Congratulations to the Cy-Fair Chamber on 40 years of service, leadership, and impact.

Daikin is proud to support the Cy-Fair Chamber of Commerce as it celebrates its 40th Anniversary of serving the business community and helping create opportunities for growth across the region.

As a leading manufacturer and employer in Northwest Houston, Daikin is committed to innovation, workforce development, and building stronger communities through meaningful partnerships. We are especially proud that Kristi Pittman, Senior Vice President of Human Resources for Daikin, serves on the Cy-Fair Houston Chamber Board of Directors.

Perfecting The Air We Share

"Strong communities are built through collaboration, leadership, and a shared commitment to growth," said Kristi Pittman. "The Cy-Fair Chamber has been a catalyst for business success and community impact for 40 years, and Daikin is honored to be part of that legacy."

Welcome to the CY-FAIR HOUSTON CHAMBER

A LETTER FROM THE CHAMBER PRESIDENT

Forty years ago, a group of visionary business and community leaders came together with a shared purpose: to create an organization that would strengthen local businesses and champion the growth of the Cy-Fair community. Today, as we celebrate the 40th Anniversary of the Cy-Fair Houston Chamber of Commerce, we honor that legacy while looking confidently toward the future. For four decades, the Chamber has served as a catalyst for connection, collaboration, and opportunity. Through changing economic conditions, periods of remarkable growth, and evolving business needs, our commitment has remained steadfast: serving our community by providing value to our businesses through advocacy, leadership, and growth. Advocacy means ensuring the voice of our business community is heard. Leadership means bringing together individuals and organizations that are committed to making Cy-Fair stronger. Growth means creating opportunities for businesses of every size to thrive through networking, education, and meaningful relationships. As we reflect on 40 years of impact, we are also inspired by the possibilities ahead. The success of our Chamber has always been driven by the dedication of our members, volunteers, sponsors, and community partners. Together, we have built an organization that not only supports business success but also enhances the quality of life for all who live and work in Cy-Fair. Thank you for being part of our story. As we continue celebrating this milestone year, we invite you to join us in shaping the next chapter of growth, innovation, and community leadership. Here's to 40 years of excellence and to an even brighter future ahead.

LESLIE MARTONE, IOM
President, Cy-Fair Houston Chamber of Commerce

A LETTER FROM THE BOARD CHAIR

It is truly an honor to serve as the Chairwoman of the Board of Directors for the Cy-Fair Houston Chamber of Commerce. I am deeply grateful for the trust and the opportunity to serve this incredible organization with dedication and purpose. This year is especially meaningful as we celebrate the 40th anniversary of our Chamber. For four decades, the Cy-Fair Houston Chamber of Commerce has been a strong advocate for businesses and a catalyst for economic growth - guided by its enduring mission of advocacy, leadership, and growth. Another significant development this year is the relocation of the Chamber office to a newer, more functional space. My nine-year journey with the Cy-Fair Houston Chamber of Commerce includes chairing the young professional's group to three years serving on the board alongside diverse business leaders united in advancing the interests of our members and community. Education has always been the foundation of my life, inspired by my parents in Mumbai and leading me to the United States to earn a doctorate in Stem Cell and Molecular Biology while building a family with my husband, Tushar, and our son, Vihaan. In Houston, I taught Biology at Lone Star College and worked as a scientist in stem cell therapeutics, contributing to spinal cord injury research. For the past decade, as the Owner and Director of Club Z! In-Home Tutoring of Cypress and Spring, I have helped students succeed through personalized learning. To me, education goes far beyond academics— it builds confidence, creates opportunity, and empowers individuals to realize their full potential. Community service is also very important to me. I previously served as Treasurer for Houston Maharashtra Mandal and currently serve on the boards of Leadership North Houston and Shield Bearer Counseling Centers. As Chairwoman, my call to action for you is simple and intentional: stay engaged, stay connected, and lead together. Support each other's businesses, invest in relationships, mentor emerging leaders, and be active participants in shaping the future of Cy-Fair. The Chamber is not just an organization—it is a collective force, and its strength depends on each of us. I am honored to serve, and I look forward to the next 40 years of moving Cy-Fair forward—together.

Growing with Cy-Fair:
Where We've Been, Where We Are and Where We're Going

By Leah Gowin

The story of the Cy-Fair Fire Department (CFFD) is closely tied to the story of the community it serves. What began more than 60 years ago with neighbors volunteering to protect their neighbors has grown into a modern fire and emergency medical services organization serving one of the largest and fastest-growing communities in the Houston area. Through every stage of that growth, our purpose has remained the same: to make a positive impact in the community we serve.

Photo taken in 1986

Today, CFFD serves approximately 700,000 residents across 164 square miles of northwest Harris County. Our more than 550 members respond to more than 44,000 calls each year, providing fire suppression, emergency medical services, rescue and other emergency response throughout the Cy-Fair community. As the community has changed, so has its fire department. Thirteen stations provide 24-hour fire suppression coverage, with 17 ambulances operating around the clock. Our emergency communications center handles calls and dispatches resources, while specialized teams and equipment allow us to respond to an increasingly wide range of emergencies.

Our EMS Division is committed to bringing the most advanced emergency medical care possible directly to the people we serve. We continually evaluate emerging medical practices, technologies and approaches to patient care when every minute matters. In 2022, CFFD introduced whole blood transfusions in the field, allowing paramedics to begin lifesaving treatment before a critically injured or ill patient reaches the hospital. Continued investment in our people, technology and clinical capabilities helps ensure exceptional emergency medical care from the moment help arrives.

CFFD is a community-oriented fire department, even when there isn't an emergency. Our teams participate in more than 500 community events each year, visiting schools, neighborhoods, businesses and community organizations. From CPR training and fire prevention programs to station tours, safety events and community partnerships, these connections give our residents an opportunity to know us long before they need us.

This relationship becomes even more important as Cy-Fair continues to grow. Eight new fire stations are in various stages of planning, design and construction to address increasing call volumes and continued residential and commercial development. New facilities will bring additional apparatus, equipment and personnel, while investments in communications, technology and training will help us keep pace with the needs of our growing community.

Photo recreated in 2026

Leading CFFD through this period of growth is Fire Chief Amy Ramon, who has served as Chief since 2014. She was named the 2024 Fire Chief of the Year by the Texas Fire Chiefs Association and, in 2026, Career Fire Chief of the Year by the International Association of Fire Chiefs. These honors reflect not only her leadership, but the work and commitment of the men and women throughout CFFD.

Cy-Fair looks different than it did when local volunteers first came together to protect their community, and the fire department looks different, too. More stations. More people. More technology and equipment. But at its core, the idea that started it all remains simple: make a positive impact through professionalism and dedication, delivering a level of service that is second to none to the Cy-Fair community we serve.

PROUD TO SERVE Cy-Fair

Celebrating our Impact Since 1986

40 Years of Building a Stronger Cy-Fair

From advocating for better roads and educational opportunities to supporting local businesses and families, the Cy-Fair Houston Chamber of Commerce has helped shape our community for four decades. When the Cy-Fair Houston Chamber of Commerce was established in 1986, the community looked very different from the thriving region we know today. As growth brought new businesses, residents, and opportunities, it also created challenges that required a unified voice and a shared vision for the future. Forty years later, the Chamber remains committed to its founding mission: advocating for businesses, fostering economic growth, and helping preserve the quality of life that makes Cy-Fair a special place to live and work. Because Cy-Fair spans approximately 186 square miles without its own traditional city government, collaboration has always been essential. The Chamber has helped bring businesses, public officials, educational institutions, and community organizations together to address shared priorities and ensure local voices are represented in important conversations.

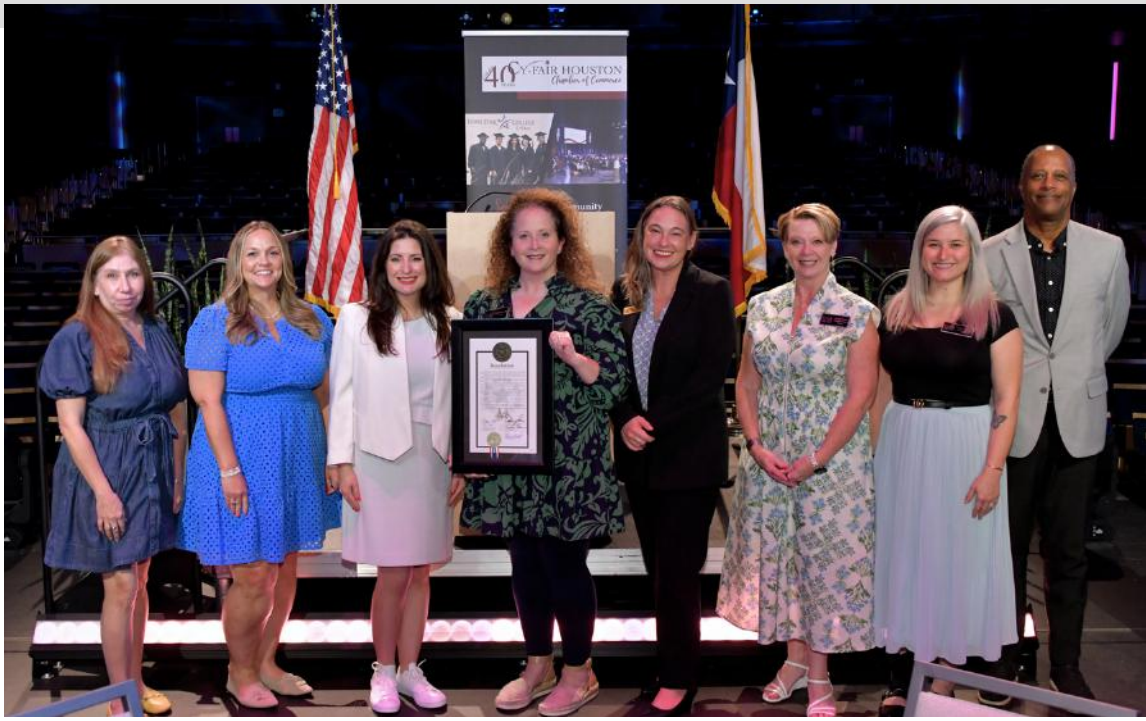

Photo of Commissioner Lesley Briones and staff with official Resolution from the Harris County Commissioners Court commemorating 40 years of the Cy-Fair Houston Chamber of Commerce

Advocating for Progress

From its earliest years, the Chamber recognized that a thriving business community depends on more than successful companies. Transportation, education, health care, public safety, and thoughtful growth all play a role in building a strong community. As traffic congestion increased in the area's early years of development, Chamber leaders built relationships with state and county officials and advocated for infrastructure improvements, including the widening of Jones Road and FM 1960. These early efforts established a tradition of speaking up for the improvements Cy-Fair needed to grow successfully.

The Chamber's commitment to transportation advocacy continued with the expansion of U.S. Highway 290, a critical corridor for Cy-Fair commuters and businesses. By meeting directly with the Texas Department of Transportation (TxDOT) and bringing local leaders to the table, the Chamber helped build momentum around the project and accelerate its timeline by approximately 20 years. This effort exemplifies the Chamber's role in bringing decision-makers together, advocating for the community's needs, and turning collaboration into meaningful progress.

That same commitment continues today through advocacy surrounding transportation, infrastructure, and regional development. The Chamber works to ensure businesses and residents have a voice in conversations that will shape Cy-Fair's future. Education has also been central to that vision. In the early 1990s, Chamber leaders began advocating for a community college campus to serve the growing area. After an initial proposal was rejected by voters in 1996, the Chamber continued educating the community about the value of higher education. A renewed initiative received broad support in 2000, helping advance the vision for greater educational access that would become part of Cy-Fair's future through Lone Star College-CyFair. These efforts reflect a defining characteristic of the Chamber's history: recognizing community needs early and working collaboratively toward long-term solutions.

Photo from 40th Anniversary Luncheon featuring left: Fred Caldwell (past Chairman), Jason Culpepper (Community Impact), Darcy Mingoia (past Chamber President), Leslie Martone (current Chamber President), Dr. Douglas Killian (CFISD Superintendent), Dr. Valerie Jones (Lone Star College -CyFair President), Chief Amy Ramon (Cy-Fair Fire Department)

Business with a Purpose

Some of the Chamber's most meaningful contributions can be measured in the lives touched through its community initiatives. The Chamber Herd began in 1994 when Chamber members sought to support Cy-Fair FFA students whose livestock projects had not received the bids needed to recoup their investments. At the suggestion of member John Fox, those informal acts of generosity became an organized program. Today, the John Fox Chamber Herd brings local businesses together to support FFA students while helping provide food for families in need. Through livestock purchases and donations, animals are processed for local food pantries or donated to Boys and Girls Country. What began as a way to help students through a disappointing moment has grown into a lasting tradition of generosity and community support that has raised over $440,000 to date.

The Adam J. Skinner Memorial Scholarship Golf Tournament offers another example of the Chamber's commitment to making a difference beyond business. Established by Adam's parents, Jeff and Jan Skinner, and then Chairman Fred Caldwell more than 25 years ago, the tournament honors Adam's memory by supporting scholarships through the Cy-Fair Educational Foundation. Having raised more than $185,000, the event brings together businesses and community supporters to invest in future graduates who embody Adam's optimistic spirit and commitment to service who have now gone on to pursue some incredible career paths. Both initiatives demonstrate how the business community can turn shared resources into meaningful opportunities for students and families.

Growing Together

At its heart, the Chamber is a membership-driven organization built on connection. Through networking events, educational programs, leadership opportunities, and community partnerships, it helps businesses build relationships, increase visibility, and find new opportunities for growth. Strong partnerships with CFISD, Lone Star College-CyFair, the Cy-Fair Fire Department, and other local organizations further strengthen these efforts. By encouraging communication and collaboration, the Chamber helps connect the people and institutions working to make Cy-Fair a better place for everyone. The people behind this work are just as important as the programs themselves. President Leslie Martone's journey - from Chamber ambassador to board member to president, a role she has held for 14 years - reflects the organization's commitment to developing leaders who invest in their community.

A Legacy Still Unfolding

As the Cypress area continues to grow, new challenges and opportunities will emerge. Transportation and infrastructure must keep pace, educational institutions must prepare the next generation, and local businesses need a strong collective voice. The Chamber cannot shape that future alone, but it can bring the right people to the table, champion shared priorities, and help turn conversations into meaningful progress.
Forty years ago, the Chamber's founders recognized that a successful community requires people willing to look beyond their individual interests and work toward something greater. That belief continues to guide the organization today. From roads that connect our neighborhoods to scholarships that open doors for students and programs that help feed local families, the Chamber's legacy is reflected in the many ways businesses and community partners come together to strengthen Cy-Fair.

Forty years later, the mission remains the same: champion business, strengthen community, and help shape a future where Cy-Fair continues to thrive. As we celebrate our impact since 1986, our story only continues and the next chapter starts with you!

HANDS FOR HIRE

RESIDENTIAL & COMMERCIAL

"We've been relying on Hands For Hire Commercial for a while now, and they consistently deliver exceptional service. Whether it's painting, replacing ceiling tiles, working on our AC, or handling various other tasks, their workmanship is always top-notch. Their reliability and attention to detail make them our go-to choice for all our commercial needs. Highly recommend!

— Superior Subaru

HANDS FOR HIRE

The Home Confidence Assessment

Complimentary Safety & Efficiency Evaluation + No-Obligation Estimate

Gain peace of mind with our complimentary Home Confidence Assessment™. Our experienced professionals will evaluate your home's safety, identify maintenance concerns, and recommend practical improvements to help protect your investment.

You'll receive honest recommendations and a detailed, no-obligation estimate, giving you the confidence to make informed decisions, without any pressure.

Included at No Cost:

- **Comprehensive Home Safety Evaluation**
- **Efficiency & Maintenance Review**
- **Expert Repair Recommendations**
- **Detailed No-Obligation Estimate**

What We Do

- General Repairs & Home Maintenance
- Drywall Repair & Patching
- Fixture & Hardware Installation
- Dryer Vent Cleaning
- Punch List & Honey-Do Projects

Why Choose Us

- Quality Workmanship
- Fully Insured
- No "Change Order" Guarantee
- Industry Leading 3-Year Warranty
- Locally Owned & Trusted

Trusted by Homeowners. Ready for Your Business.

Need a reliable partner for your commercial property? **Hands for Hire Houston's Commercial Division** provides professional repair, maintenance, and renovation services for businesses, property managers, and facilities throughout the Houston area. One trusted team for every property you manage.

Call or Text us now at **832.622.0548** or visit **handsforhirehouston.com** to request a free consultation

TINY STEPS. BIG LEAPS.

Your child's educational journey starts with a single step. At Cypress-Fairbanks ISD, that first step is filled with discovery, confidence and joy. In just one year, our caring teachers help little learners build independence, make new friends and develop the skills they'll carry into kindergarten and beyond.

Through hands-on learning, creativity, and exploration, our pre-K students develop a lifelong love of learning. Whether you qualify for our traditional pre-K program or are interested in our new tuition-based option, more families than ever can begin their child's journey with CFISD.
