Our IPC Themes in Year 1

Term 1

Term 2

Term 3

The International Primary Curriculum (IPC)

The **International Primary Curriculum (IPC)** is an engaging, globally-minded approach to learning that connects subjects through **meaningful, thematic units**. It encourages children to make connections between their learning, develop a deeper understanding of the world around them, and become **internationally-minded learners**.

 What does IPC encompass?

 **Science**

 **Geography**

 **Design & Technology**

 **Society**

 **History**

 **Art**

 **Health & Wellbeing**

 **International Understanding**

 **English** and  **Mathematics** are taught alongside IPC units, with opportunities for children to **apply their skills in meaningful, real-world contexts**.

Developing Knowledge, Skills, & Global Understanding

Through the **IPC**, children develop knowledge and understanding while building important skills such as:

Collaboration — working effectively with others and valuing teamwork

Communication — sharing ideas, listening and expressing themselves clearly

Creativity — imagining, designing and developing new ideas

Problem-Solving — exploring challenges and finding solutions

Critical Thinking — asking questions, analysing information and making informed decisions

Developing Global Citizens

Developing Knowledge, Skills, & Global Understanding

The curriculum encourages pupils to become:

Confident — willing to have a go and share their ideas

Independent — taking responsibility for their learning

Internationally-Minded — understanding and appreciating different cultures and perspectives

Curious — asking questions and exploring the world around them

Respectful — valuing diversity and listening to different viewpoints

Parent Coffee Morning

Our **IPC Coordinator**, Mrs Sonyia Jackson, will be organising a **coffee morning for Year 1 parents** very soon.

This will be a great opportunity to learn more about the IPC, discover how it supports your child's learning, and ask any questions you may have.  

More details will be shared soon — we look forward to seeing you there!  

Schoolwide Learners Outcomes

We aim for our students to be:

Academically Successful

So that they:

- develop their full potential in all aspects of school life
- are enthusiastic, inquisitive and independent learners

- develop resilience and adaptability to be successful in their learning
- graduate with internationally recognized qualifications which enable them to attend universities around the world

Critical Thinkers

Who can:

- actively question and reflect on their own understanding
- think beyond the obvious
- evaluate the reliability of information
- use a variety of strategies to solve problems and make informed decisions

Responsible Citizens

Who can:

- look after their physical, mental and social well-being
- act with integrity, honesty and compassion
- make positive contributions to their communities and environment
- manage their time to ensure that they have a balanced and purposeful life

Effective Communicators

Who can:

- communicate clearly and confidently in more than one language
- share ideas in a variety of different ways
- collaborate effectively whilst respecting different points of view

Internationally Minded

So that they are citizens of the world who:

- accept and embrace diversity
- understand the complexity of local and global issues
- take an active interest in world events and ways in which they can make a positive contribution

Keeping Students Safe at Charter

Keeping Students Safe is Our Priority

You have the right to feel safe.

If something happens that makes you feel **worried, uncomfortable or unsafe**, tell an adult you trust. This could be your parent, your teacher, or anyone at Charter you feel comfortable talking to.

What happens when you tell us?

We will listen.

We will take you seriously.

We will help you.

Sometimes we may need to share what you tell us with another adult so that we can help keep you safe.

INTERNATIONAL SCHOOL

5 Trusted Adults

What are 5 Trusted Adults?

- A grown-up who you feel safe with and who listens to you.
- They are people you can talk to if you are **worried, sad, confused, or unsafe**.
- They will **take you seriously** and **help you get the right help**.
- 3 in school
- 2 out of school

Screen Time and Wellbeing

Meet the Teacher 2026-2027

- We are a ***phone-free*** Primary School
- The same applies to ***smart watches***
- If you need to contact your child please contact the front office or the class teacher directly.
- We aim to create a community where children can focus fully on their learning, friendships, and play.
- Importance of sleep - primary children need between 9-12 hours
- Importance of downtime, relaxation, play, and hobbies - they are critical for balanced growth, wellbeing, and lifelong learning.

A gentle reminder:

While social media can be a useful way for parents to connect, we ask that the wellbeing of all students is always respected. Discussions about individual children in parent groups can sometimes lead to misunderstandings, embarrassment, or unnecessary stress for families.

If you have a concern about another child, please share this directly with the class teacher. This ensures that the matter can be addressed appropriately, fairly, and with the best interests of all children in mind.

Thank you for your support in helping us keep our community positive, respectful, and focused on the wellbeing of every student.

Birthdays

Meet the Teacher 2026-2027

Sometimes, children like to bring in a cake or treat to help celebrate their birthday. Please communicate with me if you plan to do this, as it does take time out of the teaching day.

Please do include ingredient information (if possible) for children with allergies.

NO NUTS.

Please keep the treats simple and easy to serve / eat.
