

Dear [Name/Organisation],

I hope you are well.

My name is [Your Name], and I am a committee member of [Sports Club Name] at Bangor University. I am getting in touch to ask whether [Company/Organisation Name] would be interested in sponsoring or supporting our club for the upcoming academic year.

Our club has approximately [number] members and takes part in [competitions/matches/training/social events] throughout the year. We are keen to work with local businesses and organisations that would benefit from engaging with our members and the wider university community.

We are open to both **financial sponsorship and other forms of support**, such as equipment, kit, catering, event support, prizes, discounts, or services.

In return, we could offer benefits such as:

- Your logo on club stash or promotional materials
- Promotion on our social media accounts
- Advertising at matches, competitions, or events
- Recognition as an official club sponsor
- Opportunities to promote your business directly to our members

We would be happy to discuss different options and create an arrangement that works well for both the club and your organisation.

If you would be interested in working with us, please get in touch and we can discuss the opportunity further.

Thank you for your time and consideration.

Best wishes,

[Your Name]
