UK Organisers: B'nai B'rith UK

B'nai B'rith UK was established in 1910. It is part of an international organisation founded in 1843, which advocates for global Jewry and champions the cause of human rights. B'nai B'rith is active in 59 countries with representation at the UN, UNESCO and the EU.

B'nai B'rith UK is a cross-communal organisation whose aim is to bring Jewish people together to promote tolerance, strengthen the Jewish Community, combat racial and religious prejudice and to help the less fortunate and the disadvantaged.

Local groups provide innovative cultural, educational and social programmes. These include speaker events, concerts, theatre outings, quizzes, debates, visits to places of interest, walks and trips abroad. These provide a great social network and the opportunity to participate in and support our humanitarian and heritage projects.

BBUK's hugely successful programme of online talks, established at the beginning of lockdown in March 2020, carries on throughout 2026 and continues to attract a large number of attendees around the world. The European Days of Jewish Culture and Heritage, run by a team of volunteers, is a mainstay of our calendar.

B'nai B'rith UK's Bureau of International Affairs engages with the Foreign, Commonwealth and Development Office, foreign embassies and NGOs on

behalf of Jewish people internationally and to support Israel. More widely, we promote the human rights of minority groups.

We sponsor a Foodbank and Distribution Centre in the southern Israeli development town of Qiryat Gat, plus an after-school activity club for children. We also support a humanitarian medical programme for elderly Jews and righteous gentiles in Kyiv, Ukraine and a shoe programme for a children's orphanage in Odesa, now relocated to Romania because of the war in Ukraine. European Days of Jewish Culture and Heritage

(EDJCH) 2026: UNITED KINGDOM

For this year's heritage activities, B'nai B'rith UK's European Days of Jewish Culture and Heritage (EDJCH) team has once again created this online booklet, which will include both in-person and virtual events, talks, open days, exhibitions and guided walks.

Many sites are open to the public in person, while others are also running online events. We are thrilled to have a good mix of organisations, synagogues and walking guides taking part in our heritage activities this year, with some holding more than one event.

Initiated by the B'nai B'rith Lodge in Strasbourg, the EDJCH rapidly spread across Europe and celebrated its 25th anniversary in 2024. It is organised by a partnership between B'nai B'rith Europe, the European Council of Jewish Communities and the Spanish Jewry Network and is part of the Council of Europe's project 'Europe - A Common Heritage'. As a result of the EDJCH, the European Route of Jewish Heritage has evolved and is now one of the major cultural routes of Europe.

For 2026, B'nai B'rith UK's European

Days of Jewish Culture and Heritage will run from 1st September to 31st December inclusive.

This year's theme is 'Love', which can be interpreted in so many ways to create events, talks, guided walks, exhibitions and open days. Some suggestions include:

- Love in Jewish art and heritage e.g., ceremonial objects, textiles, ketubah, paintings, photography, jewellery, architecture.
- Objects of love, e.g., the material culture of affection showcasing marriage artifacts, gifts and family heirlooms.
- Reinterpreting traditional Jewish (love) symbols: the pomegranate, chai symbol or intertwining vines, hamsa in modern art or jewellery
- Sharing the love e.g., family, culture, heritage, love for one another.

All of these interpretations offer a wealth of opportunities for open days, talks, virtual guided walks and online exhibitions.

Worth Park

Gardens: Worth Park is a 40-acre public park on the East side of Crawley, West Sussex. The formal gardens that surrounded Worth Park Mansion and laid out in the 1880's have been restored to the Victorian splendor of yesteryear, creating a unique gem that is enjoyed by many garden lovers today. The Italianate Terraces, geometric forms and Camellia Corridor, meadow and lake area are all maintained by our excellent garden team and volunteers. The former stables to Worth Park Mansion house the Visitor Centre, where you can find displays on history of the park and the Montefiore family. The former stable complex was built to compliment the mansion. Built in 1882, it is now Grade II listed. Jame Pulham and Sons laid out the formal features of the garden, while in the lake there is a

Pulhamite Islet and stonework on the larger island. A Fern Rockery has been restored at the former carriage turning circle to the mansion. Grade II. The park is open at all times. British participation in the European Days of Jewish Culture and Heritage is organised by B'nai B'rith UK, part of B'nai B'rith International, which was founded in New York in 1843 and in 2023 celebrated its 180th anniversary.

Today, it is one of the largest Jewish volunteer organisations active in humanitarian, human rights and cultural and charitable work in 59 countries, many of which are affiliated to B'nai B'rith Europe.

Launched in 1996 by the B'nai B'rith Lodge in Strasbourg, the Open Days became pan-European in 2000 and are now under the aegis of the European Association for the Preservation and Promotion of Jewish Culture and Heritage (AEPJ), with the participation of 31 countries.

In 2026, B'nai B'rith UK would like to acknowledge the contribution of the Survey of the Jewish Built Heritage (SJBH) and members of B'nai B'rith UK, for their generous support, as well as our participants who are making these Open Days, talks, guided walks and events, whether real or virtual, possible by opening their buildings to the public and/or arranging events.
