WELCOME

TO THE WESTERN MOTORHOME & CAMPERVAN SHOW!

WHETHER YOU'RE JOINING us for the first time or returning for another fantastic weekend, we're delighted to welcome you

to the Three Counties Showground for one of the highlights of the touring calendar.

This show is about so much more than motorhomes and campervans. It's a chance to explore the latest vehicles and accessories, discover new ideas for future adventures and meet the experts who can help you get the most from life on the road. Above all, it's an opportunity to spend time with fellow enthusiasts who share your passion for touring.

Of course, The Western Show wouldn't be complete without its much-loved Country & Western theme. From live music and line dancing to Western entertainment and

a fantastic atmosphere throughout the weekend, there's something for everyone to enjoy. Whether you're here to shop, relax, socialise or simply soak up the entertainment, we hope you'll make the most of everything on offer.

This showguide has been put together to help you plan your visit, with exhibitor information, entertainment schedules and useful site details all in one place.

On behalf of everyone at Warners Shows, thank you for joining us. We hope you have a wonderful weekend, make lasting memories and leave feeling inspired for your next adventure.

Enjoy the show!

Sally Dodds

Head of Events, Warners Shows
Part of the Out and About Live family

It is no surprise that this weekend is the highlight event of the Warners' show season for many of you. After all, what can beat this stunning setting overlooking the Malvern Hills with a weekend of amazing entertainment and a buzzing atmosphere among thousands of like-minded people ahead of you?

And, of course, there are those great show-only bargains to be found among the dealers and traders who have brought with them more than 450 models here to tempt you. Whether you're looking for a budget starter 'van or a fully equipped motorhome perfect for long-term touring, you'll likely find it on sale here this weekend.

If you are considering buying at the show but are nervous about making the wrong decision or about what is the best approach to take to ensure you get the right model, at the right price, first time, we may have just the thing you're looking for.

Happy hunting and have a great weekend!

YOUR GUIDE TO BUYING A MOTORHOME OR CAMPERVAN AT A SHOW

Expert advice and essential tips for choosing your first (or next!) leisure vehicle — and why a motorhome exhibition is the best place to buy.

DISCOVER THE Right 'Van for You Whether you're new to motorhomes or ready to upgrade, buying the right vehicle is key to unlocking years of travel and freedom. With so many makes, models and layouts, where do you start? Simple — right where you are, at a motorhome show. Organised by the experienced Out & About Live team, with over 55 years of industry knowledge behind them, these shows bring together a huge range of options, all in one place, making it easier than ever to compare, learn, and make the right decision.

WHY BUY AT A SHOW?

See it, touch it, compare it. You're already in the best place to start your motorhome journey. Nothing compares to stepping inside a vehicle to see if it feels right. While you're here at the show:

- ✓ Walk through hundreds of vehicles
- ✓ Compare layouts side-by-side
- ✓ Test bed access, check storage, and get a real feel for the space

Talk to the experts, take advantage of having manufacturers, dealers and magazine editors all in one place. From base vehicles to bed layouts, these experts are here to answer your questions in person.

Take advantage of show deals, many exhibitors are offering exclusive show-only discounts, finance incentives or bonus extras this weekend. If you're ready to buy, you could make a serious saving.

Learn before you buy as part of your visit, don't miss the free sessions in the Out & About Live Advice Centre — it's all included with your ticket! Experts like Max McMurdo and Motorhome Matt are giving honest guidance on everything from layout choices to insurance and payloads.

Attend the Out & About Live Advice Centre talks with 18 free sessions scheduled across the weekend, the advice centre is your one-stop shop for learning.

Sit in on as many talks as you like — each one is free to attend and packed with practical insight.

Highlights include:

- ✓ Motorhome & campervan buying advice
- ✓ Touring Europe in a motorhome
- ✓ Inspirational stories from fellow travel enthusiasts
- ✓ Top tips for first-time buyers

WHAT TO LOOK FOR

How will you use it? Consider where you'll go, who you'll travel with, and how long you'll stay. Will you:

- ✓ Wild camp off-grid?
 - ✓ Take extended tours across Europe?
 - ✓ Need space for children or pets?
- Your answers shape what type of motorhome you need — a compact campervan, a family-sized coachbuilt, or a luxury A-class.

Key Considerations:

- ✓ Berths & seatbelts: enough sleeping space and safe travel seats?
- ✓ Layout: fixed bed or lounge conversion? Rear washroom or garage?
- ✓ Base vehicle: try different options for driving comfort and reliability
- ✓ Storage: will it fit everything you want to bring?
- ✓ Kitchen & washroom: are they practical for your style of travel?

NEW OR USED?

New

- ✓ Latest tech and comforts
- ✓ Custom specs
- ✓ Full warranty

Used

- ✓ Better value upfront
 - ✓ Proven reliability (with a good service history)
 - ✓ Wider choice of older layouts
- At a show, you'll find both options under one roof, giving you a clearer picture of what your budget can really get.

TALK, TEST AND TAKE NOTES

A motorhome is a big investment — possibly second only to your home. So, take your time:

- ✓ Take photos and use them to confirm your shortlist while you're here at the show
- ✓ Sit in the driver's seat — how does it feel?
- ✓ Lie on the bed, test the shower, check the storage
- ✓ Attend a talk, ask questions, chat to owners on the campsite

FINAL THOUGHTS

Buying a motorhome is exciting, but it can also be overwhelming. The best way to make a confident decision is to experience everything a show has to offer — in one weekend, at one venue. Take your time, do your research, and use our checklist to help guide your journey.

Vanlife Eats

SEARING THE PERFECT STEAK

For many steak enthusiasts, medium-rare is considered the ideal finish. While preference varies, intensive searing is less suitable for well-done steaks, as prolonged high heat can leave the meat dry and overly charred. For a succulent, tender result, however, mastering the sear is essential.

Searing is not limited to steaks. It also works well for larger cuts such as standing rib roast, pork chops and poultry. High heat creates a savoury brown crust through the Maillard reaction, a chemical process that enhances flavour by browning proteins and sugars.

PREPARATION

Clean the grill: Ensure cast-iron or stainless-steel grates are thoroughly cleaned. Old debris can prevent even contact and cause sticking.

Choose the right fat: Well-marbled cuts such as ribeye may contain enough natural fat. For leaner meat, use an oil with a high smoke point, such as refined rapeseed oil. Avoid olive oil and butter during the initial sear, as they burn quickly and can taste bitter.

Remove moisture: Pat the meat dry with kitchen paper. If using a marinade, allow excess liquid to drain away. A wet surface will steam rather than brown.

MANAGING THE HEAT

Gas Barbecue

Turn the main burners to maximum, close the lid and preheat for approximately

10–15 minutes. The cookbox and grates should be as hot as possible before cooking.

Charcoal Barbecue

Arrange the charcoal into two zones:

Direct zone: A double layer of coals for searing.

Indirect zone: A single layer, or no coals, for finishing.

For the direct zone, the heat should be too intense to hold your hand 10 cm above the grate for more than one second. Over the finishing zone, you should manage approximately three to four seconds.

THE SEARING PROCESS

Keep tongs and a reliable meat thermometer nearby to minimise the time the lid remains open.

Initial sear: Place the meat over the hottest area and close the lid immediately.

Timing: For a 25 mm-thick steak, sear for approximately 60–90 seconds without moving or checking it. Aim for a deep mahogany crust.

Flip: Turn the meat onto a fresh, hot section of the grate and sear for another minute.

Griddle marks: For a criss-cross pattern, rotate the meat 45 degrees halfway through cooking each side.

Finish gently: Move the meat to the indirect zone. On a gas barbecue, reduce the burners to medium. Continue cooking until the required internal temperature is reached—typically 52–55°C for medium-rare.

RESTING THE MEAT

Once cooked, place the meat on a warm plate or wooden board and rest it for 5–10 minutes. This allows the muscle fibres to relax and the juices to redistribute. Cutting too soon causes moisture to escape, leaving the meat drier and tougher.

PERFECTING YOUR TECHNIQUE

Barbecuing is influenced by factors including wind, outdoor temperature and the heat retention of your grill. If the crust is too light, increase the searing time slightly during your next attempt. With practice and consistent temperature control, you can create steaks worthy of the finest British steakhouses.

DIVE INTO A PREMIER PARKS HOLIDAY!

If the sun is burning overhead, you want a campsite with a swimming pool on-site to cool down – we've picked out a few of our favourites so you can plan for next year

Premier Parks is a group of the best campsites and touring parks in the UK, which means you'll find exceptional facilities on-site at all of them – for some of them, that includes a swimming pool (or two). For a summer holiday, having a pool on-site can help you avoid both overheating and an underwhelming experience. The ones listed here are some of our favourites!

Polmanter Touring Park Cornwall

The large outdoor pool at this Cornish touring park is a big reason why guests return year after year, but you'll also find a bar and restaurant on-site, as well as playgrounds, soft play, tennis courts, an on-site shop and much more! A regular shuttle bus heads into St Ives in the high season, so you can explore local beaches.

Manor Wood Caravan Park Cheshire

Structured around a series of fishing lakes, this campsite in rural Cheshire attracts guests looking for a tranquil escape in this beautiful region on the border with Wales. The heated outdoor swimming pool has a fountain to entertain kids, who will also appreciate the adventure playground and indoor games room.

Cofton Holidays Devon

The indoor leisure complex at this five-star holiday park includes a swimming pool, sauna, steam room and gym, and there's a separate outdoor swimming pool as well. You'll also find fishing lakes, a bar and restaurant on-site, a dog-friendly pub and a woodland walk to Dawlish Warren's Blue Flag beach!

Waldegraves Holiday Park Essex

Enjoy an outdoor heated swimming pool at this holiday park on Mersea Island, overlooking the sparkling Blackwater estuary. There are also plenty of activities on-site to enjoy, including a driving range, pitch & putt, minigolf, boating lake, playgrounds and bar and restaurant.

Swiss Farm Touring & Camping Oxfordshire

Nestled in the scenic Thames Valley, this touring park has plenty in the local area to explore, including Henley-on-Thames and Windsor. There's a lot to discover on-site too, including an outdoor pool, a fishing lake, two children's play areas and a dog-walking area. Enjoy home-cooked food in the Farm Kitchen café!
