

The two standing on the trail

지은이: 편재현

About the Author

**HELLO my name is
pyeonjaehyeon.**

**I'm a first-year middle
school student.**

**I like reading books,
listening to music and
playing games**

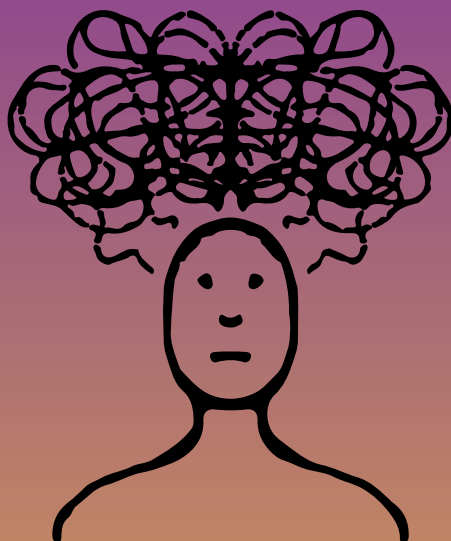

**Jaehwan has one loyal
friend he can always
count on.**

**His friend's name
is Yujun. Jaehwan
and Yujun play
together every
single day.**

One day, while they were
playing together as usual,
Jaehwan began to worry
about something.

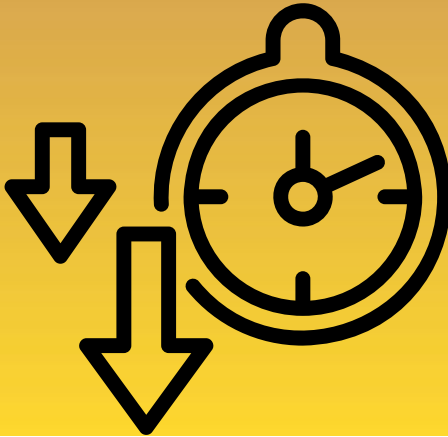

Jaehwan noticed that sometimes the things Yujun said and the way he acted didn't quite match his own personality.

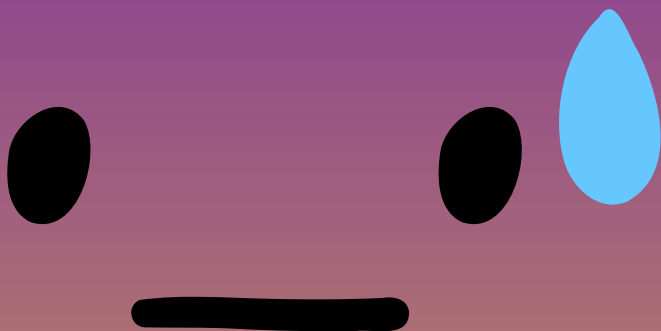

In the end, Jaehwan slowly spent less and less time with Yujun and started playing with other friends instead.

**Little by little, Yujun
began to realize that
Jaehwan was avoiding
him.**

Then one day, when they ran into each other in the hallway, they both felt so awkward that they quietly looked away and walked past each other.

**One day, Yujun gathered
his courage and asked
Jaehwan if they could talk.**

But as they talked, they disagreed and ended up arguing. In the end, they decided not to see each other for a while and went their separate ways.

**But as the days went by,
they both began to feel
each other's absence. Deep
inside, they both felt
lonely.**

**One day after school,
Jaehwan found a quiet
walking path.**

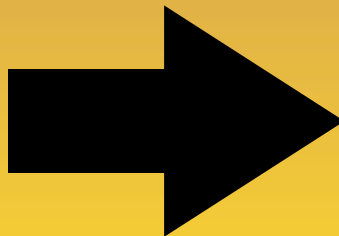

**As he walked along the
path, Jaehwan quietly
drifted into his
thoughts.**

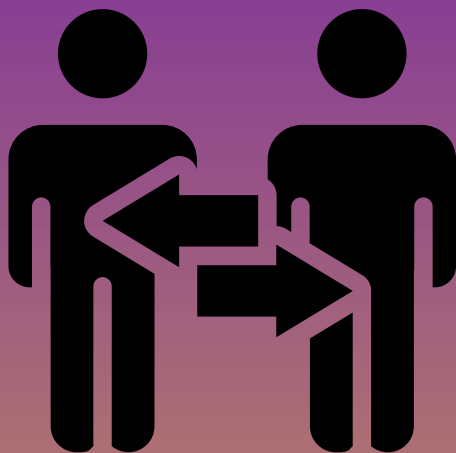

**Then, from far away,
Jaehwan saw Yujun
walking toward him. He
stopped for a moment,
surprised.**

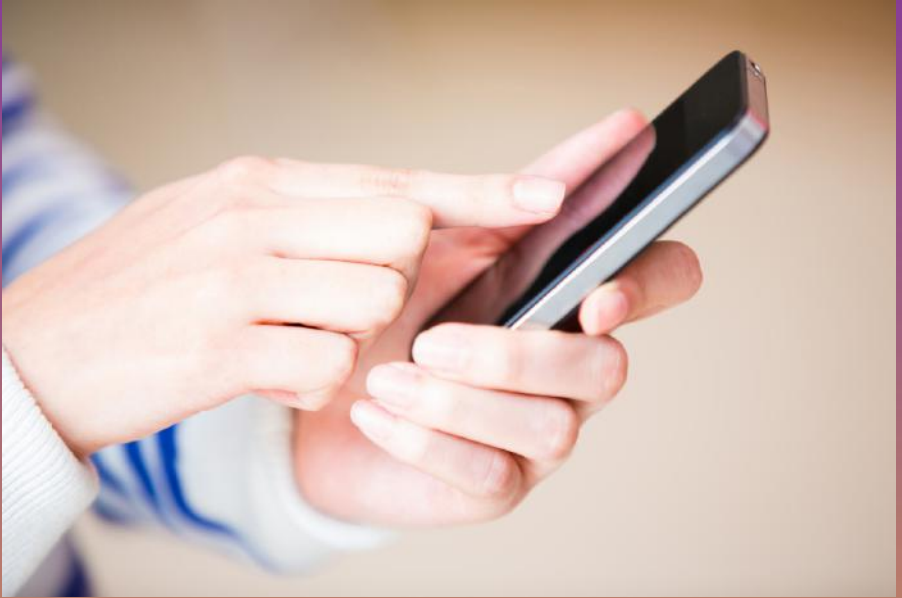

**While Jaehwan stood
still, Yujun quietly
walked past him
without saying a word.**

Jaehwan had a feeling that if things stayed like this, the distance between them would only grow even bigger.

**So Jaehwan sent
Yujun a message,
asking him to meet at
the walking path.**

**And the next day,
the two of them met
at the walking path.**

**They listened to each other
with all their hearts, truly
trying to understand one
another's feelings and
thoughts.**

They cleared up their misunderstandings and promised to do better, making up with each other at last.

In that way, Jaehwan and Yujun became the people who understood each other better than anyone else.

**And so, this
story came to an
end.**
