Stay Safe This Holiday Shopping Season

As the 2026 holiday shopping season kicks off many of us will be looking to buy the perfect gifts for family and friends. Whether you shop locally, online, or a combination of both, it is very important to stay alert.

Shopping nearby is a great way to support the local economy. While out and about, be alert of your surroundings, lock your vehicle, shield PIN pads while checking out, and don't let valuables out in the open. If you are expecting deliveries while you are not at home, ask a family member, a friend, a neighbor to collect your packages so they are not left out for thieves to steal. If you notice any suspicious behavior, call 911 to report it.

Many of us shop online to find great deals. However, we must beware of scammers. Cybersecurity experts warn that scams continue to reach new levels of sophistication. As artificial intelligence (AI) evolves, fraudsters are continuously developing ways to deceive us.

Consider the following steps to protect yourself from online scams:

- Make sure passwords are long and random, at least 16 characters.
- Make sure your computer and cell phone have the latest software updates.
- Activate multifactor authentication (MFA) on your banking, email, and retail accounts.
- Decline options that ask to save your credit card data and personal information for future convenience.
- Do not click promotional links that are embedded in emails, text messages, or social media. Instead, manually enter the web address.
- Be wary of urgent texts or calls claiming something is wrong with your order and demand immediate payment to rectify the situation.
- Always use a credit card rather than a debit card to shield your bank account from theft.
- Promptly end any online transaction that asks for your birthdate or Social Security number.
- Review your bank accounts and credit card accounts a few times per week to spot unrecognized charges and report them promptly.

There is a lot that you can do to protect yourself, your family members, and your friends while shopping locally and online.

I wish you a safe and happy holiday season!

An envelope is included with mailed bills. The Township encourages all residents to make payment early to ensure it is received by the due date. History Night features The 1960s in Springettsbury

Township residents and the local community are invited to join Stephen Smith of the Historic Preservation Committee at the Springettsbury History Night event on Wednesday October 14, 2026. The event will explore interesting stories about life in Springettsbury Township during the 1960s. The event will take place in the Community Room within the Springettsbury Township Administrative Complex at 1501 Mount Zion Road, York, PA 17402, at 7:00 P.M., with doors opening at 6:30 P.M.

This is the third in a series of through the decade's talks; where the first was early businesses in the township through 1939, and the second focusing on the 1940s and 1950s. A notable 1960s Springettsbury event is the 1968 opening of York County's first fully enclosed shopping mall. The York Mall contained four fountains, with the most notable the Jumping Fish Fountain at the northern mall entrance to Hochschild Kohn; which was later replaced by The Bon Ton. This fountain is framed by stairs to a second floor community room and sat opposite the popular William Tally House cafeteria.

History Nights are held during April, July and October. They feature a presentation on an aspect of Township history including photographs and stories of life in Springettsbury Township. The Historic Preservation Committee invites community members to share their stories.

Special Thanks

Many thanks to Kocman Insurance Group (KIG) for their sponsorship of the township's Police Department National Night Out event on August 4, 2026.

We are beyond grateful to work with local partners that support Township events.

The trash and recycling contract excludes grass clippings as part of yard waste.
