 GHZ MATRA

Welcome to **VITAL COMFORT**

a GHZ Matra AG brand.

Vital Comfort offers thoughtfully designed health and comfort products that improve everyday life for people of all ages.

Our product range combines functionality and quality with excellent value for money.

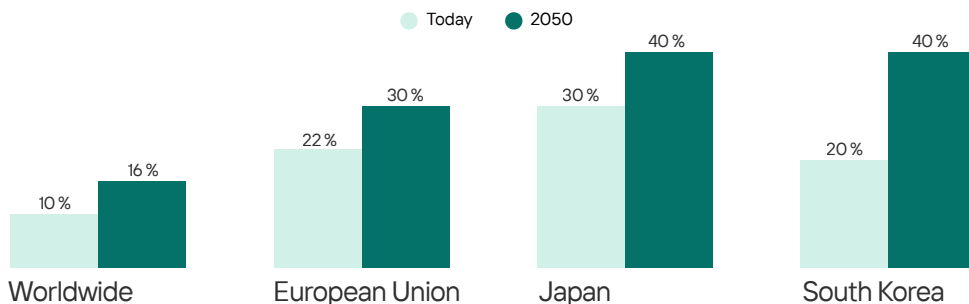

From mobility aids and everyday living aids to comfort products and medical devices, we develop solutions tailored to the needs of the healthcare sector and its customers.

By 2050 almost one in three Europeans will be over 65.

And most of them will still want to open their own bottle.

Ageing is not illness - it's a thousand small limitations.

Share of the population aged 65 and over

24,7 %

Italy – the oldest population in the EU today

22,7 %

Germany – and 1 in 4 will be 67+ by 2035

1.6 bn

People aged 65+ worldwide by 2050

These people are not patients. They have purchasing power, they have time — and they want independence, not products that make them feel old.

Who we are

For nearly **30 years**, **GHZ Matra AG** has been developing and marketing health and comfort products for international markets.

At **Vital Comfort**, we offer a carefully curated range of products that combine quality and safety with strong market potential.

30 years of expertise | **Millions** of products sold |
Distribution across **Europe**

Full service from one provider

From concept development to successful retail placement, we support our partners throughout the entire value chain.
