Oslo

Cruise from Oslo to Norway's North Cape on this all-inclusive winter voyage under the dancing Northern Lights. Experience beautiful Norway in winter with more time to explore handpicked ports like Narvik, Alta and Tromsø. Cross into the Arctic Circle and watch the dark winter skies as the Northern Lights cast their magical glow over fjords, mountains and fishing villages.

DAY 1

Oslo

Discovering Norway's Capital

Welcome to Oslo, Norway's vibrant capital. Before boarding, explore city landmarks such as Rådhuset, the Royal Palace, and Oslo Cathedral.

In the evening, settle into your cabin, meet the Expedition Team, and get to know your fellow travellers. Then relax in the panoramic lounge as Oslo's sparkling lights fade into the distance.

DAY 2

At sea

Settle In at Sea

This is your chance to settle into your cabin, get a taste of Norway's coastal cuisine in the ship's three restaurants and bar, and start to get to know your fellow passengers.

You'll have time to simply watch Norway's spectacular southern coast glide by. Take it all in from the expansive Observation Deck, from the comfort of your ship's two-storey lounge and bar, or as you sweat it out in the panoramic sauna.

As well as the views, this stretch of coast is home to more than its fair share of enthralling stories. Find out more about Norway's coast and the voyage ahead in the lectures, presentations, and onboard activities planned for today.

Stavanger's Old-World Charm

Today, you'll spend much of the day in Stavanger, a colourful waterside city with an international ambience and a lively cultural scene. Discover the architectural relics of Gamle (Old) Stavanger, which includes Northern Europe's best-preserved collection of wooden houses, and Norway's oldest cathedral, dating from the 12th century.

You can also visit the Norwegian Petroleum Museum, pop into a local boutique shop, or simply enjoy a beer on the waterfront. Optional excursions are also available, such as a guided city walk, as well as a Viking-themed bus tour.

DAY 3

Stavanger

DAY 4

Ålesund

A Picturesque Town

After breakfast on board, arrive in Ålesund, a picturesque coastal town spread across a chain of islands. Discover its distinctive Art Nouveau architecture, characterized by colourful façades, decorative details, and elegant rounded spires. For breathtaking photographs, visit the Mount Aksla viewpoint and admire sweeping views of the town, surrounding islands, and shimmering waterways.

Continue to the Atlantic Sea Park, Norway's first marine science centre and one of Northern Europe's largest saltwater aquariums. See seals, otters, crabs, Humboldt penguins, and many other marine species, or join an optional walking tour through Ålesund's charming streets. You can also explore the neighbouring islands by bus and visit a striking lighthouse beside a beautiful beach.

DAY 5

Rørvik

An Ancient Fishing Town

Discover Rørvik, a charming fishing port in the picturesque Vikna archipelago with a history spanning thousands of years. Explore its Ice Age-shaped landscape, preserved 19th-century homes, maritime heritage, and innovative salmon industry before sailing north through a spectacular maze of 6,000 islands, islets, and reefs. As evening falls, leave the Helgeland coast behind and cross the Arctic Circle.

DAY 6

Svolvær

Lofoten and Our Heritage

Explore the breathtaking Lofoten Islands, where towering mountain peaks rise above colourful fishing villages. Arrive in Svolvær, the archipelago's lively main town, to discover its shops, restaurants, galleries, and cafés while enjoying views of the distinctive Svolvær Goat mountain. Optional adventures include winter fishing, coastal kayaking, and guided tours exploring Lofoten's fascinating history.

Continue to Stokmarknes, the historic birthplace of the Original Coastal Express, founded by shipping pioneer Richard With in 1893. Visit the waterfront Hurtigruten Museum, where the 1956 ship MS Finnmarken is dramatically displayed inside a glass building like a ship in a bottle.

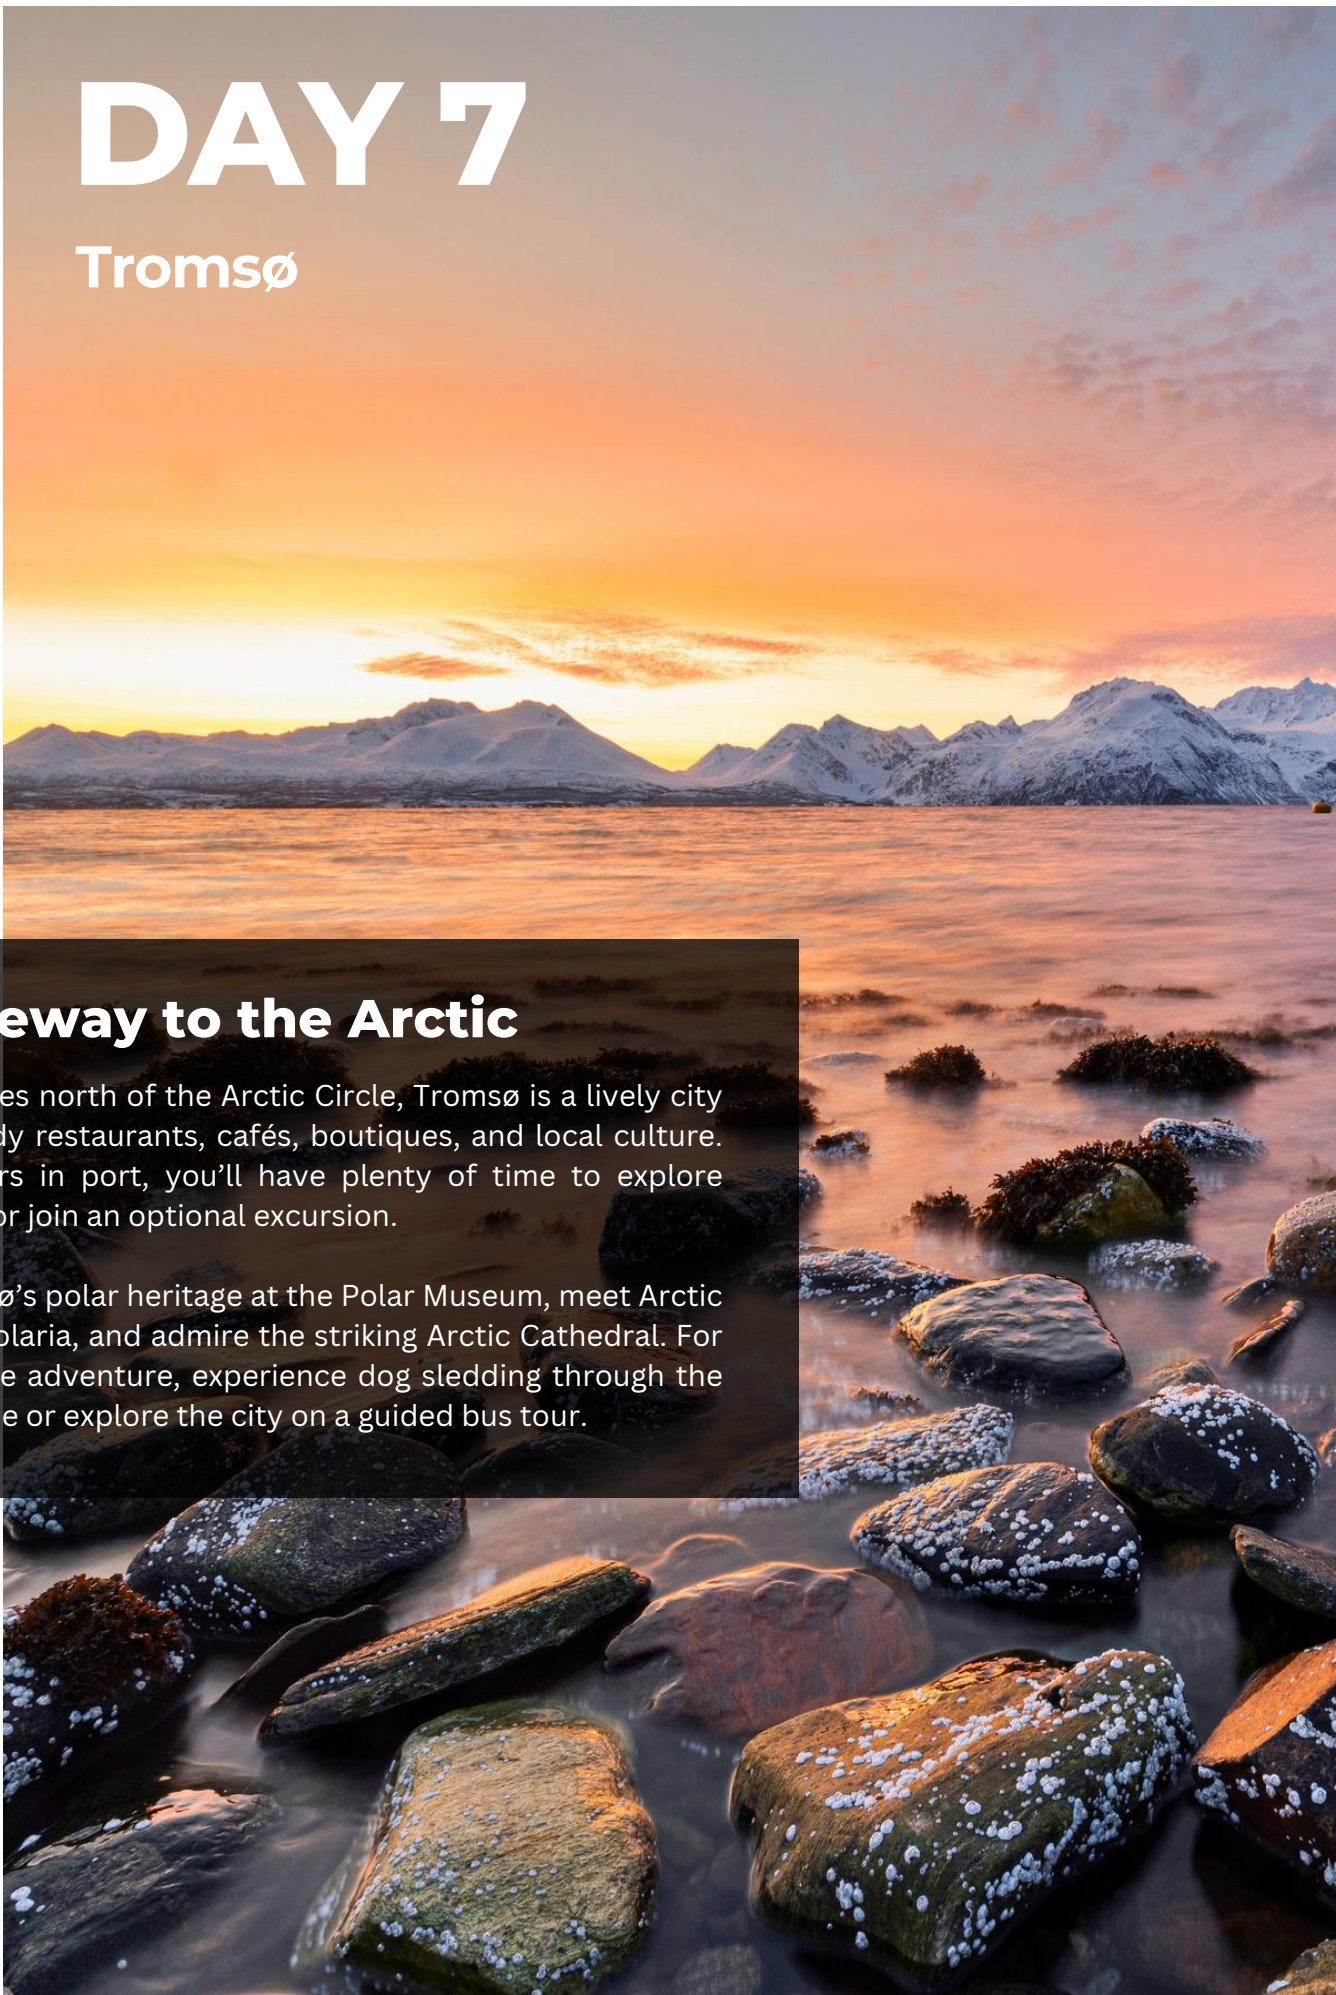

DAY 7

Tromsø

The Gateway to the Arctic

Located 217 miles north of the Arctic Circle, Tromsø is a lively city filled with trendy restaurants, cafés, boutiques, and local culture. With eight hours in port, you'll have plenty of time to explore independently or join an optional excursion.

Discover Tromsø's polar heritage at the Polar Museum, meet Arctic marine life at Polaria, and admire the striking Arctic Cathedral. For an unforgettable adventure, experience dog sledding through the snowy landscape or explore the city on a guided bus tour.

DAY 8

Honningsvåg

The Northernmost Point

Arrive early in Honningsvåg for a full day surrounded by spectacular Arctic scenery. Explore the snowy plains on foot, try traditional ice fishing, or sample locally caught king crab from the surrounding waters.

The day's highlight is an optional journey to the North Cape, one of mainland Europe's northernmost points, overlooking the Barents Sea. Travel there by coach or snowmobile before returning to the ship and beginning the voyage south.

DAY 9

Alta

Located at 70 degrees north, Alta lies far above the Arctic Circle and is renowned for its excellent Northern Lights visibility. Keep your camera ready as the Aurora Borealis may illuminate the Arctic sky.

Discover local life, prehistoric rock art, and the striking Northern Lights Cathedral. Its fascinating exhibition explores Alta's important role in groundbreaking aurora research during the 19th and 20th centuries.

Experience authentic Arctic adventures such as dog sledding, a hike to Mount Komsa, or a visit to the spectacular Igloo Hotel. Built from 250 tons of ice, the hotel features intricate sculptures and beautifully carved walls.

The City of Northern Lights

Arctic Beauty Awaits

Set on a peninsula where three beautiful fjords meet, Narvik began as an ice-free port serving the region's iron ore mines. Today, it is known for its dramatic Arctic scenery, World War II heritage, and outdoor adventures including skiing, dog sledding, and hiking.

Discover the town's fascinating past at the Narvik War Museum, where engaging exhibits bring its wartime history to life. For spectacular panoramic views, ride the cable car to the summit of Narvikfjellet.

DAY 10

Narvik

DAY 11

Inner Coastal Route

Cruise the Inner Coastal Route

After Narvik, we head south along the enchanting Norwegian coast. You'll be in awe of windswept islands, sheltered bays, and some of the most beautiful fjords in the world. It's also inhabited by a wide range of wildlife, such as majestic Sea Eagles.

When we started sailing north of the Trøndelag region in 1893, much was still unknown about the coastline. But, over the years, we've become experts in these waters. Today, we are among the few with the maritime knowledge and skill to take you through the many skerries, islets and hidden fjords that characterize this stretch of coast.

DAY 12

Åndalsnes

Alpine Village by the Fjord

Arrive in Åndalsnes, a picturesque coastal town set beside Isfjord at the end of Romsdalsfjord. Surrounded by towering mountains, it is a popular destination for hiking, climbing, and skiing, while the dramatic 3,281-foot Troll Wall attracts adventurers from around the world.

Explore the town on foot or ride the Romsdal Gondola to the summit of Nesaksla Mountain for sweeping views of Romsdalshorn, the Rauma River, and Åndalsnes below. Alternatively, enjoy an unforgettable journey through the beautiful Romsdalen Valley aboard the Golden Train.

DAY 13

Bergen

Beautiful Bergen

Surrounded by seven mountains and the sea, Bergen is one of Norway's most picturesque and historic cities. Wander through the UNESCO-listed Bryggen district, admire its colourful 14th-century wooden wharfs, and sample freshly prepared seafood at the lively fish market.

Ride the Fløibanen funicular to Mount Fløyen for sweeping views of the city, fjords, and surrounding peaks. Alternatively, take a cable car to Mount Ulriken and visit the beautiful Fantoft Stave Church, a reconstruction of a 12th-century Viking-era church.

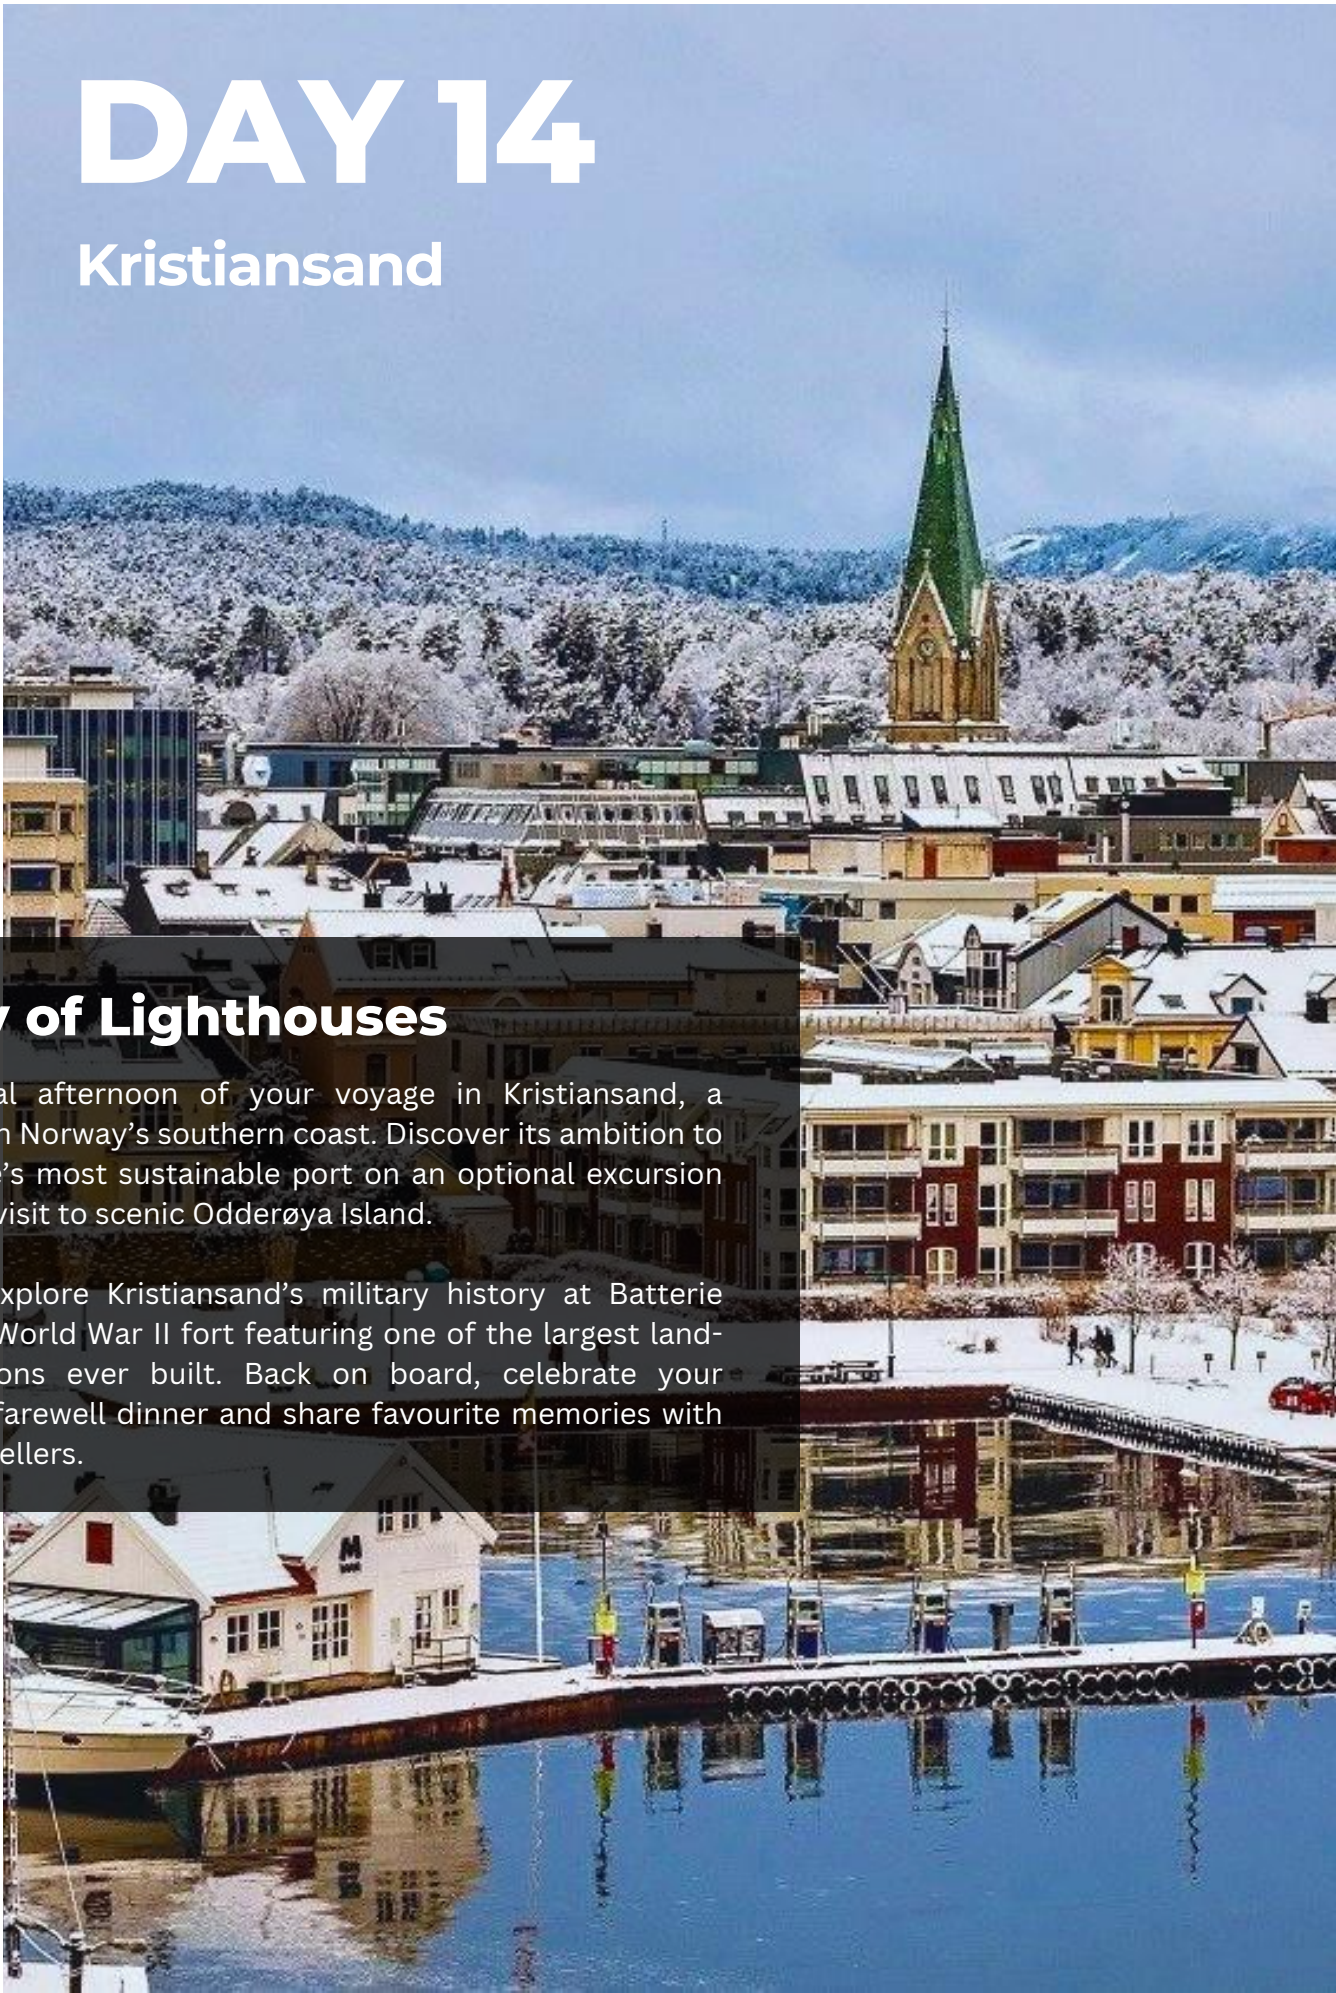

DAY 14

Kristiansand

The City of Lighthouses

Spend the final afternoon of your voyage in Kristiansand, a charming city on Norway's southern coast. Discover its ambition to become Europe's most sustainable port on an optional excursion that includes a visit to scenic Odderøya Island.

Alternatively, explore Kristiansand's military history at Batterie Vara, a former World War II fort featuring one of the largest land-mounted cannons ever built. Back on board, celebrate your journey with a farewell dinner and share favourite memories with your fellow travellers.

DAY 15

Oslo

Until Next Time

Return to Oslo in the early morning and reflect on your remarkable journey from southern Norway to the North Cape and back. Say farewell to the crew and disembark after exploring charming coastal communities, majestic mountains, dramatic fjords, and perhaps the magical Northern Lights.

Take home unforgettable memories of Norway's spectacular coast and the people you met along the way. Until next time, we hope another memorable voyage awaits.
