crafted on the sunshine coast

Proudly made on the Sunshine Coast, our artisan gelato is handcrafted daily by our in-house qualified Gelato Chef with over 20 years of experience in the industry. We use only quality PreGel ingredients across our entire range, ensuring consistency, depth of flavour and superior texture in every batch. Each tub is carefully churned, dressed beautifully with premium coatings and generous inclusions, and presented cabinet-ready for immediate display and service.

Our gelato is supplied in 5L tubs with clear reusable lids, designed to suit the majority of commercial gelato cabinets — practical, professional and ready to perform in busy retail environments.

a range designed to sell

We offer a diverse wholesale range including:
