Sheffield FC's resurgence continued with an impressive 4-2 victory over Aylestone Park as The Club strengthened their position in the top half of the United Counties League Premier Division North. Three goals in eight first half minutes sealed the victory with Kristian Bland pictured here scoring the fourth.

The weekend also produced more memorable performances across the region. Dearne & District moved another step closer to the NCEL Premier Division title with a convincing 3-1 victory at Penistone Church, while Wombwell Town enhanced their own promotion credentials by brushing aside fellow high-fliers Goole AFC 4-0.

Elsewhere, Dronfield Town had a first win under new boss Lewis Naylor with 2-1 win over Cotgrave,

ROYAL SEAL OF APPROVAL

Armthorpe Welfare celebrated one of the most significant weekends in the club's history after receiving the King's Award for Voluntary Service before capping the occasion with a derby victory that extended their unbeaten run to nine matches.

The Welfare were named among this year's recipients of the prestigious honour, often described as the voluntary sector equivalent of an MBE, in recognition of the contribution made by the volunteers whose efforts have helped make the club a focal point of the local community.

Armthorpe were joined by Sheffield Caribbean Sports Club in receiving the award, ensuring two South Yorkshire sporting organisations were recognised for their impact beyond the field of play.

The celebrations did not end there. Just hours after the announcement, Armthorpe added another memorable chapter to their season with a 3-1 victory over local rivals Club Thorne Colliery.

The visitors looked set to spoil the party when they took the lead during the second half, but Welfare responded in emphatic fashion. Liam Flanagan levelled before striking again just three minutes later to turn the contest on its head. Substitute Michael Dunn then added a third goal late on to wrap up the points.

The victory maintained one of the division's longest unbeaten runs, stretching Welfare's sequence to nine matches and strengthening their promotion challenge.

For a club built on the efforts of countless volunteers over many decades, Saturday offered the perfect combination of recognition and reward, with national honours off the pitch and another important victory on it.

New Era Brings Fresh Challenges For Briggers

New joint bosses at Worsbrough Bridge Athletic Andy McManus and Craig Laight

A remarkable fortnight of change at Worsbrough Bridge Athletic has taken another significant turn with the appointment of Andy McManus and Craig Laight as the club's new joint first-team managers.

The pair arrive at the Welfare Ground following one of the most turbulent periods in the club's recent history, which has seen long-serving chairman Mark Booth step down after a decade at the helm, a consortium led by Luke Forgione and Darryl Jones take charge, first-team manager Conor Glavin resign and a new football and financial strategy publicly outlined to supporters.

The managerial vacancy emerged following Glavin's resignation after the Briggers' 2-0 defeat to Barton Town. His departure ended an association with the club that saw him serve as player, captain and manager.

Glavin had been appointed first-team manager on October 7 following the departure of Lee Morris. However, he inherited an increasingly difficult situation and was unable to halt the club's struggles on the pitch. During his nine matches in charge, Worsbrough lost all nine fixtures, scoring eight goals and conceding 25.

Despite those results, the club paid an emotional tribute to the former captain, describing him as a "Briggers legend" and praising his leadership through what it called one of the most challenging periods in recent memory.

The search for a replacement did not take long.

McManus brings a wealth of non-league experience after playing for clubs including Emley, Ossett Albion and Athersley Recreation, while also representing Yorkshire. Laight is another familiar figure in local football, having previously played for Worsbrough during a career that also included spells elsewhere in the NCEL and beyond.

Perhaps most significant is Laight's coaching pedigree. He has spent more than a decade working within the academy systems of Sheffield United and Barnsley and holds a UEFA A Licence.

In announcing the appointments, the club said it was determined to move quickly and believed the pair possessed the experience, coaching credentials and commitment required to lead the Briggers through the next stage of their development.

The appointments come alongside growing discussion among supporters regarding the direction of the club under its new leadership.

Following criticism from some sections of the fanbase, joint chairman Luke Forgione issued a lengthy statement defending the club's recent decisions and appealing for unity.

Forgione insisted neither he nor Jones had joined the club to undermine what had gone before and paid tribute to former chairman Booth, former manager Lee Morris and the players who helped secure promotion.

"Neither myself nor Darryl have come into this football club to tarnish, diminish or discredit anything that has been achieved before us," he said.

The statement followed confirmation that the club intends to reduce expenditure in order to create what the new board believes is a more sustainable future.

Forgione acknowledged that some supporters disagreed with that approach but insisted difficult decisions were unavoidable.

"The reality is that, in the current circumstances, we cannot continue operating in exactly the same way as before," he said.

"We simply find ourselves in a position where we've inherited the responsibility of running a football club, and with that comes some difficult decisions."

He also rejected suggestions circulating on social media that the club had already identified a replacement for Glavin before his departure or intended to remove him from the role.

"None of those suggestions are true," he said, describing Glavin's resignation as particularly difficult on a personal level.

The new leadership team has repeatedly stressed that its aim is to create a sustainable future for the club through stronger governance, increased commercial activity, greater community engagement and closer links between the senior side, the junior section and local football development pathways.

For now, however, attention turns back to matters on the pitch.

McManus and Laight will begin their reign this weekend, tasked with improving results and lifting morale at a club which, after dramatic changes in the boardroom and dugout, hopes a period of uncertainty can finally give way to stability.

With a new ownership structure, a new management team and a new long-term vision now in place, Worsbrough Bridge's rebuild is fully underway.

Royal Recognition

Two of South Yorkshire's best-known sporting organisations have received one of the nation's most prestigious honours after Armthorpe Welfare Football Club and Sheffield Caribbean Sports Club were both awarded the King's Award for Voluntary Service.

Often described as the equivalent of an MBE for voluntary organisations, the award is the highest honour bestowed upon volunteer groups in the United Kingdom and recognises outstanding service to local communities.

For Armthorpe Welfare, the accolade arrives during a landmark year as the Doncaster club celebrates its centenary after being founded in 1926.

The recognition shines a spotlight on the generations of volunteers who have sustained Armthorpe Welfare across the last 100 years, from maintaining facilities and running club operations to coaching young players and supporting wider community initiatives.

Chairman Tony Walton described the award as a fitting tribute to everyone who has contributed to the club's century-long journey.

"We are immensely proud and humbled to receive The King's Award for Voluntary Service, especially as we celebrate our centenary year," he said.

"For 100 years, Armthorpe Welfare has been kept alive by generations of dedicated volunteers giving up their time, energy and heart.

"From maintaining the pitch and running the clubhouse to coaching our youth teams and supporting local families, this club is built entirely on community spirit."

Armthorpe are one of just 250 organisations across the United Kingdom to receive the award in 2026.

The honour will see representatives of the club receive a crystal award and certificate from the Lord-Lieutenant of South Yorkshire in the coming months, while two volunteers will also be invited to attend a Royal Garden Party at Buckingham Palace next summer.

The distinction is shared by Sheffield Caribbean Sports Club, which has been recognised for more than 60 years of service to sport and the local community.

Founded in 1965 in Ecclesfield, the club has grown into one of Sheffield's most important community sporting institutions, supporting cricket, football, hockey and netball alongside a wide range of community programmes and activities.

Chairperson Des Smith described the award as a tribute to the volunteers who have helped build the organisation across six decades.

"Receiving the King's Award for Voluntary Service is an incredible, deeply humbling milestone for everyone connected to Sheffield Caribbean Sports Club," he said.

"This award belongs to every single volunteer who has given their time, energy and heart to keep this institution alive and thriving over the past 60 years.

"From those original pioneers who laid the foundation to our modern youth coaches, groundskeepers and committee members, this is a celebration of our shared passion, resilience and love for our community."

The club was established by members of Sheffield's Windrush generation who faced barriers to participation in local sport and has since become a cornerstone of community life, helping develop countless players and volunteers while promoting inclusion through sport.

While the two organisations operate in different settings, both awards recognise the same qualities: volunteer commitment, community impact and long-term dedication to serving local people.

For Armthorpe Welfare, the honour provides a fitting highlight during a memorable centenary year. For Sheffield Caribbean Sports Club, it is recognition of more than six decades spent breaking down barriers and creating opportunities through sport.

Together, the dual success offers a reminder that some of South Yorkshire's greatest sporting achievements are measured not in trophies and league tables, but in the dedication of volunteers whose efforts continue to strengthen communities across the region.

New Research Seeks to Strengthen Sheffield's Football Heritage Case

A new publication examining the origins of association football has been launched by Sheffield Home of Football, with its authors claiming the findings add significant new evidence to the long-running debate over the city's role in the development of the modern game.

The book, Made in Sheffield, is the result of a three-year research project led by local historians and focuses on the formative years of football in the city.

According to the charity, the study draws on previously unpublished material and seeks to provide additional context to existing accounts of football's origins.

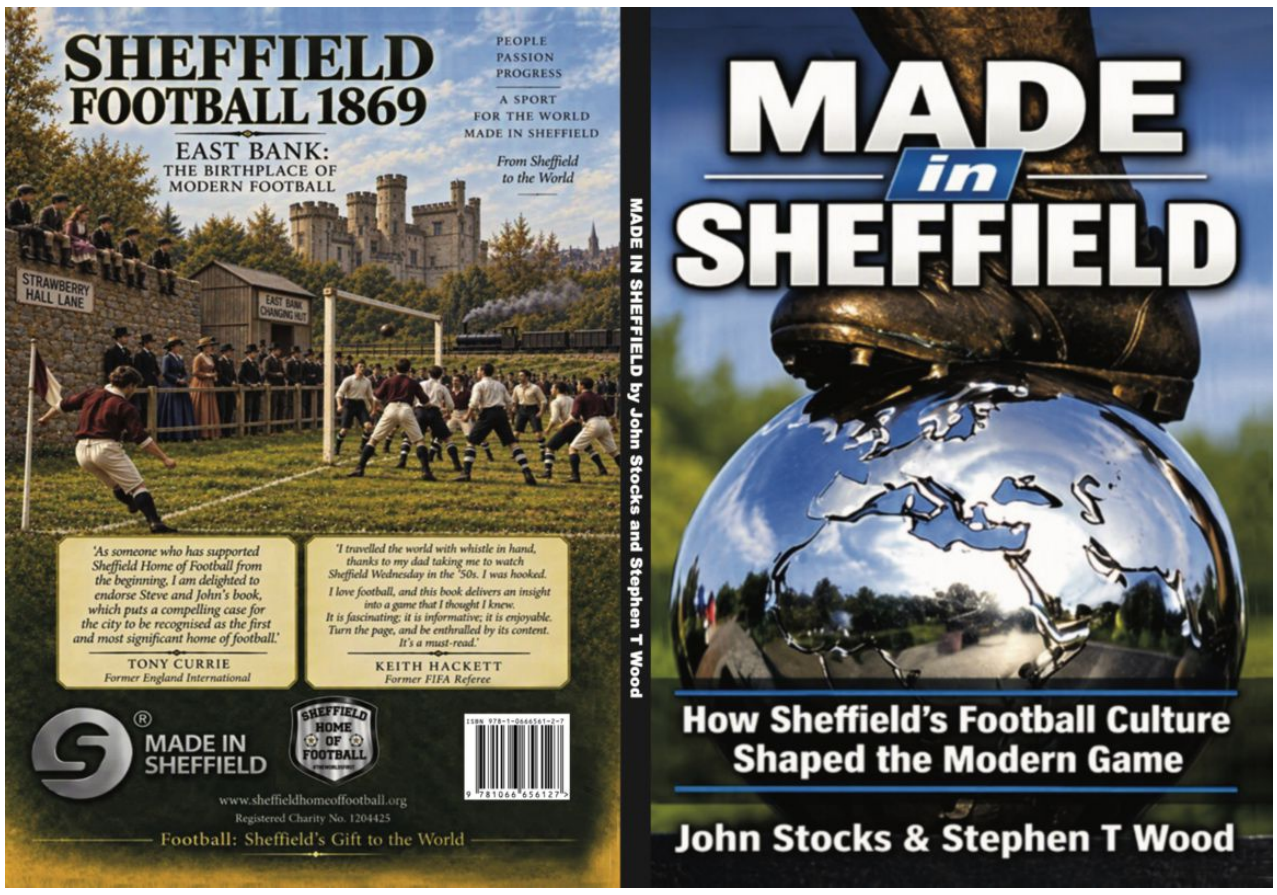

Historian and trustee Stephen T Wood said the project had uncovered evidence which he believes adds to understanding of Sheffield's contribution to the global game.

"Three years of sheer Sheffield graft and deep forensic research by local historians has uncovered a crucible full of previously buried and unpublished evidence about the origins of the biggest cultural phenomenon on the planet, the sport of association football.

"Whatever you've previously been told about the roots of the beautiful game is simply now an incomplete narrative. Whatever you've believed about Sheffield's involvement in how modern football came about requires a revisit."

The project forms part of the wider work undertaken by Sheffield Home of Football, a charity established to preserve and promote the city's football heritage.

The subject remains one of considerable historical interest. Sheffield is home to Sheffield FC, recognised as the world's oldest football club, while the city's influence on the development of early rules, competitions and football culture continues to be studied by historians.

Supporters of the project believe the research provides additional evidence of Sheffield's importance in football's formative years, although its conclusions will inevitably contribute to an ongoing historical discussion about the evolution of the modern game.

The publication is currently available to pre-order at a cost of £12.50, including postage.

Pre-orders can be placed through the charity's website at sheffieldhomeoffootball.org/product/made-in-sheffield.

For football supporters and local history enthusiasts alike, the book promises to add fresh material to one of Sheffield's most enduring sporting debates.

Montagu Cup Donation

A cheque for £5,000 has been presented to the Mexborough Montagu Hospital Patients Comforts Fund following another successful Montagu Cup campaign.

The money was raised through this year's competition, which culminated in Wickersley CC's historic 2-1 extra-time victory over The Gate Inn in front of a crowd of 1,475 at the Mexborough Athletic Sports Ground. The competition, first played in 1896-97 and recognised as the oldest football competition still played at its original venue, will return when the next final takes place on Easter Monday.

League Warns Of Tough Action After Referee Abuse

The Sheffield & District Junior Sunday League has warned clubs, players, coaches and spectators that it is prepared to take severe action after three separate incidents of referee abuse involving Under-18 officials last weekend.

In a strongly-worded statement, league officials described the abuse and threats directed towards young referees as "completely unacceptable" and vowed to take a strict approach against anyone found responsible.

The league revealed it is considering a range of sanctions, including fixture suspensions, points deductions, lifetime bans and referrals to the police where criminal offences have been committed.

Particular concern has been voiced over incidents involving youth referees, with the league stressing that abuse towards minors will not be tolerated under any circumstances.

League officials also reminded clubs that only recognised managers or coaches should approach referees to discuss incidents during games and that parents and spectators must not enter the field of play or confront match officials before, during or after a fixture.

The statement warned that even comments from the touchline can have an impact and urged spectators not to copy behaviour seen in the professional game.

"The behaviour and comments to referees witnessed at professional games by spectators has no place in junior football," the league said.

The Sheffield & District Junior Sunday League oversees more than 500 matches each weekend and was keen to emphasise that the vast majority are played without incident.

Officials thanked clubs, volunteers and supporters who continue to create a positive environment for young players and referees, while acknowledging that the problems are being caused by what was described as a very small minority.

However, the league made it clear that protecting match officials remains a priority and that sanctions could include withdrawing referees from fixtures where their welfare cannot be guaranteed.

The warning comes amid growing concerns nationally over the recruitment and retention of referees, particularly younger officials, with abuse often cited as one of the biggest reasons why many choose to leave the game.

League officials say they remain committed to ensuring junior football remains a safe environment for everyone involved and have called on clubs and spectators to play their part in tackling the problem.

WHO'S The Young Ref?

The Sheffield & Hallamshire County FA has been encouraging its youngest referees to wear specially-designed armbands identifying them as youth match officials.

The initiative is designed to make players, coaches and spectators aware that the referee is under 18 and may still be developing their experience within the game.

The armbands serve as a reminder that young officials deserve the same respect as any other match official and are intended to help create a more supportive environment as they progress through the referee pathway.

The campaign comes amid wider concerns across grassroots football about the recruitment and retention of referees, with abuse from the touchline regularly cited as one of the biggest reasons young officials leave the game.

Many of the referees officiating in the Sheffield & District Junior Sunday League each weekend are teenagers themselves, making last weekend's three reported incidents involving Under-18 officials particularly concerning.

League officials hope greater awareness can help protect young referees and ensure more are encouraged to continue their development in the game.

Semi-Final Showdowns Set After Gate March On

Two mouth-watering semi-finals lie in wait in the Rotherham Charity Cup after The Gate Inn completed the last-four line-up with an emphatic victory on Wednesday night.

The Swinton side swept past Groves Social 7-1 at Swallownest to join AFC Lord Nelson, Wickersley CC and Westville in the semi-finals of one of the area's oldest football competitions.

The Gate wasted little time in taking control of the final quarter-final tie. Ollie Salkeld opened the scoring with a superb finish before Gavin Allott doubled the advantage inside the opening seven minutes.

Groves Social refused to roll over and hauled themselves back into the contest when Samuel Hutton produced an excellent strike after 17 minutes.

At 2-1 the game remained firmly in the balance, but The Gate produced a decisive spell just after the half-hour. Nathan Walsh restored their two-goal cushion before Jordan Pilling struck soon afterwards to send them into the interval with a commanding 4-1 lead.

Any hopes of a Groves comeback disappeared after the break as The Gate's attacking quality continued to shine through.

Salkeld added a fifth goal before completing his hat-trick from the penalty spot, capping an outstanding individual display. Josh Stead then rounded off the scoring from another penalty with virtually the final kick of the game.

The result secures The Gate's place in the semi-finals, where they will face AFC Lord Nelson, who booked their own spot with an 8-2 victory over Marquis in the previous round.

The other semi-final promises to be equally intriguing as Wickersley CC take on Westville.

Wickersley have continued the momentum built by last season's Mexborough Montagu Cup triumph and have already accounted for Charity Cup holders Brinsworth DC, while Westville have shown their resilience by battling through a dramatic quarter-final against Wombwell Main.

With four of the competition's strongest teams left standing, the stage is set for two highly competitive semi-finals. Dates have yet to be confirmed, although both ties are expected to be played during March or April.

Competition officials have also expressed their gratitude to Swallownest MWFC for hosting the quarter-final programme, as well as thanking the Rotherham Referees' Association and the match officials who continue to support the competition. Appreciation was also extended to the supporters who have turned out on October and November evenings to back their teams and help maintain the strong community spirit that has been at the heart of the Rotherham Charity Cup for well over a century.

Sheffield Match Worksop Before Tigers Pull Away

Sheffield FC pushed opponents three divisions higher all the way before National League North side Worksop Town's extra quality eventually secured a place in the Sheffield & Hallamshire Senior Cup semi-finals on a lively night at the Home of Football Stadium in front of a crowd of 373.

With both managers making two changes from their respective weekend line-ups, the quarter-final paired a Sheffield side currently competing in the United Counties League Premier Division North against a Worksop outfit challenging three divisions higher in the Step 2 National League North of the non-league pyramid. Despite that gulf in status, the hosts more than held their own for long periods.

Worksop created the first clear opening after six minutes and looked certain to score until Kristian Bland produced a goal-line clearance to keep the tie level. The visitors continued to threaten, Vaughan Redford heading over from a corner before Liam Waldock fired narrowly wide as the Tigers sought an early breakthrough.

Sheffield gradually grew into the contest and enjoyed an impressive spell midway through the first half. Alex Hardwick, a constant source of energy and movement up front, went close before Lewis Cutts struck the crossbar as the home side began to ask serious questions of higher-level opposition.

The breakthrough arrived after 33 minutes and owed much to Sheffield's persistence. Sustained pressure forced uncertainty in the Worksop back line and a misplaced pass back ran beyond goalkeeper Josh Render, allowing Will Portman to react quickest and apply the finishing touch for a deserved opening goal.

Any hopes of taking that lead into the interval were quickly extinguished.

Within two minutes Worksop were level. Lewis Whitham delivered a dangerous cross towards the far post where Redford arrived to poke home and restore parity at 1-1.

The equaliser sparked the visitors back into life. Kris Moore crashed a header against the crossbar before Whitham and Ryan Viggars both threatened as Worksop finished the half strongly. Sheffield goalkeeper Green was required to stay alert while the hosts defended resolutely to remain level at the break.

That the scores were still tied after 45 minutes was a reflection of Sheffield's organisation, commitment and willingness to take the game to opponents operating at a considerably higher level.

Worksop introduced Ben Hatton at half-time and the substitute soon began to influence proceedings. After seeing one effort blocked by Bland, he helped shift momentum in the visitors' favour as the second half wore on.

PHOTO: Jimmy McDonald

The decisive turning point came after 65 minutes. A delivery into the box caused confusion inside the Sheffield penalty area and the loose ball dropped kindly for Waldock, who lashed home from close range to put the Tigers ahead for the first time.

Far from folding, Sheffield responded positively and almost found an immediate equaliser. Hardwick again broke through on goal only to be denied by another important save from Render, whose interventions at key moments proved crucial throughout the evening.

Worksop eventually established breathing space with 14 minutes remaining. Mason O'Malley's corner was met by Redford, who powered home his second goal of the match to make it 3-1 and seemingly put the tie beyond reach.

Yet Sheffield refused to let the occasion drift away. Ten minutes from time Adam Blakeley bundled the ball home following a goalmouth scramble to reduce the deficit and set up a nervy conclusion.

The hosts' hopes of a comeback were ended three minutes from time when Whitham capped an impressive display. Cutting inside from the left, he curled an excellent finish into the top corner from the edge of the penalty area to complete the scoring and send Worksop into the last four.

Although disappointed to exit the competition, Sheffield can take considerable encouragement from a performance that saw them trouble opponents three divisions above them and remain firmly in contention deep into the second half. Hardwick led the line admirably, Bland turned in a strong defensive display and Portman capped another energetic showing with the opening goal.

For Worksop, the quality of Redford, Whitham and Waldock ultimately proved decisive as the Tigers' greater experience and squad depth told in the closing stages.

Defeat But Signs Of Hope

STOCKSBRIDGE PARK STEELS

Adam Allcroft

It's time for the climb from rock bottom.

Make no bones about it, Stocksbridge's 8-0 defeat at home to Ossett United ranks among the darkest afternoons in the club's recent history. Fans left Bracken Moor, many before the final whistle and missing some of the goals, looking more shell-shocked than angry.

But the one thing about rock bottom is that there is only one way to go.

Jason Blunt certainly did not rest on his laurels following the defeat. Six players were brought in ahead of the trip to Blyth Spartans, although luck was against the Steels before a ball had even been kicked. New goalkeeper and Hong Kong youth international James Wright was denied his debut after his car broke down en route to the match. Instead, recent reserve keeper Luke Mallinder was thrust into the side for his first appearance.

When the Steels took to the pitch, they did not look like a team that had suffered such a bruising defeat seven days earlier. Blyth had turned Croft Park into something of a fortress, going unbeaten at home all season, but Stocksbridge were asking the questions. An early header from Kieran Mortimer forced a save from Craig Dobson before a poor punch from the goalkeeper almost gifted Liam Clayton the opening goal, only for Dobson to recover and produce a stunning stop.

Now we know where the story goes from here because it is one that has appeared in these pages all too often.

Blyth had their first attack and scored their first goal. A superb pass picked out Dan Lanning between two defenders and, spotting Mallinder advancing, he produced a deft lob to put the home side ahead.

Then came Blyth's second attack and their second goal. Again it was Lanning. He appeared to be in a relatively harmless position near the corner of the penalty area, but this is a player who scored more than 100 goals in fewer than 200 appearances for Newcastle Blue Star. He needed only a small opening before whipping a magnificent effort into the top corner.

But unlike previous weeks, Stocksbridge did not crumble after falling two goals behind.

Instead, they worked their way back into the contest. Tom Shepherd drove forward before creating space for himself and sliding a low pass towards the area. Devonte Morton-Newman cleverly allowed the ball to run through to Clayton, who immediately fed Robson Woodcock arriving from deep. The wing-back made no mistake, smashing the ball home to pull the Steels back into the game.

It capped an impressive week for Woodcock, who had also featured for parent club Barnsley in the Jersey Mike's Trophy.

During the second half, Blyth gradually took greater control and eventually their pressure told. The Steels failed to clear a free-kick and Paul Dudgeon, having seen an initial effort saved, delicately lifted the loose ball over Mallinder and into the net.

That could easily have been the moment the game spiralled away from Stocksbridge.

Pushing higher in search of a route back into the match, they were exposed by a clever diagonal ball which sent Jack Foalle through on goal. Mallinder raced from his area but collided with the Blyth forward and the referee had little hesitation in producing a red card.

With no goalkeeper on the bench, Kieran Mortimer was forced to don the gloves.

The defender-turned-goalkeeper acquitted himself admirably, beating away a powerful effort before producing a vital punch under pressure from a dangerous cross. In fact, Stocksbridge came closest to scoring despite being reduced to ten men. A loose ball on the edge of the box broke kindly for Finlay Dyer, whose effort drifted narrowly wide.

On paper it was another defeat in what has become a long sequence of them for Stocksbridge. But those who made the journey north saw something very different from the side that had been dismantled by Ossett United.

The new signings brought a physical presence that has often been lacking, while there was greater organisation and resilience throughout the team. Just a few hours before kick-off, Blunt had been up at 5.30am sending social media posts and writing to local businesses in an effort to generate support for the club. By the end of a day that had also included losing his new goalkeeper to a roadside breakdown, he could at least reflect on a performance that suggested brighter days may lie ahead.

Speaking to his players afterwards, Blunt admitted: "We should never take pride in a defeat, but sometimes you have to put things into perspective. For long periods today, we more than matched them and there were plenty of positives to take from the performance."

Perhaps most tellingly, he added: "Today, the supporters, chairman and committee were proud of what they saw, and that's important."

Stocksbridge remain rooted in trouble and Blunt knows the scale of the task ahead. In the same message, he told his squad they probably need around ten wins from their remaining 23 matches to give themselves a genuine chance of avoiding relegation.

Yet for the first time since taking charge, there was a sense that he could see the foundations of a team beginning to emerge.

"For the first time, I genuinely enjoyed it," he said. "I enjoyed watching you compete, work for each other and show what we're capable of. We're not there yet, and there's plenty of hard work ahead, but let's take today's positives and build on them."

After the humiliation of Ossett United, that was probably the biggest win Stocksbridge could have taken from a defeat.

Fine Margins Halt Momentum

HALLAM

For the first time in three league matches, Hallam came away without a point on Saturday.

Yet as the players left the pitch following a 2-0 defeat against Silsden, there was little sense of a side that had taken a significant backwards step. If anything, the frustration stemmed from the feeling that Hallam should have got something from the afternoon.

The Countrymen went into the game buoyed by successive victories over Ashington and Heaton Stannington, results which had finally begun to show the progress Danny and Richard Patterson had been talking about for much of the season. Against one of the division's promotion challengers, Hallam were looking to demonstrate that recent improvement was no short-term surge.

For long periods, they managed exactly that.

Silsden arrived at Sandygate with one of the strongest records in the league, but there was little between the teams for much of the contest. Hallam created chances, carried a threat and, particularly in the opening stages of the second half, looked capable of taking complete control of the game.

Richard Patterson certainly felt his side deserved more.

"Exactly that," he said when asked if Hallam had been unfortunate.

"I don't think there was an awful lot in the game all the way through.

"I think we had the better opportunities, both first and second half."

The key period arrived immediately after the restart. With the game still hanging in the balance, Hallam took the initiative and pinned Silsden back inside their own half.

"We came out really well second half," said Richard. "First 20 minutes we were miles on top and they were struggling to get out."

The problem was a familiar one. The chances were created. The finish never arrived. Hallam paid the price.

Instead of taking the lead themselves, they found their opponents punishing them at the other end.

Danny Patterson felt fortune played its part.

"I thought we were the best side throughout," he said.

"They maybe had 10 minutes when they scored the first goal, which was a deflection.

"The second goal was a deflection as well."

Those moments changed the game. The first breakthrough lifted Silsden's confidence and momentarily knocked Hallam out of their rhythm. The second effectively settled the contest. Yet even then the Countrymen continued to create openings.

"We've had chances first half, chances first 15 or 20 minutes of the second half," said Danny. "They've not gone in. Even then we've had two or three big chances.

"One with an open net, one with a whipped cross. Chances we've not took, and you get punished for that in this league."

That final observation perhaps tells the wider story of Hallam's season.

The gap between success and failure at Step 4 level can be incredibly small. The Countrymen spent the first two months learning that lesson the hard way. More recently they had begun to turn competitive performances into victories. Saturday served as a reminder that there is still work to do.

What was encouraging, however, was the response. Earlier in the campaign Hallam might have disappeared from the contest after going behind. Against Silsden they remained in the game and continued to pose questions.

There was also encouragement from the performance of debutant Chris at the heart of the defence.

"Great debut from Chris at the back, who I thought was superb," said Danny. "But I thought everybody were really good. "The subs were good again."

Those comments reflected a broader theme that has emerged during recent weeks. The squad is looking stronger, more balanced and more experienced. Danny specifically pointed to the influence of Richard and Kingsley James, players whose know-how has helped settle the side during an important period of the season.

The defeat against Silsden could easily have been followed by an immediate opportunity to respond on Tuesday evening, but the visit of Blyth Spartans fell victim to the weather. Persistent rain left parts of the Sandygate surface waterlogged and the game was postponed, denying Hallam the chance to continue building momentum and forcing another fixture into an already busy schedule.

While frustrating, the postponement may offer one small advantage. With injuries still affecting parts of the squad and several players only recently returning to action, the additional recovery time could prove useful ahead of another important test this weekend.

Hallam travel to Lincoln United on Saturday for the first return fixture of the season, revisiting the side that beat them 2-0 at Sandygate in the opening league fixture of the campaign.

Back then, Lincoln left South Yorkshire with the points while Hallam were still searching for their first competitive goal of the season following the FA Cup defeat to Irlam a few days earlier, as the Countrymen endured a difficult start to the campaign. Three months later, the picture looks rather different.

Recent victories over Ashington and Heaton Stannington have brought renewed confidence, while even Saturday's defeat contained enough positives to reinforce the belief that Hallam are moving in the right direction.

Lincoln will undoubtedly provide another stern examination, but the Countrymen will travel believing they are capable of taking something from the game.

That confidence has been earned.

"We feel the side's getting better every week," said Danny.

"That's what we've got to continue to do, keep working hard and keep at it."

Richard's assessment was equally encouraging.

"I think if we continue to perform like that week in, week out, we'll win more than we lose," he said.

A few weeks ago Hallam were searching for their first victory and wondering where points might come from. Now they are disappointed after losing narrowly to one of the division's stronger sides and frustrated not to have had the opportunity to bounce back immediately against Blyth.

That, in itself, tells you how much things have changed.

The Countrymen still have work to do. They still need points and they still need wins. But they are beginning to look like a side capable of collecting both.

The challenge now is proving it again when they head to Lincoln on Saturday.

Dearne Stay Clear As Drama Flows

NORTHERN COUNTIES EAST

Matt Jones

There was plenty of action across the Macron Northern Counties East Football League over the weekend, with leaders strengthening their promotion credentials, several matches settled by late goals and a number of eye-catching individual performances.

Friday night's Division One programme produced the biggest scoreline as table-toppers Brigg Town ran riot in a 7-0 demolition of Crowle Colts in front of 405 spectators. Dayle Southwell opened the scoring before Josh Batty struck twice in the first half alongside a goal from Reece York to put the hosts firmly in control at the break with a 4-0 lead. Lewis Collins, Mason Ellender and Henry Parr added further goals after the interval as Brigg completed an emphatic victory and maintained their promotion push.

Leeds UFCA also enjoyed an excellent evening, winning 3-0 at Wakefield AFC. Fraser Day and Edward Tordoff handed the visitors a two-goal half-time advantage before Kalaab Daniel wrapped up the points with a late third goal.

In the Premier Division on Saturday, Albion Sports burst out of the blocks to defeat Rossington Main 3-2. Lewis Waddington scored twice inside the opening 13 minutes and Talent Ndlovu added a third before the midway point of the first half. Rossington responded through Rob Guilfoyle shortly after the restart and set up a tense finale when Reece Fielding netted two minutes from time, but Albion held on.

Barton Town left it late to overcome Handsworth as Albie Collier's 90th-minute winner earned a 1-0 success in a closely contested encounter. The late goal floored Handsworth, who had battled hard for a point after the 70th-minute dismissal of Fernando Tavares.

Frickley Athletic's Keelan Grist produced one of the individual performances of the weekend, netting a hat-trick in a convincing 3-0 victory over Knaresborough Town. Grist struck once in the first half, added a second early in the second period and completed his treble from the penalty spot in stoppage time.

Another last-gasp goal proved decisive at Golcar United, where Harvey Booth's 90th-minute strike secured a 1-0 victory over Worsbrough Bridge Athletic in front of a crowd of 382.

Thackley boosted their campaign with a 2-0 win at Horbury Town. Paul Walker finally broke the deadlock on the hour mark before Luke Brooks sealed the points deep into added time.

Bottesford Town continued their fine form with the day's biggest Premier Division victory, thrashing Keighley Town 5-1 away from home. Nathaneal Dyer opened the scoring before Jack Varley converted a penalty and later added his second of the afternoon. Jack McMenemy also bagged a brace as Bottesford raced into a commanding lead, with Harry Parsons' first-half effort proving only a consolation for Keighley.

Dearne & District collected another valuable three points with a 3-1 success at Penistone Church. Matthew Lee gave the hosts the perfect start inside three minutes, but Owen Fieldsend quickly equalised before Jamie Austin struck twice after the break to complete the turnaround.

There was late drama at Mill Lane, where Pickering Town and Retford United shared the spoils in a 2-2 draw. Ross Duggan's early goal put Retford ahead before Connor Avison and Souleymane Coulibaly turned the game around for Pickering. However, Philip Watt salvaged a point for the visitors with a dramatic equaliser in the 90th minute.

Retford FC continued their impressive season by defeating Campion 3-0. Alex Wonham scored in each half to put the Badgers in control before Jack McKay added a late third goal.

Parkgate fought back to earn a 1-1 draw against Tadcaster Albion. Desmond Okoro's fifth-minute strike looked set to secure all three points for the visitors until Jamie Purkiss levelled midway through the second half.

In Division One, Armthorpe Welfare came from behind to defeat Club Thorne Colliery 3-1. Jackson Yates gave the visitors the lead shortly after half-time, but a quick-fire double from Liam Flanagan turned the contest on its head before Mikey Dunn sealed victory ten minutes from time.

Field Olympic and Winterton Rangers produced a thrilling finish in a 2-2 draw. After a goalless first half, Joseph Colley and Junayd Cassius-Gill appeared to have secured the points for Field Olympic with goals within two minutes of each other. Winterton refused to surrender, however, and Oliver Nicholson struck twice in the final eight minutes to rescue a point.

Harrogate Railway Athletic were comfortable 3-0 winners over LIV thanks to two goals from Alex Burton, one of them a penalty, before Harry Croft completed the scoring in stoppage time.

Kinsley Boys strengthened their position with a 3-1 victory over Athersley Recreation. Liam Owen opened the scoring before Nathan Perks briefly threatened a comeback, only for Charlie Clegg and Jack White to ensure the hosts claimed all three points.

Selby Town recorded a professional 2-0 home success against Route One Rovers. Harry Clapham's first-half strike set them on their way before Deven Hannan doubled the lead after the break.

Wombwell Town rounded off an impressive weekend with a commanding 4-0 victory over Goole AFC. Ollie Fearon and Nash Connolly gave the hosts a two-goal interval lead before Connolly added his second late on and Josh Brown completed the scoring in stoppage time.

Church Strike Late As Weather Wins Again

The wet weather wreaked havoc with the mid-week programme in the Macron Northern Counties East League, with three of the five scheduled fixtures on Tuesday falling victim to waterlogged pitches.

Of the matches that survived the conditions, Penistone Church claimed one of the results of the week as a late winner earned a 2-1 victory at promotion-chasing Bottesford Town and inflicted the Poachers' first home league defeat of the season.

Church took a deserved lead midway through the first half when Reece High found the net on 26 minutes, giving the visitors a slender advantage at the interval.

Bottesford responded after the break and eventually drew level with 14 minutes remaining. Jaime Ture's goal on 76 minutes appeared to have rescued a point for the home side and shifted the momentum in their favour.

However, Penistone had the final say. With the contest seemingly heading for a draw, Nathan Keightley struck nine minutes from time to hand Church a valuable three points and complete a notable away-day success.

A spirited Frickley Athletic performance earned the Blues a point in a 1-1 draw at Parkgate in a closely-fought NCEL Premier Division derby.

Parkgate made the brighter start and were rewarded after ten minutes when Taylor Nicholson opened the scoring. The hosts controlled much of the first half and carried their one-goal advantage into the dressing room.

Frickley emerged with greater purpose after the restart and their improvement was rewarded on 55 minutes when Dempsey Smith found the equaliser.

Both teams pushed for a winner during an entertaining closing period, but neither could find the decisive breakthrough as the points were shared.

The draw continued Frickley's encouraging recent form on their travels, while Parkgate were left ruing their inability to build on a promising start.

In NCEL Division One on Wednesday evening, Appleby Frodingham produced a ruthless second-half display to secure an emphatic 5-1 victory at Hemsworth Miners Welfare.

Hemsworth struck first through Bismark Osei on 27 minutes and looked on course to take a narrow lead into half-time.

Appleby Frodingham had other ideas and drew level five minutes before the interval when James Chester scored the first of his three goals.

The visitors then took complete control after the restart. Chester struck again on 49 minutes and completed his hat-trick just five minutes later as Hemsworth's resistance began to crumble.

Callum Stenton extended the advantage on 68 minutes before Ashton Coley added a fifth in the final minute to complete an impressive evening's work.

Chester's clinical treble was the centrepiece of a dominant second-half performance as Appleby Frodingham turned a closely-contested match into a convincing victory in front of a crowd of 171.

Sheffield Keep Denton's Run Going As Swall Hit Four

UNITED COUNTIES LEAGUE

Sheffield FC continued their unbeaten run under Craig Denton with another victory, Dronfield Town finally gave Lewis Naylor his first win as manager, and Maltby Main returned to winning ways. Swallownest, meanwhile, produced the most extraordinary result of the week, coming from behind four times to draw 4-4 with Southwell City.

Sheffield maintained their impressive progress with a 4-2 victory over Aylestone Park, although the final score perhaps disguises just how comfortable they looked for much of the afternoon.

Leon Howarth gave Sheffield an early lead after nine minutes, but Aylestone got themselves back on level terms. The response was emphatic, with Alex Hardwick restoring the advantage on 26 minutes before Bradley Beatson added a third just two minutes later. Kristian Bland made it 4-1 on 31 minutes, giving Sheffield a commanding half-time lead.

The second half was less convincing, however, and Denton was disappointed with the drop in standards. Aylestone grabbed a late second in stoppage time, making for a more uncomfortable finish than Sheffield would have wanted.

"I thought the start in the first half, coming in at half-time 4-1 up, was great. But I thought in the second half we dropped some standards," Denton admitted.

"It's disappointing they've gone and made it 4-2 and scored with the last kick of the game. But look, we asked the lads to get three points and they've gone and delivered."

Denton also praised the backing from the crowd, with 503 in attendance, adding that there were still little things to work on but the team could enjoy the evening and the three points.

Sheffield's unbeaten run under Denton continues, with the side now carrying their October form well into November. They have moved onto 18 points and sit 10th in the Premier Division North, level with Heanor Town, who have played one match fewer.

Dronfield Town finally had something to celebrate as Lewis Naylor secured his first victory at the helm with a 2-1 home win over Cotgrave.

It was a deserved reward for a positive performance, although Town had to come from behind after enjoying much of the better play in the first half. Captain Callum Mawbey, making his 400th appearance for the club, went close with a header from a Jack Worrall corner, while Worrall himself was denied by a low save from Cotgrave goalkeeper Liam Mitchell.

Dronfield also created a good opportunity through Arran Bovill, whose clever lay-off set up Worrall, but they could not find a breakthrough. Instead, despite Tom Hill producing a fine save from Ryan Smith, Jack Vipond was on hand to score at the second attempt on the stroke of half-time.

The home side responded positively after the interval and continued to press. Hill kept Dronfield in the contest with another excellent stop, but the breakthrough finally arrived on 77 minutes. Owen Lester supplied a delightful through ball for leading scorer Max Rhodes, who turned and finished to bring the scores level and register his tenth goal of the campaign.

Cotgrave almost regained the lead immediately when Prestyn Moore struck the post, but Dronfield finished the stronger. With just three minutes remaining, Callum Martin turned cleverly at the edge of the penalty area before firing a fine left-footed finish into the bottom corner to secure the points.

It was a significant afternoon for Naylor, whose side had been competitive in recent games without getting the results their performances deserved.

The win lifts Dronfield onto 19 points, although they remain 19th in Division One and have plenty of work ahead of them.

Maltby Main also enjoyed a welcome return to winning ways, beating Gedling Miners Welfare 1-0 at Muglet Lane. Jamie Tomlinson scored the only goal after just eight minutes, and Maltby held on to secure all three points and a clean sheet.

The victory was particularly important for Nick Buxton's side. It was their third league win in their last 12 matches, with Maltby having collected just nine points from the previous 11 games. Following the 3-2 victory at Selston, they had drawn with Sandiacre and suffered the heavy 6-1 defeat against South Normanton.

Buxton was pleased to see his players respond and get back to winning ways.

"It was great to get back to winning ways today and come away with all three points, alongside a well-earned clean sheet," he said.

He felt the team had created some very good opportunities, although he was disappointed they had not taken more of them. He also highlighted the need for a little more composure and better decision-making in key moments, but was pleased with the result and, particularly, the reaction from the players following the previous week's performance.

Swallownest provided the real entertainment of the week with a remarkable 4-4 draw against Southwell City on Tuesday evening, having already suffered a 3-2 defeat at Selston on Saturday.

The visitors took the lead after 16 minutes through Marulson Cariata, but Swallownest quickly responded to level the scores. Southwell regained the advantage through Christopher Okoye, only for Swallownest to equalise again through Max Skelton on 41 minutes and send the teams into the interval at 2-2.

The second half continued in the same breathless fashion. Okoye completed his hat-trick with goals in the 69th and 80th minutes, but Swallownest refused to be beaten. Lucas Heath brought them level at 3-3 before Charlie Beale struck the fourth equaliser to earn a point in a remarkable finish.

Coming from behind four separate times to secure a draw says plenty about the side's determination, even if they will know that conceding four goals leaves plenty to work on. It was a point that will certainly have felt like a victory after such a dramatic evening.

The wider picture in the Premier Division North sees Belper United continue to set the pace with 36 points

from 15 matches. Eastwood CFC remain close behind on 34, but have played two fewer games, while Leicester Nirvana occupy third place on 27. Sheffield's recent improvement under Denton is helping them move up the division, although there remains plenty of ground to make up on the leading sides.

Eastwood also provided one of the stories of the weekend with a record attendance of 2,123 for their local derby against Hucknall Town. The crowd was more than double the club's previous best, with the home side marking the occasion with a 4-0 victory. A £6 adult admission price, free entry for under-16s accompanied by a paying adult, and the strong following brought by Hucknall all helped make it a special occasion. Eastwood's regular Thursday behind-the-scenes YouTube series is another example of the club's efforts to build a connection with supporters beyond matchday.

In Division One, Clipstone Welfare continue to set the pace with 49 points, six ahead of Staveley Miners Welfare. South Normanton Athletic are third on 39, with Southwell City and Stapleford Town completing the top five on 35 and 34 points respectively.

Maltby Main occupy 11th place on 25 points, with Swallownest 16th on 23. The gap between the two is therefore only two points, while Dronfield remain 19th on 19 points, just one behind Radford. Naylor's first victory gives Town some encouragement as they look to climb away from the bottom end of the table.

There is still plenty to play for across both divisions. Sheffield will look to maintain their progress under Denton, Maltby and Swallownest remain within reach of the middle group in Division One, and Dronfield will hope their first win under Naylor marks the beginning of a more positive spell.

Dinnington Cruise Past Harworth as Burngreave Alone at the Top

CENTRAL MIDLANDS ALLIANCE

Richard Lane

All three matches played during the week involved teams in the Camper UK Premier North division.

Dinnington Town came very close to conceding points at Rossington Main, a goal in the final minute ensuring they remained well placed in the leading group. Alex Kemp gave them a 24th-minute lead, which they held until ten minutes into the second half when Oscar Jones brought Main level. With time running out, the visitors finally found the all-important decider, Shay Evans-Booth's goal timed at 90 minutes.

Ollerton Town recorded only their second win of the season, edging out Brodsworth Main by the odd goal in seven. Brodsworth took the lead with a superb strike from Callum Stockton after ten minutes, Ollerton retaliating with a Keegan Burton penalty in the 24th minute before Ivo Radzivilovics put them ahead with 34 minutes played. Eight minutes into the second half there was daylight between the teams as Jayden Garland scored an excellent individual goal.

Almost immediately the visitors found themselves reduced to ten men, but despite the setback they levelled the scores. Stockton grabbed his second after 58 minutes and Liam Williams equalised with 78 minutes on the clock. Ollerton were not to be denied, however, with Joe Wilson netting the winner on 81 minutes.

Staveley Reserves had a comfortable 4-0 win at Worksop Town Reserves in the second round of the Buckingham Insurance League Cup. The Trojans scored twice in each half, getting off to the perfect start when Alex Coates slotted home a second-minute penalty, quickly followed by a second from Sam Davies ten minutes later. The second half followed the same pattern, with Theo Hill scoring his first goal at this level six minutes after the restart before Davies brought an end to the scoring eight minutes from time.

Unusually for the CMAL, goals were at a bit of a premium this Saturday. The exceptions were the two top-of-the-table clashes in the Premier North, where the results proved far more emphatic.

Harworth Colliery's unbeaten record was blown away by a ruthless Dinnington Town side, whose 5-1 victory lifted them to second in the table. Harworth opened the scoring through Adam Morrison in the 16th minute, but that was as good as it got for the hosts. Shay Evans-Booth equalised in the 27th minute and the sides went into the interval level.

Dinnington turned up the heat after the break, with Cole Thorpe giving them the lead in the 54th minute before Craig Nelthorpe's penalty doubled the advantage on the hour mark. Nathan Jessop added a fourth after 78 minutes and Lewis Fretwell completed the scoring a minute from time. A crowd of 231 provided the home side with at least one positive.

Burngreave United are now the only unbeaten team in Premier North after inflicting Elite AFC's first defeat of the season. Following a goalless first half, Umar Mohammed gave Burngreave the lead before Tommy Pallett equalised. Further goals from Mohammed Shebani and Abdulrahman Asad secured a 3-1 victory for the visitors.

For the second week running, AFC Phoenix produced a performance that belied their league position. After pushing Burngreave hard the previous weekend, they came even closer this time before Staveley Reserves scraped a 2-1 victory. Phoenix took the lead in the 54th minute through Kyle Dunston, but Josh Nicholls equalised just two minutes later. James Miller then struck in the 77th minute to secure the points for the Trojans.

Another game in which all the goals came after the interval took place at AFC Bentley, where three goals in nine minutes handed Rossington FC the points. Damien Wieczarek broke the deadlock in the 61st minute and doubled the lead three minutes later. Ewan Plant added a third in the 70th minute to leave Bentley with too much to do, although Dan Dickinson did pull one back eight minutes later.

Teversal were 2-0 winners over Worksop Town Reserves. Reilly Hodgkinson gave them the lead in the 56th minute and the game remained in the balance until Sam Jackson settled any nerves with a second in the final minute of normal time.

Glapwell may not have had much go their way this season, but they must be favourites for the fastest goal of the campaign after Oscar Bannister found the net against RHP after just 14 seconds. Both teams had chances in an even first half, but wasteful finishing and inspired goalkeeping ensured Glapwell's slender advantage remained intact. Newark side RHP levelled in the 53rd minute through young Bailey Purves, who scored his first goal for the club. However, Sol Miller's strike after 68 minutes proved decisive, although the outcome remained uncertain until the final whistle.

SJR Worksop claimed a narrow victory at Rossington Main, Aaron Redfern scoring the game's only goal.

There were just four games in the Premier South division and, again, goals were in short supply. The top three were all in action and all collected maximum points. Bakewell Town were left frustrated as their home game against leaders Holbrook Sports was settled by an own goal midway through the first half.

Second-placed Borrowash Victoria's win was more convincing as they defeated visitors Mickleover Athletic 3-0. Yet another match saw all the goals arrive after the break. Alex Quigley ended the stalemate on 58 minutes before Josh Newnham marked his debut with a goal seven minutes later. Quigley added his second ten minutes from time to leave Vics eight points adrift of the leaders with a game in hand.

Derby Gazers' run of five successive victories has lifted them into third place. Their latest success came by the narrowest of margins, with Harry Hill scoring the only goal after 68 minutes.

Ripley Town picked up their first win since mid-August, easing concerns with a victory over an out-of-form Melbourne Dynamo side. Joe Bacon and Yann Tresor were on target for Ripley, while Melbourne's reply came via a Ben Gowing penalty.

The final three places in round three of the Buckingham Insurance League Cup were settled on Saturday.

Brodsworth Main wasted little time in avenging the previous week's league defeat as they eliminated Ollerton Town 2-0. Josh Gregory gave them the lead in the 36th minute, but it wasn't until seven minutes from time that Callum Verhees made the game safe.

Heanor Town Reserves will fly the flag for the Macron Store Nottingham Division One in the next round after the two remaining teams missed out at the weekend. Mayfield came very close to joining them, losing by a single goal scored by FC Sunnyhill's Callum Wilson.

Castle Donington also emerged with credit despite going down 4-2 to visitors Blidworth Welfare. Charlie Palmer scored both of the home side's goals, while Joe Harrison and Tremere Lindo each struck twice for Blidworth.

League Leaders Rocked in Sunday Shock

BLADES SUPER DRAW

Keith Firminger

The Sportsman secured a place in the last 16 of the Sunday Trophy with a comprehensive away success at Courtyard FC.

Oliver Parfitt was the executioner in chief with a fantastic first half treble as the away side controlled proceedings from the get-go. Courtyard were much improved at the start of the second half and deservedly pulled one back to get within a couple but that was as good as it got for them. Sportsman regained control over their valiant and welcoming hosts, and Lewis Falk's header plus another from Rob Neal saw them ease through 5-1.

AFC Wisewood made their trip to AFC Lounge a successful one too to make it through 3-0. An own goal put Wisewood in front and that was added to when Alfie Wright made it two before half time. A comfortable win was secured in the second half as Whylie Walford notched goal number three for the happy visitors.

Southey Social's trip to Shaw Inn wasn't played.

Jubilee Rangers provided the result of the day in the Premier Division as they ended league leaders Wadsley Bridge Sixers unbeaten record 2-1. A goalless first 45 between the sides was eventually broken when Will Osgathorpe danced down the wing and his shot was too hot for the home keeper and Ross Lamkin tapped in the rebound for the opening goal of the contest.

The leaders rallied and equalised when a low cross was converted at the far post by Danny Reet. Jubilee's winner came two minutes from time when Josh Reaney showed great trickery down the left and whipped in a cross that Sam Phillips controlled and then coolly finished for the winning goal.

A tough game between Wickersley and Hackenthorpe was settled by a single goal. The first half's best chance came Hackenthorpe's way when Xav Drandrade's effort was superbly cleared off the line by Nathan Taylor. The only goal arrived when a good bit of home pressure ended with Adam Daughtrey sliding the ball home under the visiting custodian. The home side had more opportunities to extend the lead after that, but that single Daughtrey effort proved decisive in the final analysis.

Royal Earl and Stannington Village shook hands on a 1-1 draw which keeps both sides in the middle of the table. A scoreless first half was broken when a set piece routine by the home side was finished with a superb header from Sam Smith.

Stannington kept plugging away and were rewarded with an equaliser from Niall Loughlin. The substitute beat a couple of home defenders before being brought down in the penalty area; he then picked himself up and sent the keeper the wrong way from twelve yards.

Mosborough Reds produced a sensational comeback to take their first point of the season from a home 3-3 draw with Boynton Sports. Boynton took the lead ten minutes before the interval when Richie Atkins slotted the ball into the net. This was doubled within a couple of minutes when Atkins scored his second with a powerful finish into the top corner of the net after a low cross had fizzed its way across the penalty area. Atkin completed his treble from the penalty spot early in the second half when he picked himself up to score after being brought down in the area.

Mosborough got on the scoreboard when Alix Sorsby's free kick was headed in by Ben Dronfield. Dronfield pulled them within one with a header that found the net following a long throw. Boynton thought they had scored a fourth to put some daylight between the sides, but it was ruled out for offside and Mosborough secured a draw eight minutes from time when the ball found its way to Josh Smith to slot home.

The game between Loca and Eckington was postponed due to a frozen pitch.

Woodman Cotts blew open the Division 1 title race with a superb home victory against leaders Queens Head. Chris Salt headed the home team in front when he managed to beat the onrushing keeper to the ball, and that became two when Harvey Smythe produced a nice close-range finish. The leaders got within one when a cross found its way to Josh Hague to put away. Jake McKenzie scored an excellent left footed finish from outside the area to restore Woodman's two-goal margin and from then on, they never looked back.

Sam Stacey got in the act with a fourth home goal and then Salt completed his brace to extend the lead to four clear goals. However, Queens scored a second with a superb team goal that started with their keeper and finished by striker Aaron Mushet, but Cotts deserved their success on the day.

With AFC Wisewood in Sunday Trophy action, Crookes moved into second place and a point behind the leaders with a comprehensive away win at Brinsworth Whitehill. They opened the scoring when a long throw from Dylan Murphy was turned into his own net by a defender. That lead was doubled just before half time when Oliver McQuillin scored his first goal of the game with an effort from just inside the penalty area.

Despite Brinsworth's resilient defence, Crookes scored again when McQuillin headed in his second of the game. McQuillin then turned provider for Crookes' next goal when he was brought down in the penalty area for a spot kick. However, instead of completing his hat trick he handed responsibility to Sol Parkin who made no mistake for goal number four. The nap hand was completed by Tom Rickers who capped a superb solo run with a great finish from inside the box.

Mark Pilley

The Premier Division leadership changed hands in the Rotherham & District Sunday League as Deer Park Tap moved to the summit, while there were goals galore across the divisions and several local sides continued their progress in the Sheffield and Hallamshire Sunday Cup.

Handsworth Hit Ten as Cups Deliver Drama

WOMEN'S FOOTBALL

Julian Barker

The Sheffield & Hallamshire County FA Women's Cup third round produced away wins without conceding in each of the three ties played on Sunday.

The highest score came in the all-tier six tie between Sheffield Wednesday and visitors Handsworth, who recorded a 10-0 victory against hosts who were below full strength due to injuries. Abby Watkinson top-scored with four goals. There was a hat-trick for Millie Kenyon, while Katie Jepson, Harriet Lloyd and Dani Pinder netted singles.

County cups have regularly been criticised for mismatches and high scores, but it is rare to see a double-figure score between two established tier six teams. Both teams were in the North East Regional League last season when Handsworth won all three meetings, the last of which was by a 9-1 margin.

Doncaster Rovers Belles made it five games in a row, all without conceding a goal, as they safely came through a banana-skin tie against Huddersfield Town Development, winning 3-0. All the goals came before the interval. Imogen Burnely opened the scoring just after the midway point of the first half, whose closing minutes produced well-taken goals for Betty Cheetham and Bradie Wild.

Barnsley Women Reserves emerged with credit despite being beaten 5-0 by Rotherham United, who play two tiers higher. Recent signing Maisie Everitt netted for the second game running with the opener after 18 minutes. Hannah McWilliams doubled the advantage just past the hour, Eden Hinchliffe made it 3-0 on 71 minutes, and both Hinchliffe and Stacey Buxton scored in quick succession in the last ten minutes.

The SJR Worksop v Millmoor Juniors tie is scheduled for this Sunday. SJR's Women's FA Cup tie at home to Halifax FC took precedence last Sunday. SJR, in the second round proper for the first time, were unable to cause an upset against their tier four opponents, who ran out 11-0 winners. Chesterfield were narrowly beaten 2-1 at home by fellow FA Women's National League Division One Midlands outfit Leafield Athletic. The only local representation is now WSL 2 side Sheffield United, who were exempt until the third round proper, where they have been paired at home to fellow tier two side Burnley.

Regional games were much reduced because of County Cup ties. Two unbeaten teams met in East Midlands League Division One North, and it was leaders Staveley Miners Welfare who prevailed thanks to a second-half goal by Megan Martin at YP Women.

Rossington Main recorded the season's highest score in the North East League Southern Division when they finished 12-1 home winners over bottom side Cleethorpes Town. Lauren Breen bagged a hat-trick for the second week running. Amy O'Brien was also a hat-trick scorer, while the other six goals were netted by Lily Robinson (2), Chloe Dean, Alice Linsell, Scarlet Oldridge and Aleks Williams. Victory lifted Rossington two places to fifth, as well as making them the division's top-scoring team with 30 goals.

Sheffield & Hallamshire Women's County League Division One leaders Stocksbridge Park Steels lost for the second week running. Bethan Fowler put Handsworth ahead, but Stocksbridge hit back to lead 2-1 thanks to a brace from Jenna McGee. Brooke Tully scored twice in the game's final quarter to secure a home win.

Brodsworth Main, who did not begin their league campaign until October, extended their unbeaten start to four games in style, winning 6-1 at Frickley Athletic. Laura Ferguson scored four times, twice in either half. Holly Findlay netted Brodsworth's third goal and Jodie Clarkson their fifth.

Rotherham United Under-23s, for whom Chloe Bokwala and Ruby Draper scored, were 2-0 home winners over Barnsley FC Ladies a week after the latter had won the meeting between the pair on the Oakwell Academy complex. Millmoor Juniors were 3-0 home winners over Staveley Miners Welfare Under-23s. All the goals came in the second half with a brace by the experienced Codi Melia on her debut after moving from Oughtibridge sandwiching one by Lacey Simmons.

Division Two leaders SJR Worksop Community dropped their first points when drawing 3-3 at home to Parkgate. Second-placed Brinsworth Whitehill are now just a point behind after recording their third double-figure victory of the season, 12-0 at home to second-bottom Dearne & District. That took Brinsworth's goals tally to 60 from nine games, 21 more than SJR have scored, and the leading duo's combined tally of 99 is one more than that of the other eight teams combined. Caitlin Cooper scored another five goals to take her tally to 30. Team-mate Emilia Foord bagged a hat-trick to take her tally to 11, and they are the division's only players in double figures. Hannah Barden (2) and Jess Ranieri were also on target for Brinsworth.

Sheffield Wednesday Reserves kept the pressure on the top two thanks to their sixth successive win, 5-0 at Kiveton Park, where Mika Russell (2), Sheridan Betts and Philippa Waite added to Wednesday's early opener by Imogen Harrison-Devereux.

Penistone Church drew 2-2 at home to Charnock Ridgeway, with Macy Jones and Millee Stephenson respectively scoring once in either half.

Sheffield Wednesday Development stay three points clear at the top of Division Three thanks to a late goal from Megan Hammond, which broke the deadlock at home to Chancet Wood. Millie Lee bagged a hat-trick, along with singles from Liv Fields and Beth Marshall, as second-placed Brinsworth Whitehill Development maintained their challenge with a 5-1 home win over Dronfield Town Development, whose consolation was scored by Aiyanna Flower.

Michaela Parkinson, Bobbie Tonks and Shannon Workman were on target for Brampton United, who won 3-0 at Wickersley Youth.

Barnsley Women Under-21s belied their pre-match bottom-place position to register their first victory in style, beating third-placed Kiveton Park Reserves 7-3. Niamh Birley bagged a hat-trick, along with goals from Kacey Ayling (2), Beatrix Potter and Zara Salt for Barnsley, who had

scored just five goals in six games beforehand. Mikayla Harper (2) and Sophie Ibberson were on target for Kiveton.

Isabelle Hutchison (2) and Ruby Burke were on target for Scawthorpe Scorpions, who were 3-1 home winners over Sheffield Medics, for whom Cheryl Obinwa, Division Four's top scorer, netted to take her tally for the season to 16.

Tiannah Muscroft bagged a hat-trick, including the game's last goal, as West End Terriers won 3-2 at New Lodge, for whom Steph Marsland opened the scoring and Shelby Graham levelled at 2-2.

Cerys Hoxworth (2) and Tounsia Bouchiba were on target for bottom side FURD (Football Unites, Racism Divides) in their 6-3 home defeat to Frickley Athletic 2nd XI.

Division Five leaders Rossington FC proved too strong for bottom side Treeton Terriers, winning 7-2 to take their goals tally to 48 in nine games. Summer Pearson bagged a hat-trick, with Katie Paton (2), Nat Bradley and Katie Clarke also on target. Bramley Stingers stay second, 12 points behind, after recording a 3-0 home win over Kinsley Ladies. Lily Mills netted twice after Jodie Snelson's early goal.

There were mixed fortunes for local teams in last week's British Universities and Colleges Sport. Hallam 2s won 3-1 away to Edge Hill 1s thanks to goals by Gracie Edge, Gracie King and Caitlin Mee. The win was all the more savoured with Harriet Ward playing in the unaccustomed role of goalkeeper. Hallam 3s crashed 5-0 at home to Liverpool John Moores 2s. Livvi Bennett 2, Daisy Moore 2 and Emily Pickard netted for University of Sheffield 1s who won 5-0 at York 2s, while the 2s were beaten 4-0 by Liverpool John Moores 1s.

After over 10 years playing for Oughtibridge War Memorial for whom she was a frequent scorer, Codi Melia has moved to Millmoor Juniors where she marked her debut with two goals in the 3-0 home win over Staveley Miners Welfare Under-23s.

Titans Learn Hard Lesson As Knights Stumble

CHAMP RUGBY

A week after producing one of the results of the Championship season, both of South Yorkshire's clubs came back down to earth as Rotherham Titans and Doncaster Knights suffered disappointing defeats.

For Rotherham, the frustration was perhaps greater.

Having shown tremendous character to win at Nottingham the previous weekend, Harvey Biljon's side looked on course for another important victory before Hartpury struck a decisive late blow to leave Clifton Lane with a 32-26 success.

It was the latest reminder of how fine the margins can be in Championship rugby.

The Titans could hardly have started better.

Ben Cambriani crossed first before Epi Rokodrava added a second as Rotherham raced into a 12-0 lead and looked capable of producing another statement performance.

However, Hartpury gradually wrestled back control.

The visitors reduced the deficit through a Taite Fortey penalty before tries from Ollie Allsopp and Will Crane turned the contest on its head. When Pete Paramore crossed shortly after half-time, Rotherham suddenly found themselves trailing 20-12.

Bedford v Doncaster Knights

Just as they have done throughout this impressive campaign, the Titans responded.

John Okafor powered his way over before Morgan Veness finished from the back of a driving maul. Lloyd Hayes maintained his flawless afternoon from the tee and suddenly Rotherham had turned the game around to lead 26-20.

With little more than ten minutes remaining, another famous Clifton Lane victory looked within reach.

Hartpury, though, had other ideas.

Jay Evans crossed to edge the visitors back in front before replacement Totoa Auvaa forced his way over in injury time to settle a gripping contest and silence the home support.

The losing bonus point at least ensured Rotherham had something to show for their efforts, but Biljon was keen to stress that his players must focus on standards rather than league positions.

"I think it's moments and that's what we're finding out; we've had a couple go our way this season and we've had a couple not go our way," he said.

"I think the most important thing that should come through is don't look at the league table, concentrate on performance."

The Titans boss also pointed to the unpredictable nature of the division.

"We saw it last week when Richmond beat Pirates; we've seen it this week with Hartpury beating us and I think our players need to focus on ourselves and our own team group, rather than the noise outside and around the place.

"It's a big moment for us in the season, but at the same time we've come away with a point and with the new system every point counts."

Despite the disappointment, the bigger picture remains extremely positive. A newly-promoted side sitting comfortably in the top half of the table remains one of the stories of the Championship season.

Doncaster Knights endured a difficult afternoon at Bedford Blues as the home side's expansive style proved too much for them in a 48-26 defeat.

Bedford, beaten finalists last season, demonstrated exactly why they remain among the Championship's most entertaining and dangerous teams.

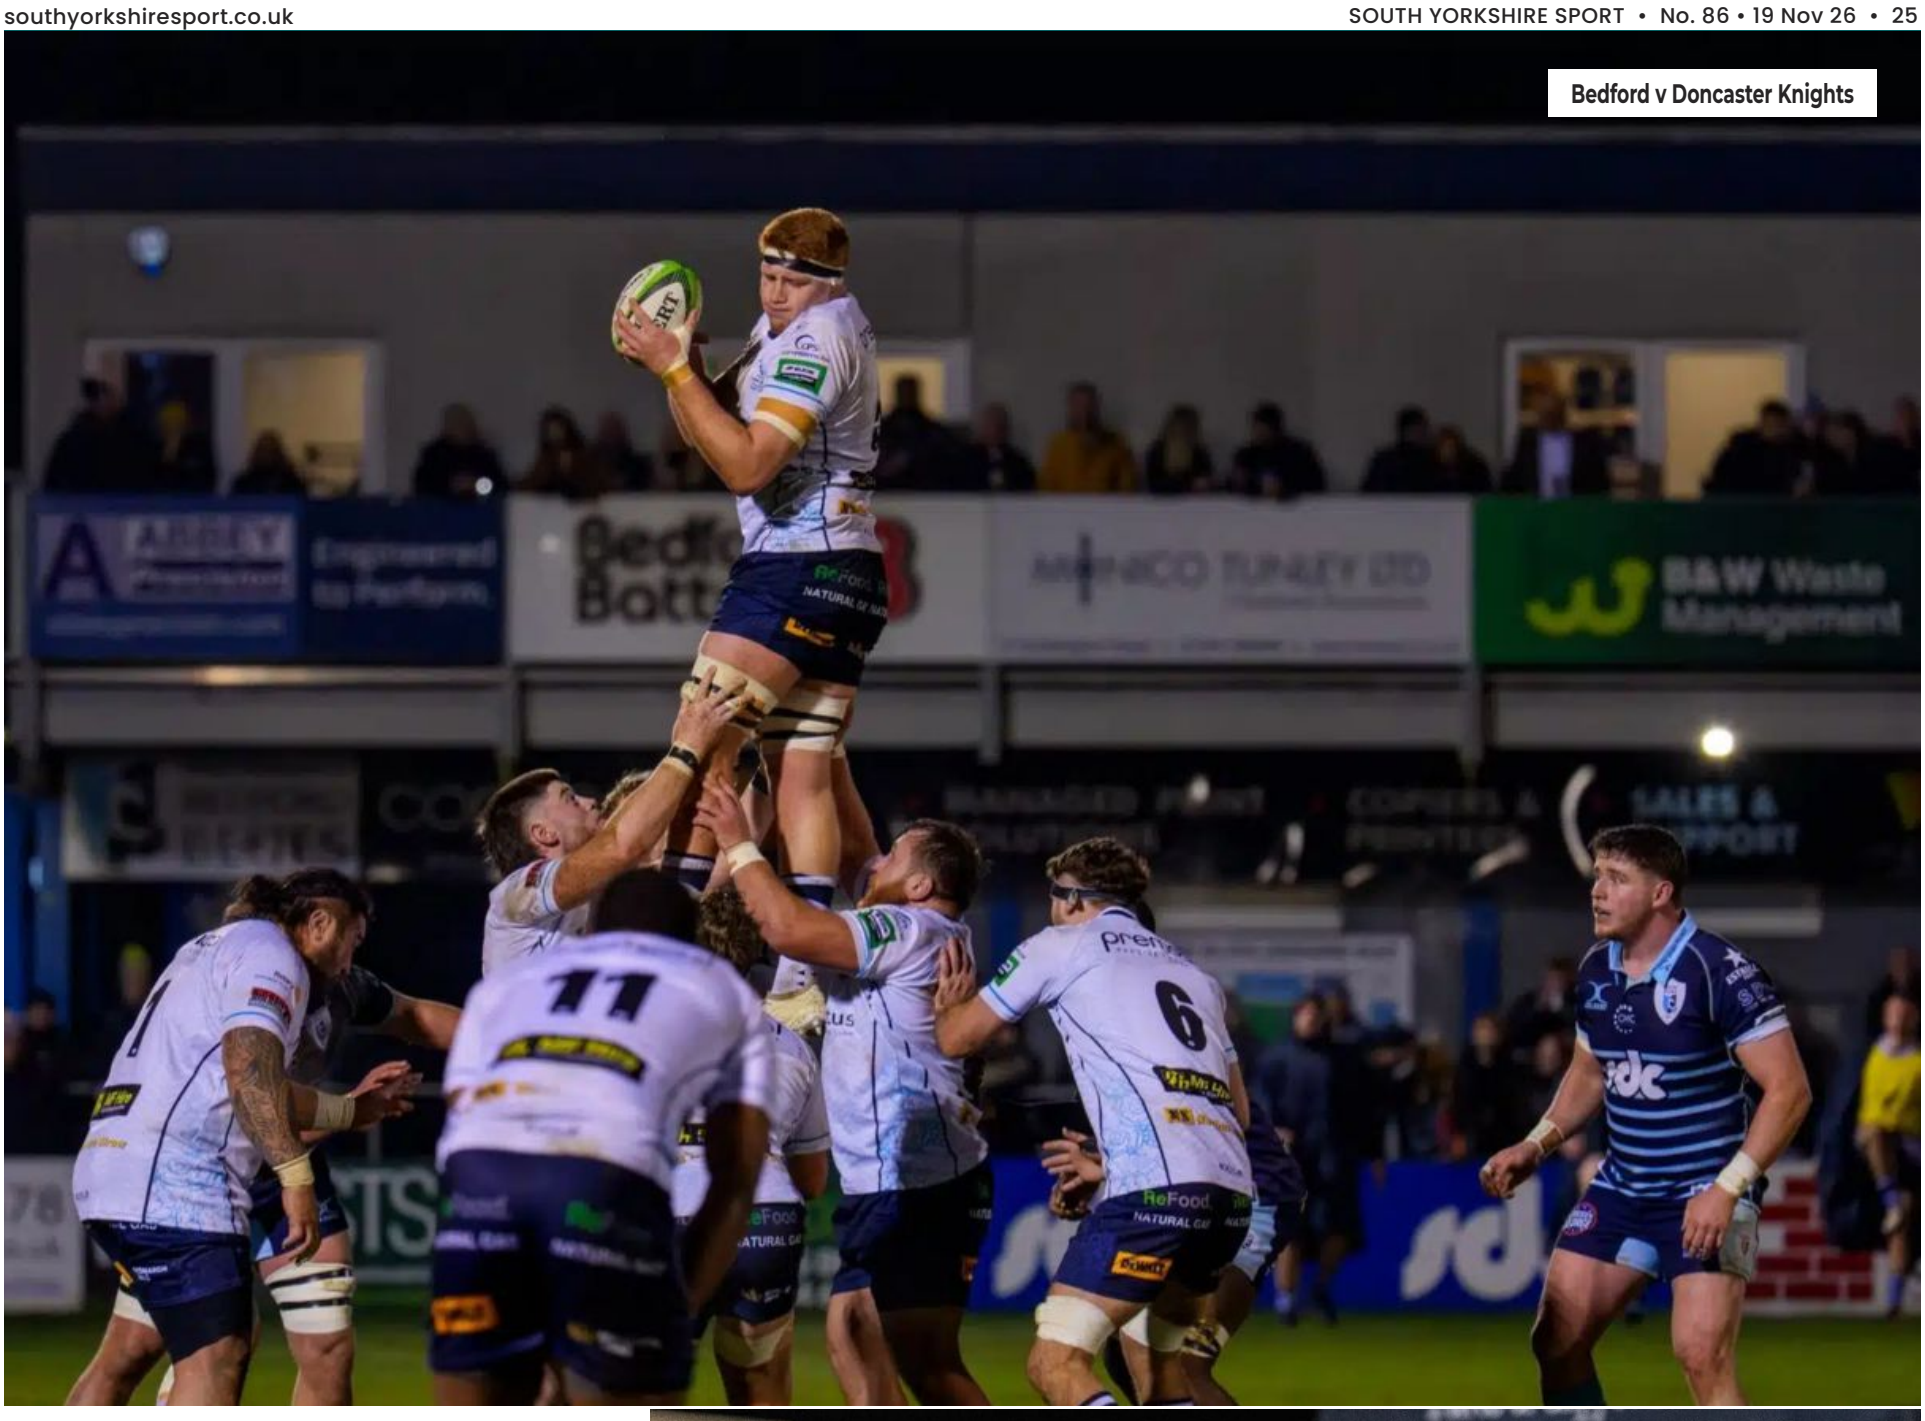

The hosts raced into a 19-0 lead through a combination of quick handling and relentless

attacking pressure before the ever-reliable Penaia Tagutu gave Doncaster hope with a sensational solo try from more than halfway.

Tom Curtis added the conversion and later kicked superbly from the touchline after Ben Sugars crossed from a maul as the Knights stayed in contention.

But Bedford's ability to keep the ball alive repeatedly caused problems and by half-time the hosts had established a 29-14 advantage.

Any hopes of a comeback were quickly extinguished after the break as Bedford added two more tries to extend their lead.

To Doncaster's credit, they refused to give in.

Replacement hooker Nathan Langdon emerged from the bench to score twice from driving mauls late in the contest, ensuring the scoreline looked more respectable than it might have done earlier in the afternoon.

While the result was disappointing, there were again positive signs in attack. Tagutu continues to be one of the Championship's most dangerous finishers, while Curtis once again impressed with his kicking accuracy.

Elsewhere in the Championship, Worcester Warriors strengthened their position near the top of the table, while Ealing Trailfinders, Hartpury and Cornish Pirates all continued to push for play-off positions. The division remains incredibly tight behind the leaders, with only a handful of points separating several clubs in the race for the top six.

This weekend provides an immediate opportunity for both South Yorkshire clubs to respond.

Rotherham face another difficult challenge with a trip to ambitious Ealing Trailfinders, one of the league's full-time outfits and title contenders. It will be another significant test of the Titans' credentials and a chance to show they can bounce back from disappointment.

Doncaster return to Castle Park where they welcome Chinnor. After successive defeats, Dean Richards' side will see the fixture as an opportunity to get back to winning ways and reignite their push towards the upper half of the table.

Both clubs have shown throughout the season that setbacks do not linger for long.

The coming weekend will reveal whether they can do it once again.

National League Rugby

It was another frustrating weekend for Sheffield's National League clubs as both suffered defeats despite producing passages of rugby that suggested better results were within reach.

For Sheffield RUFC, a thrilling contest against Dings Crusaders ended in a 43-38 defeat at Abbeydale Park, a result that left the home side reflecting on what might have been.

The build-up had once again been dominated by team changes. Injuries continue to disrupt selection and there were further alterations to the side that had competed well at Sale. George Castledine returned to full-back, Barney Goatley came back into midfield, while Will Henshaw returned at openside flanker. Harry Peckett was also handed a place on the bench for his club debut.

There was little indication of what was to come as Sheffield made an outstanding start.

George Rogers crossed for the opening try before Rhodri Campbell added a second. Josh Redfern then powered over as Sheffield established a commanding position against one of the division's strongest attacking sides.

Although Dings responded through Matt Bennett, Sheffield continued to ask questions of the visitors' defence and Chris Hooper crossed before the break to help establish a 28-17 half-time lead.

With Callum Posa converting all four first-half tries, Sheffield looked firmly in control.

Things improved further shortly after the restart.

Hooper grabbed his second try of the afternoon to stretch the lead to 33-17 and at that stage the hosts appeared well placed to record one of their most significant victories of the campaign.

Instead, the match swung dramatically.

Discipline became a major factor as Sheffield collected yellow cards for Pete Hudson-Kowalewicz, Jack Delaney and George Castledine. Although Dings also lost Tommy Foot to the sin-bin following an incident involving Delaney, the visitors capitalised far more effectively on the disruption.

Foot crossed to reduce the deficit before Glen Gammell added another converted score to bring Dings back within two points at 33-31.

Credit must go to Sheffield for responding positively.

Hudson-Kowalewicz crossed for what looked a crucial score, giving the hosts a 38-31 advantage entering the final quarter.

Unfortunately, the lead lasted barely a minute.

Will Papp crossed for Dings and Gammell converted to level matters at 38-38, leaving the contest finely balanced.

Sheffield threw everything at the visitors but another period with reduced numbers left them under sustained pressure. The decisive moment arrived with three minutes remaining when replacement winger Harry Rowson crossed in the corner.

The conversion was missed, but Dings had their noses in front and managed to see out the closing stages to secure a 43-38 victory.

For Sheffield, it was another painful lesson at National One level.

Scoring six tries and 38 points should normally be enough to win a rugby match. Instead, defensive lapses and a costly loss of discipline allowed a match they had controlled for long periods to slip from their grasp.

Elsewhere, Sheffield Tigers saw their four-

match winning streak brought to an end with a 22-14 defeat away at Preston Grasshoppers.

The Tigers travelled to Lancashire in excellent form following consecutive victories over Wharfedale, Chester, Otley and Billingham, and they showed plenty of confidence during the first half.

Despite Preston opening the scoring, Tigers hit back through Miles Dodsworth and Ben Crowe. Tom O'Brien converted both tries and the visitors reached half-time leading 14-10.

However, Preston's forward power gradually became the decisive factor.

The hosts regained the lead early in the second half before a further converted try extended their advantage. Tigers battled hard throughout the closing stages but were unable to find a route back into the contest and ultimately saw their winning run brought to an end.

Even so, there remains plenty of positivity around Dore Moor.

A month ago Tigers were looking over their shoulders towards the bottom of the table. Now they sit comfortably in mid-table after one of the best runs of form in National League Two North.

This weekend presents another stern test for both clubs.

Sheffield RUFC return to Abbeydale Park where promotion-chasing Rams provide the opposition. Rams have established themselves as one of the leading sides in National One and will arrive in South Yorkshire with genuine ambitions of challenging near the top. Sheffield have shown repeatedly that they possess the attacking quality to trouble any side in the division, but reducing the number of points conceded remains the key challenge.

Sheffield Tigers are also back on home soil as they welcome Hull Ionians to Dore Moor. After seeing their winning run ended at Preston, Tigers will be eager to return to winning ways immediately. Hull Ionians have struggled for consistency this season and the hosts will view the fixture as a good opportunity to continue their climb up the National League Two North table.

For both Sheffield clubs, the objectives are clear.

Sheffield RUFC need to convert exciting performances into results, while Tigers must prove their recent resurgence is no temporary spark.

The coming weekend should provide another useful indication of how far both sides have progressed.

Sheffield Women Extend Lead, Men Shock Leaders

SHEFFIELD HOCKEY CLUB

Andrew Pettigrew

At the start of Saturday 14 November Sheffield Hockey Club's Men's and Women's 1st teams faced daunting tasks.

The Sheffield Women's first team who had been at the top of the Yorkshire & North-east Premier Division for many weeks were, facing second place Stokesley at Abbeydale Sports Club on 14 November, starting at 3.00 p.m.

Stokesley who were two points behind at the start of the game, were facing the toughest task of their season to date, and for the Middlesborough-based team only a win would do.

For Sheffield, who had drawn their first match of the season against Doncaster and since then had won the next seven matches would want to win against Stokesley, but should they lose, they had a game in hand over Stokesley and had a +13-goal difference compared to Stokesley's +5. If Sheffield did lose, they would remain top of the table on goal difference.

On Saturday 21 November Sheffield travel away to Sheffield University Bankers 1s, before they face another tough match at home against third place Newcastle University 2s on Saturday 28 November to end the first half of the season Sheffield travel away to fourth place Doncaster.

In the space of four weeks Sheffield from 14 November to 5 December Sheffield face the teams in second to fourth place and their intention is to win all three games before having a welcome break before the league resumes on Saturday 9 January with a home match against Durham University 4.

Sheffield began their game against Stokesley without four of their regular players and took the chance to move aspiring players up from the 2nd team and after about 10 minutes the team settled down to their usual style.

It was Stokesley who had the first proper attack and good pressure in the circle led to a penalty corner. Their leading scorer, Nicola Hodgson, hit a rasping shot that went just wide of the right-hand post.

After this Sheffield got their act together and a period of play in the Stokesley half led to two penalty corners but no goals.

In the second quarter continued their attacks and eight minutes in Alysha Ferreira coming in towards the goal at an angle, took the ball round the Stokesley keeper, but just failed to put the ball in the net.

The home side won another penalty corner three minutes later and when the ball hit a Stokesley foot on the goal line and a penalty stroke was awarded on 29 minutes.

Emma Walker stepped up to take the stroke that was saved by the goalkeeper. Unfortunately for Stokesley, the keeper had moved off the goal line just before the Sheffield striker had flicked the ball towards the goal. The penalty stroke had to be replayed because the keeper had moved before the ball was struck and this time Emma Walker made no mistake flicking the ball into the goal.

Soon after the goal was scored Stokesley's No. 10 was awarded 2-minute green-card suspension for backchat to the umpire, and as she continued the backchat after the green-card was award the penalty was upgraded to a five-minute yellow-card suspension.

After a good half-time talk by Coach James Ross Sheffield took to the field and were soon in the Stokesley circle where Alysha Ferreira took full advantage taking the ball past two defenders and finished by a hard shot into the back of the net. 2-0 Sheffield.

The large crowd only had to wait another three minutes before a second penalty stroke was awarded to Sheffield when the Stokesley goalkeeper went to ground saving a goal but unfortunately her sliding tackle carried on sliding after contact with ball and she upended a Sheffield forward.

Sliding tackles in the circle made by a goalkeeper that take the ball and carry on to take out a player is a dangerous manoeuvre. Any player carrying out a dangerous tackle like this will always receive a 10-minute yellow-card suspension and in this case as it was the goalkeeper who made a dangerous tackle in the circle and was suspended for 10-mintues. A penalty stroke was awarded.

As Stokesley did not have a substitute kitted-up goalkeeper on the bench an outfield player would have to go in goal for the penalty stroke, but they would not be allowed to wear any goalkeeping protective kit but could only wear a protective 'outfield' player's mask.

Suffice to say Sheffield did score their second penalty stroke of the game ably taken by Lulu Morrison-Parry. Sheffield 3-0.

The Stokesley keeper was due to return to the field of play after her 10-minute suspension, but the team decided to return the goalkeeper to the field of play and instead substituted the goalkeeper for an outfield player as at 3-0 down and with about 15-minutes of the game left to go they felt it was better to have 11-outfield players and at 3-0 down it may give them a chance to get something out of the game.

It also meant that if Sheffield could get the ball into the Stokesley a circle without a goalkeeper it should, theoretically, be easier to score.

Two-minutes into the fourth quarter Sheffield did score again when Sheffield's leading goal scorer, Scarlott Doxey, did score Sheffield's 4th goal.

Stokesley were a rejuvenated team in the fourth quarter, playing with a determination not really seen during the earlier parts of the game and they did pressure the Sheffield defence.

With five minute to go Stokesley did get on the score sheet when they were awarded a penalty stroke, scored by Nicola Hodgson.

Sheffield's stand-in players all played well in the game and showed that as a club Sheffield

do have strength in depth and this victory against the second-place team in the division shows just what a strong team they have developed into despite being relegated from last season's national league.

When results came in from other games in the division there was more good news for Sheffield. Third-place Newcastle University 2s unexpectedly lost 1-0 at third-from-bottom Leeds University 2s.

1: Sheffield are top P9 25pts GD+20; 2: Stokesley P10 20pts GD +6; 3 Newcastle University 2: P9, 19pts, GD +14; 4: Doncaster P9 17pts, GD +7.

SHEFFIELD HC MEN'S 1st TEAM on Sunday 31 October Sheffield were disappointed to lose 2-1 at home to Sheffield University Bankers when Bankers scored an overtime penalty corner goal.

The following week on Sunday 8 November Sheffield came away with three points from a 4-1 over Durham University 2s in Durham.

Last Sunday (15 November) Sheffield travelled to EHL Men's North Conference leaders Lindum and came home with an unexpected 3-2 victory over Lindum who last season were playing one division higher in EHL Men' Division 1 North.

Sam Dixon scored a 16th minute penalty corner for Lindum in the first quarter and Sheffield had to wait until the 45th minute in the third quarter when Rory Simons replied with a penalty corner goal.

In the fourth quarter Sheffield got into their stride with first Edward Dyde scoring in open play on 60 minutes and then Max Sanchez scored Sheffield's 3rd from a penalty corner. 3-1 Sheffield.

The next action was when Sheffield's Raoul Patel received a 5-minute yellow-card suspension and he returned to the pitch just in time for Jacob Barnes to score Lindum's second goal in the 70th minute.

This was Lindum's first loss of the season, and they remain in first place 1: P8, 19pts, GD +11; 2: Deeside Ramblers P8, 15pts, GD +8; 3 SHEFFIELD P8, 15pts, GD +4.

Doncaster travel to Sheffield on 22 November (2.00 p.m.). Sheffield will be looking forward to this match after rising to third place through their good run of form this season.

Doncaster meanwhile have had meagre pickings with only two draws against Bankers and Didsbury Northern until the start of November when it all changed.

Their first win of the season was against Brooklands Manchester University 2s whom they beat 3-0. The University who were promoted up to the North Conference last season have lost all eight of their fixtures to date.

Doncaster's second win came last week when they beat Neston 3-1, a game which Matt Gibson found the net with two penalty corner goals, although the team did accrue four yellow cards and one green.

Doncaster's wins will probably add a spark that had been lacking in the side and will serve to liven up the annual bash at Abbeydale Sports Club on Sunday.

Sheffield will be looking for another win to maintain their top end challenge and with Sheffield's last opponents before the Christmas break, Deeside Ramblers, travelling to Didsbury Northern a Sheffield and Didsbury win next Sunday Could push Sheffield up into second-place in the division.

Miners March Into Last 16

THE MINERS DONCASTER
Agnieszka Świstowska

The Miners Doncaster Ladies extended their encouraging run of form by booking a place in the last 16 of the National Shield with a 3-1 victory over Chester on Saturday.

Fresh from securing their first National Volleyball League Division 2 win of the season the previous weekend, the Doncaster side produced another composed display to overcome their Division 3 opponents and continue their cup campaign.

Although Chester tested the visitors with a series of lengthy rallies, the Miners remained in control throughout and took the opportunity to experiment with different combinations. Several players filled unfamiliar roles, including operating without a recognised libero, yet the team's performance rarely dipped.

Coach Jozef Pecovsky was delighted with how his squad responded to the challenge.

"I couldn't be prouder of the girls' attitude and willingness to adapt today," he said. "Having to play without a libero meant our middle player had to step up and fill that position, and across the four sets we had to use several players in different positions.

"Despite all the changes, everyone stuck to the strategy and delivered it when it mattered. Backing up our league win over Leeds Gorse with another strong performance in the Shield is a massive boost, and being able to rotate the squad to give everyone court time makes it an all-round fantastic team effort."

The cup tie also provided an opportunity to give valuable minutes to new setter Izzy Charles, who enjoyed making her contribution to another Miners victory.

"I think it was a really fun game and everyone played well," she said. "We know where we need to improve for future games and we'll train to do that."

Having reached the National Shield semi-finals in previous seasons, the Miners will now hope to enjoy another deep run in the competition while continuing their progress in Division 2.

Attention now turns to a local derby this weekend when the Doncaster club host Sheffield at Campsmount Academy on Saturday. First serve is scheduled for 11.30am as the Miners look to carry their growing momentum into another important test.

Stars Defy Upheaval to Retain Fours Crown

SHEFFIELD STARS

Robert Mawhood

Sheffield Stars entered the 2026 season defending five titles won during the 2025 season.

Sheffield had won the Northern League Division One and Two, the Northern KO Cup, the Northern Fours League and the Yorkshire League.

As the 2026 season closed Sheffield had managed to hold onto just one title, the Northern Fours League. Sheffield Stars used ten different riders over the five fixtures, one less than 2026 due to issues with the Stockport track (the local council unable to fix damage caused to the changing and toilet facilities at the Webb Lane track).

Round One was on the opening day of the season at Heckmondwike. Sheffield won on the day, with second placed Hull five points behind. Leon Wild started with an unbeaten 16 point score, sadly he retired from racing shortly after.

Round Two was at Hull at the end of March, when Sheffield dominated the meeting returning the highest winning score of the season. The 60 points achieved was just four points short of the maximum possible. Pawel Idziorek, Ed Morton and Oliver Banyard all rode unbeaten by an opponent. Hull were again the second placed team, this time fourteen points behind.

By the time Round Three came around, at Astley and Tyldesley in September, there had been a number of changes for Sheffield. Three of the top four riders were now absent from the Sheffield lineup. Both Leon Wild and Aiden Owen had retired from racing and Stars number one Ed Morton had been loaned to Astley and Tyldesley for the season, to cover for the sad death of Astley stalwart Steve Harris.

The much changed Sheffield team battled to second place with 44 points, Oliver Banyard top scorer with 15. Bury Comets won the round, finishing 11 points clear of Sheffield.

Round four was at Bury, the home team again scoring 55 points to win the round. Sheffield amassed 49 points for second place, Kielan Burton top scorer with 15. Bury had narrowed Sheffield Stars lead to just two points.

Round five at Stockport was cancelled leaving the final fixture, Round Six at Sheffield as the League decider. Sheffield won the Round with 49 points, Oliver Banyard top scorer with 14. Bury Comets slipped to a third place finish behind an Ed Morton inspired Astley and Tyldesley. The result saw Sheffield defend the title they won for the first time in 2025.

Sheffield's top three scorers were Kielan Burton (62), Oliver Banyard (56) and Matt Parrott (38). Kielan Burton was the only Stars rider to race all five fixtures.

Attached are photos of the high scoring winning team at Hull and the title winning team at Sheffield, with the winning trophy.
