WHY CHOOSE US

1. Competitive Pricing
Operating internationally MFA Retail Solutions achieves strong purchasing power with key raw material suppliers and manufacturers ensuring the perfect blend of price and quality. We're happy to discuss a competitive advantage in every sector, with contract pricing available to achieve your requirements.

2. Next Day Despatch
Place your orders before 12.00pm CAT and your goods will be on their way to you before the end of the day. Excludes made-to-order items.

3. Consumer-Centric Approach
MFA Retail Solutions is committed to perfecting the art of customer service through dedicated training and daily customer feedback meetings. This ensures our customers receive a buying experience that they deserve and enjoy.

4. The MFA Retail Solutions 100/100 Quality Guarantee
Purchasing MFA Retail Solutions products comes with a peace of mind guarantee. Rest assured any stock items you purchase from us are 100% covered for 100 days against quality defects. If you wish to return them for any reason, you're covered!

5. Global Market Leader
At MFA Retail Solutions we believe true loyalty is keeping your company ahead of your competition. MFA Retail Solutions unrelenting passion for innovation and product development of its brand globally continues to see our customers grow and succeed in today's challenging business environment.

6. Ease of Access
Available on major social media platforms and through leading retailers. MFA Retail Solutions can also provide your company with a customised order form tailored around the products you source from MFA Retail Solutions.

7. Private Label
MFA Retail Solutions has the ability to private label our entire product range. This enables us and our clients to grow brands together.

8. Wide Range of Products
From everyday personal care items to specialised medical supplies, our extensive product assortment covers all your health and wellness needs under one brand.

9. South African Manufacturer and Exporter
MFA Retail Solutions is 100% South African owned and operated with a current SAHPRA registered state-of-the-art facility. MFA Retail Solutions has ISO 13485 that covers a huge range of medical consumables and devices. Supporting MFA Retail Solutions means supporting local manufacturers today.

10. Educational Support
We provide valuable information and tips on how to best use our products for optimal health benefits, helping you to make informed decisions about your healthcare.
