, nature clubs, senior centers, and more.

Field Trips may include tours of the hatchery, aquariums, and wetlands. A story time session may replace the hatchery tour for groups with mostly children younger than 8 years old.

## Distance Learning

Connect with real scientists and bring marine science education to your classroom with virtual learning programs.

From marine food webs, to fish morphology, to wetland water science, we offer a variety of TEKS aligned programs for all grade levels. Sea Center Texas' distance learning programs are always free.

**Sea Center Texas is a fish hatchery, marine aquarium, and education center operated by the Texas Parks and Wildlife Department.**

## Education and Engagement at Sea Center Texas Includes:

- Aquarium Tours
- Angler Education
- Touch Tank
- Kayaking Courses
- Diving Presentations
