SANTA Safari

West Midlands SAFARI PARK

I am going to West Midlands Safari Park to visit Santa.

West Midlands SAFARI PARK

First, I will get in the car. Then we will drive to West Midlands Safari Park.

West Midlands SAFARI PARK

West Midlands Safari Park will be a good day.

I can enjoy the outdoor snowy trail. There may be noises, music and snow that falls on me, but it won’t hurt me.

Other children will want to see Santa too. I might have to wait in line but I can enjoy the lights, music and moving figures.

Before I see Santa I will go in the special lift. The lift will make me feel like I’m flying, but I know I am safe. I can skip this if I want to.

Santa and the elves are friendly. I can tell Santa my name and what I would like for Christmas. I can have my photo taken with him if I want to.

After, I will say goodbye to Santa. I will then choose one present to take home and will collect my photo if I have had one taken.

I can do some other Christmas activities if I want to. I can do some crafts or I can listen to Mrs Claus tell some stories.

There will also be animals and shops to see too.
