Policies

Decorating

You can decorate to suit your taste beginning at 9:00 AM the day of the event (Note you may come earlier in the morning for an additional fee). You may use existing hooks in the wall but not use any other pins, nails, screws, or other hardware to hang objects. Adhesives that could remove the paint is also prohibited. Glitter or confetti is discouraged, unless you can keep it well contained and clean it up afterward. Contained candles are permitted. Options are available to decorate the day prior. You may also want to consider our preferred decorator, Oak Hollow Designs.

Payments & Cancellation

To book the venue, we require a signed contract with 25% of the total costs due in 5 business days. The second payment of 50% is due six months prior to the event. The final 25% is due one month prior to the event. There is no additional fee to pay with a credit card. Discounts are available if you pay in-full upfront. In the event of a cancellation of your wedding, the following cancellation fees will be charged against your contract total: Cancel more than 18 months before the event: $600 fee. Cancel between 6 months and 18 months before the event: 25% cancel fee. Cancel between 1 month and 6 months before the event: 75% cancel fee. Cancel 29 days or less: 100% cancel fee but security deposit will be refunded. You may cancel the fire pit on the day of your event because of weather for a 50% cancel fee of fire pit value.

Food & Beverage

You may choose any caterer or use our in-house caterer. Caterers must provide proof of insurance prior to the event. You are required to provide your own alcohol. Per state regulations, alcohol cannot be sold on the property as this is a BYOB facility. A bartender is required to serve all alcohol, or use our in-house bartender, with a maximum serving time of five hours. You are permitted to bring in kegs, but they must be connected into our tap system. Liquor liability insurance is required when serving alcohol; this is typically around $130, however, this insurance is included with bar packages B-E.

Rehearsal

If you have paid for a prep day, you may use that time for rehearsals and a rehearsal dinner (note an additional cleaning and linen fee may apply). If you do not have a prep day, you may opt to have a one hour rehearsal on a Tuesday or Wednesday (as available) for a $125 fee. This can be booked 3 months in advance.

Event Times

You may schedule your wedding ceremony, cocktail, and reception times as you desire. The property is all yours from 9AM through 11 PM (or other times agreed on per your contract). Note: Per township regulations, all outdoor music must be moved indoors after 10PM. We expect you to do a cursory cleanup of the property and depart by your contracted end time. You may want to consider a clean-up day if you wish to maximize your time with guests on the day of your event! Fireworks must be approved in advance and set off prior to 10PM.
