Our Story

Sip happens! We're here to help clean it up.

Wine Wash Co. was created to bring a little joy to everyday chores. From the dishwasher to the sink, our goal is to make cleaning easier, more effective and dare we say - a lot more fun!

It all started with a better way to wash stemware. From our original Wine Wash® dishwasher clips to our best-selling Scrubbly Sponges, we've grown these solutions into a full collection of clever, functional kitchen essentials - perfect for every day use and effortless gifting.

At Wine Wash Co., we believe that cleaning can be fun - and wine time and good times should always come first.

Cheers to making choring less boring!
