Pastoral Letter from Pam Priestley

Bandrake Head

Dear All,

The first Christmas present I ever bought my husband to be was a 'Camping Gaz' stove. I remember him opening it and looking at it rather quizzically, perhaps wondering if all the meals in our married life were to be cooked on this! Being a lover of machines and gadgetry, I think the thing that won him over was that it was the 'deluxe' model (or so I believed!) because it had an automatic lighter! One press of a button and the flames would be there, no matches needed.

The psychology behind this gift for me was simply that I love picnics and it was a way of making sure that Nigel was ready for a married life of picnicking! I have to say that 43 years later we still have the very same Camping Gaz, still use it and it still lights on the first press of the button!

Picnics feature in the Bible too. I've always loved telling the story of the 'Very Big Picnic' to young children. What a picnic that was! 5,000 hungry people munching away on their fish sandwiches! The disciples had wanted to send the crowd away to find the nearest 'supermarket' but Jesus thought 'PICNIC', let's stay together and share food and so miraculously, picnic it became.

On another occasion Jesus himself prepared the picnic food for his friends at breakfast time on the seashore. No Rick Stein recipe would ever surpass the smell of freshly caught fish being grilled on the charcoal fire. But this was more than just a tasty meal. The disciples were in a state of dejection, frustration and for Peter particularly, guilt. Jesus, lovingly preparing a picnic and welcoming each person on that beach was an opportunity for him to restore and heal their broken hearts. That was a picnic that would stay with them forever.

So whether you plan to eat an egg sandwich or sizzle a sausage outdoors with friends, happy picnicking this summer!

Love Pam

Church Attendance at St. Luke's, Lowick

Even though there have been new reports of increases in COVID infections, we are continuing to re-adjust from the habits that we formed during the pandemic lockdowns and other restrictions. The churches in the Crake Valley are also recovering.

Nevertheless, we have seen lower numbers attending some churches and St. Luke's, Lowick in particular. PLEASE remember us at Lowick and join us for worship in the heart of the Crake Valley. You will always receive a warm welcome.

A Prayer for Ukraine

God of peace and justice,
we pray for the people of Ukraine today.
We pray for peace and the laying down of weapons.
We pray for all those who fear for tomorrow,
that your Spirit of comfort would draw near to them.
We pray for those with power over war or peace,
for wisdom, discernment and compassion to guide their
decisions.
Above all, we pray for all your precious children, at risk
and in fear, that you would hold and protect them.
We pray in the name of Jesus, the Prince of Peace.
Amen.

Torver 100 Club

A fabulous and fun evening with impromptu games initiated by Mia, Lesley Hadwin's granddaughter, was enjoyed by all who came along to the Schoolroom Social in June. Unfortunately the film of Coniston was unable to be shown due to technical difficulties. We hope to show this successfully at the next 100 Club Village Social in September.

The winners of the quarterly 100 Club draw were as follows:

£100: Marie Johnston. £30: Helen Barlow. £30: Maureen Hadwin.

£20: Stuart Cowburn. £20: Adam McClusky. £15: John Brooks.

£15: Heather Wilkinson. £10: Nicolas Monk. £10: Robert McCracken

£10: Louise Thomson.

Interestingly, this month five of the winners are from Torver!

Huge thanks to everyone who came, and to those who set up and cleared up ... always with a smile.

If anyone would like to plan the next social in September and do something different, please contact any committee member. Your idea can be brought to the next committee meeting, or come along yourself on the 5th September at 7pm - you will be most welcome.

Committee members are; Pat Barr, Nina Cameron, Jason Hadwin, Bev Lewis, Hazel Bowness, Linda Inman, Nick Monk, Val Towndrow, Brian Streeter.

PPG and Coniston Medical Practice update

We hope everybody can enjoy summer now. Just a few updates we wanted to share:

Together with a group of practices in the South Lakes area we have got some new services available now. There will be access to an additional physiotherapy service, either with phone or face to face appointments. Face to face appointments will mainly be in Windermere, Staveley or potentially Ambleside.

Secondly, there are going to be 'care navigators' who can support patients with complex medical needs. Suitable patients can be referred by the doctors.

A third service consists of pharmacists (who do not belong to a high street pharmacy) who might contact you directly to discuss your repeat medications. This is in addition to our normal dispensary services which will continue to run as always.

Otherwise there will be no change to our surgery services.

If you have any queries please contact either Dr Frey or the admin team at the practice.

Cumbria YFC County Stock Judging Competitions

A fantastic night of Stock judging took place at Threapland Lees on Thursday 16th June with the young farmers gathering to take part in the County Final of the Stockman and Young Stockman of the Year competition. Mothers' Union

Coniston Mothers' Union members have recently had two outings. The first being to Barton Grange where they took a ride in Kingfisher on the Lancaster canal, enjoying a hotpot lunch as they admired the scenery. This was followed by a spending spree for plants which filled the car for the return journey.

Their second trip was to the Terrace cafe at Brantwood where the majority of members enjoyed the large scones with cream while others tucked in to a variety of dishes. Future events were discussed including a visit from the Diocesan President, Debbie Lee, who is visiting all the Mothers' Union groups in the diocese on her bike, which is in aid of the Bishop's Harvest Appeal. She will be visiting St Andrew's Coniston at 11am on July 30th.

SLDC Handy Person Scheme helps people maintain independent living

Residents in need of practical help around their homes are being reminded that a free council-run service could provide support.

South Lakeland District Council’s Handy Person Scheme offers assistance with simple but essential jobs around the home to help people maintain independent living and quality of life.

The service provides help with anything from changing a lightbulb to putting up shelving, installing hand rails and small repairs such as unblocking sinks, as well as fitting curtain rails and moving heavy items and fitting of minor security measures.

The work is free of charge except for the cost of materials and is available to people who are unable to undertake the task themselves and have no other person available to help them with the task who

- are aged 65 and over; or
- have a disability or are vulnerable; or
- are being discharged or have recently been discharged from hospital; or
- are at high risk of falling due to a medical condition.

Works are limited to a maximum of three man-hours. Eligible households can use the service up to six times a year.

Further details of the scheme are available on the council’s website at **www.southlakeland.gov.uk**, via telephone on **01539 733 333** or via email on **housingstandards@southlakeland.gov.uk**.

Lakes Water Quality - Volunteers needed There is an increasing problem with sewage in the Lakes. The National Park has joined with several other agencies to promote the Love Windermere project to reduce lake contamination. In Coniston, we are intending to get areas of the lake designated as bathing waters. This means it will be easier to finance sewage plant upgrades and maintenance. To do this, we need to survey the number of bathers at key points around the Lake over a season and we need volunteers. Tracy and Suzanne are taking the lead on this - see opposite.

Waterbird Seaplane - Volunteers needed In June, the Waterbird, a hydroplane (seaplane) took off on Windermere re-enacting the original historic flight in 1910 of the first hydroplane. The trials were successful and we are holding a public display on 22nd and 23rd September, near Cunsey. We need about a dozen volunteers to help with parking and marshalling. This will be between 2 and 6pm.

Hawkshead Tourist Information LDNPA has reopened the Tourist Information Centre and they are also have cycle hire and sell snacks and hot drinks. They are planning a full refurbishment of the property.

Visitor Management It is getting busier in the Lakes and Safer Lakes group is actively patrolling. There is Parking Enforcement and we are also dealing with litter and fly camping as they occur. If you see any problems, please contact the Safer Lakes group on help@lakedistrict.gov.uk.

Contact us on **077784 30926**, if you have any queries/concerns, wish to volunteer, or would like any more information.

“Bathing Waters” Designation for Parts of Coniston Water

Water based activities are already, and increasingly, extremely popular on Coniston Water. The importance of such activities to people's physical and mental health is increasingly recognized. But serious concerns have arisen about frequent incidents of inadequate treatment of sewage at, or bypassing of, the sewage treatment works in Coniston and Torver.

The designation of parts of the lake as “bathing waters” would impose a legal requirement on the Environment Agency to carry out regular assessments of the water quality. Such a designation would also make it easier for United Utilities to obtain approval from its regulator OFWAT for any necessary expenditure on improvements to the capacity or effectiveness of the local sewage treatment works. It would also enable more effective public pressure to be applied to United Utilities to upgrade to an adequate level.

Degradation of the water quality in the lake could have immediate effects on the health of those who use it for a wide range of activities. It would also have a long-term adverse effect on the ecology of the lake with its rare and internationally important species.

Designation is not easy. It requires extensive surveying over a season. Records must be made of the number of bathers and other undertakers of water based activities on the 20 most busy days at the parts of the lake that are candidates for designation. A submission must then be made to DEFRA.

Three areas are under consideration:

1. Coniston North Tip, Monk Coniston and Coniston Boating Centre
2. Coniston North West Shore, Old Hall Sailing Club; Camp Site and Priestley Centre
3. Coniston South Tip, Brown How and Eric Wright Centre

There are no plans to make any physical changes to the built or natural environment in support of the application, for instance no marking of bathing areas is planned.

We would be very interested in all views on the possible designations.

We are also looking for volunteers to undertake survey work on a number of days during the summer. This is simply the completion of a survey form, for which guidance will be given. Please contact us (below).

The DEFRA application is being led by Coniston Parish Council supported by a small task group from the local community and the new Westmorland and Furness Authority.

A THOUGHT FOR THE MONTH by Rev. David Gregg
AUGUST 6th : THE FEAST OF THE TRANSFIGURATION

In 1966/67 Sir Francis Chichester sailed single-handedly around the world. He left Plymouth on 27th August 1966, escorted out by naval vessels, and returned there on 28th May 1967, greeted by a flotilla of small ships, and a Naval guard of honour as he came ashore. He was knighted by the Queen at Greenwich a little while later. In December 1967 the BBC had a spoof TV programme about the year's events as seen through the eyes of the Communist "Peking People's Daily". They showed actual footage of the above events with the following commentary:

Last year, things got so bad in the capitalist state of Britain, that one of the inhabitants made a desperate bid to escape, hotly pursued by the British Navy, whose pathetic attempt to catch him he easily evaded. Unfortunately, as he was a product of their very primitive education system, his navigation was so bad that nine months later he arrived back exactly where he had started out from. He was immediately seized by the lackeys of the Imperial forces, and dragged off to Greenwich, where he was publicly beheaded by the monarch.

They finished the footage just as the sword came down!

Along the same lines, there is also the story of the Liverpool footballer making his way to the local derby against Everton. On the way he saw an escaped poisonous snake about to attack a little child. He bravely seized it and killed it, undoubtedly saving the child's life. The local Liverpool paper reported it under the head-line, "Liverpool Hero saves child's life." But it's rival Everton-supporting daily came out with, "Liverpool Lout slays family pet!"

Both these examples illustrate an important principle, somewhat down-graded in our modern Western world, that "Truth" does not lie in mere *words*!

The feast of the Transfiguration falls on 6th August. The Greek word means a 'Change of form', and the story is told in each of the first three gospels. Although the apostle John, one of the participants, does not tell it in the same way, it almost certainly lies behind his opening statement, "The Word became flesh and lived among us . . . and we have seen His glory, the glory as of the Father's only Son, full of grace and *truth*." Later on in his gospel John records Jesus as saying, "I am . . . the *truth*". (John 14:6). The common Greek word (*aleitha*) means "non-concealment". In the Greek version of the Hebrew Scriptures (the Septuagint) it is used almost unanimously to translate the word "Emeth", which comes from the same root as "Amen", and basically means the *Ultimate Reality*. So, although the Scriptures bear witness to Jesus, as *the* Word, they are not, in themselves "the Truth"!! it is Jesus Himself Who is the Ultimate Reality, revealed in the Transfiguration.

But the "I AM" of Jesus saying is equally important. It signifies the Divine Name, and the Transfiguration should move *us* to respond, in the words of Thomas Scott's commentary on Exodus ch. 34 vv 1-10:

"When the LORD made Himself known to Moses, by the name I AM THAT I AM, He declared unto him His self-existence, unchangeableness, eternity, omnipotence, omniscience and omnipresence; with His authority as everlasting, absolute and universal SOVEREIGN, LAWGIVER and JUDGE, Who demands our LOVE, WORSHIP and OBEDIENCE".

Prayer Hour

Monthly opportunity to meet for just one hour in Penny Bridge church, to pray for items posted on the prayer board, for the churches in our Benefice, for our communities, and for the wider world.

Next Prayer Hour will be **Wednesday 3rd August, 10am-11am**

Prayer Requests

The Benefice of Coniston and the Crake Valley consists of the five churches at Coniston, Torver, Lowick, Colton and Penny Bridge. The benefice has its own Pastoral Team who support the vicar, Revd. Brian Streeter in meeting the pastoral needs of the people in this extensive area. For example, in visiting and praying for those in need of support.

As part of this work, we consider it vitally important to continue in our prayer for the communities and individuals. As part of this effort we would welcome any prayer requests that you may have—for the sick, for the needy, or for whatever currently concerns you or that you wish to give thanks for.

Please send your prayer requests at any time to:

prayer@conistonandcrakechurches.co.uk

and we will ensure that they are prayed for.
