FUNCTION WARRANTY

THREE TO SIX YEARS

More than design, quality, and performance, we offer peace of mind. All products in the Strands Lighting Division range are covered by a unique function warranty, valid for 3 to 6 years. The warranty is unique on the market and covers faults related to manufacturing, materials, and assembly. Our goal is to improve service, increase customer satisfaction, and emphasize our brand's quality.

Prices for information purpose only. As we currently face regular price increases, please visit our website for up-to-date prices.

YOUTUBE

TRUCK TOUR

Meeting different drivers and seeing all the passion that goes into creating each unique truck is a huge inspiration and pure joy. Every fair means an opportunity to see the multitude of ways you use Strands' products. If you're curious about some of the trucks and drivers we've met during different fairs over the years, take a look at the Truck Tour playlist. In each episode, we get to listen to a driver guiding us through the look and products of their truck.

STRANDS LIGHT TEST LAB

At Strands HQ, we have an advanced lighting laboratory where we test all our products before releasing them to the market. We measure output, beam pattern, and performance so you can be sure your new light lives up to your expectations. When you see the graphic illustration of the output in our catalogs, it accurately reflects how the light performs in real life.

E-APPROVED

To suit all vehicles and working environments, FOR9T Aura is E-approved both as a position light (ECE R148) and a warning light (ECE R65 Class 2). R65 Class 2 means you get both night mode and day mode. Aura is also EMC certified R10 to prevent electromagnetic interference and is compatible with 10–48 V systems.

20 FLASH PATTERNS

FOR9T Aura is the next step in the evolution of the FOR9T series. The unique position light is now combined with a powerful warning light, offering 20 selectable flash patterns. FOR9T Aura is available in three versions: red, white, and amber light, all with a sleek dark lens.

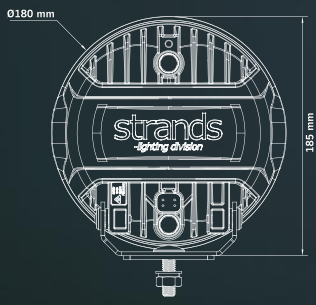

FOR9T 7”
DRAGON DRIVE

DRIVING LIGHT

FOR9T NO-GLARE

WORK LIGHT

- ✓ *NO-GLARE FUNCTION*
- ✓ *SAFE AND COMFORTABLE WORK ENVIRONMENT*
- ✓ *VOLTAGE 10-48V DC*
- ✓ *3220 LUMEN*

RED AND AMBER POSITION LIGHT

NO-GLARE FUNCTION

The lens's groundbreaking configuration gives the FOR9T No-Glare work light an exceptional, user-friendly light output that prevents tired eyes. Thanks to the textured upper part of the lens, the upper part of the beam is softened while the lower maintains its brilliance. The result is a strong illumination that doesn't dazzle your eyes and focuses on the task ahead. FOR9T No-Glare is available in 31 W and 78 W models.
