LIVING in
FASHION

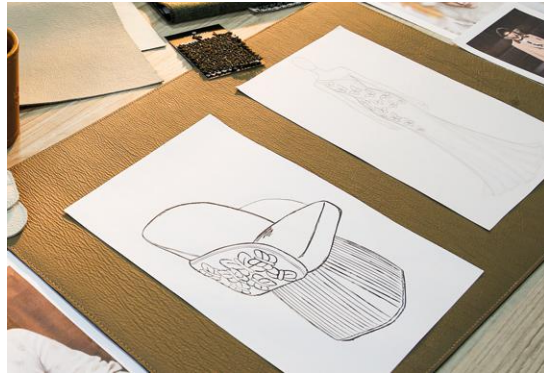

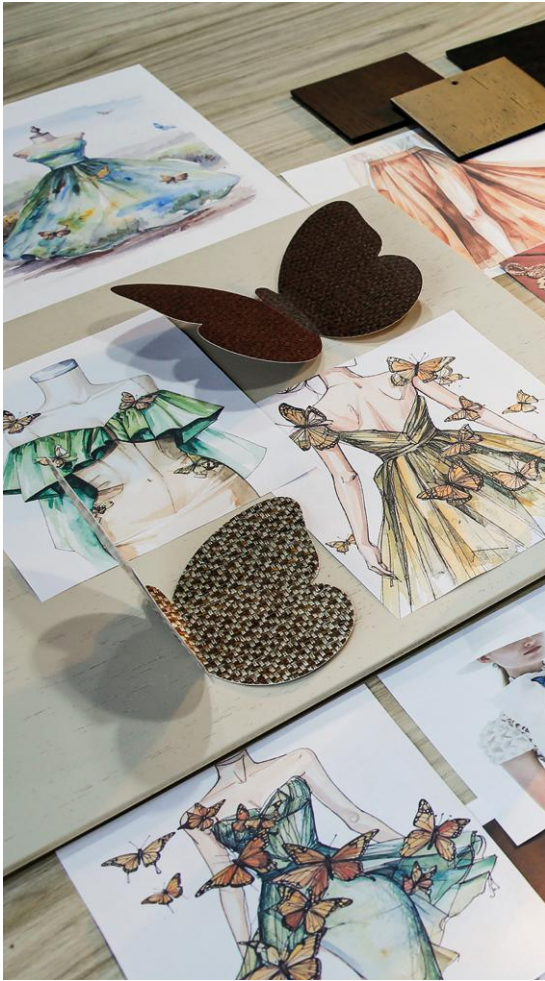

FALL - WINTER 2026

THE ART OF LIVING

“Fashion is a constant conversation, a reflection of our lifestyle. And just like a perfectly tailored outfit, furniture should tell a story and capture an essence.”

-ADRIANA HOYOS

MONARCH CHAIR

We design
from the piece
outward.

Not to fill spaces, but to define them.
Material, proportion, and detail become the
language that shapes how a space is lived.

NATURAL BALANCE

“Living in fashion is
not about trends.
It’s about composing
a lifestyle with
intention.”

Every piece must balance beauty,
function, and presence.

From materials to
finishes, from proportions
to details, Each design
can be tailored to create
a unique expression.

“ Our collections are shaped by movement, travel, culture, and the evolving language of design.

Inspired by fashion, defined by detail, each piece reflects a balance between expression and precision.

This is not just furniture.
It is a way of living.”
