"Let's plan systematically."

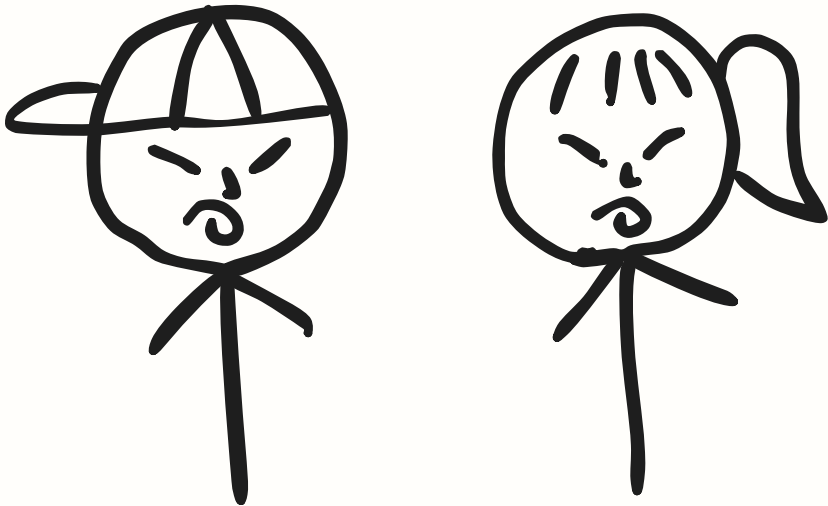

Min-joon planned it out.

"I think it's better to be
creative"

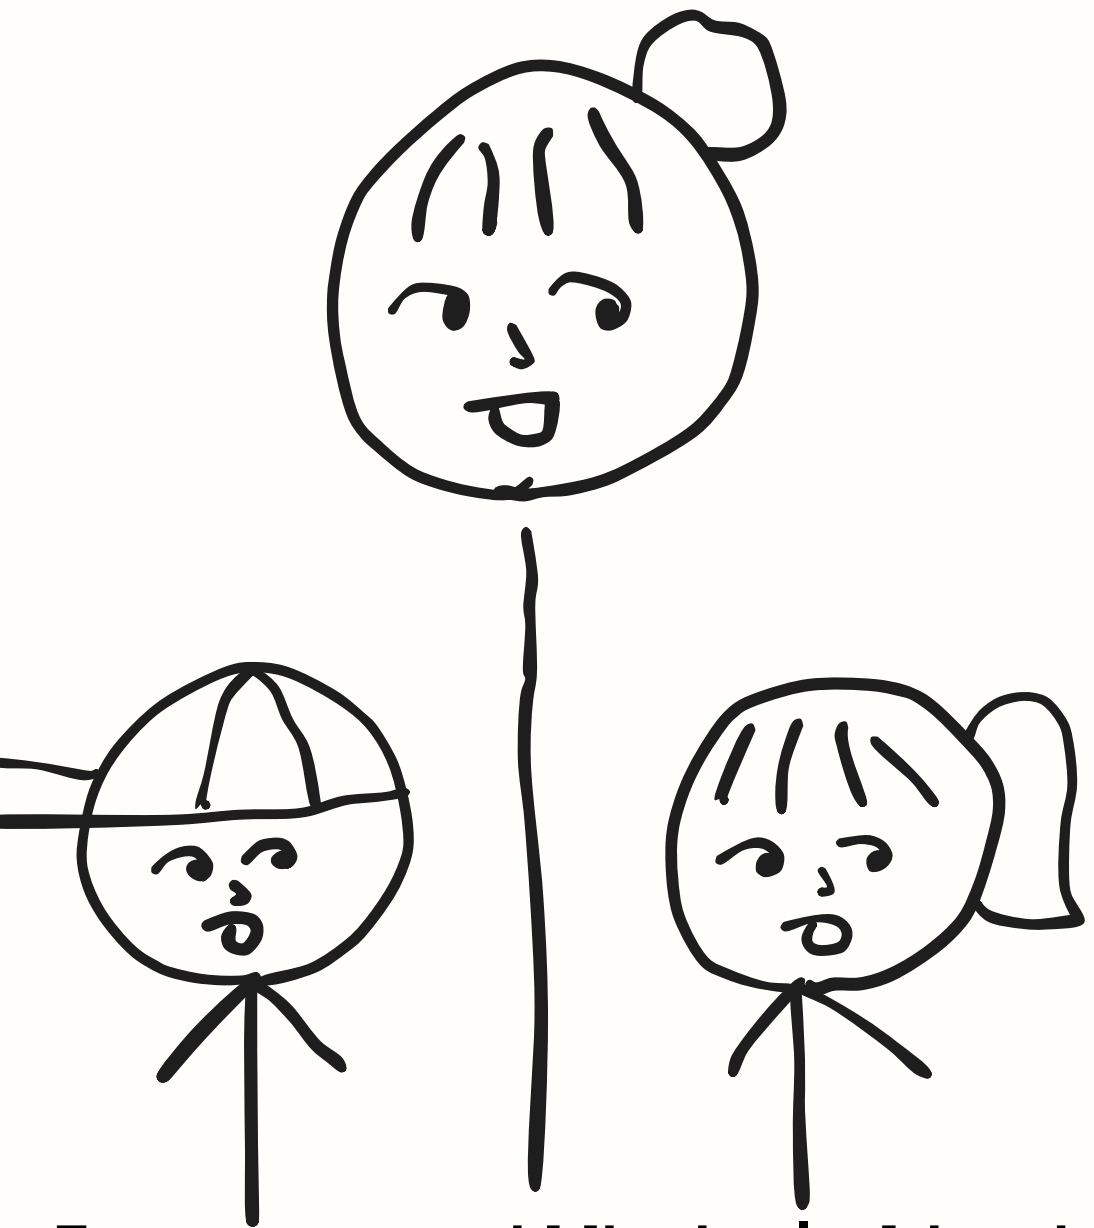

Seoyeon made plans
creatively.

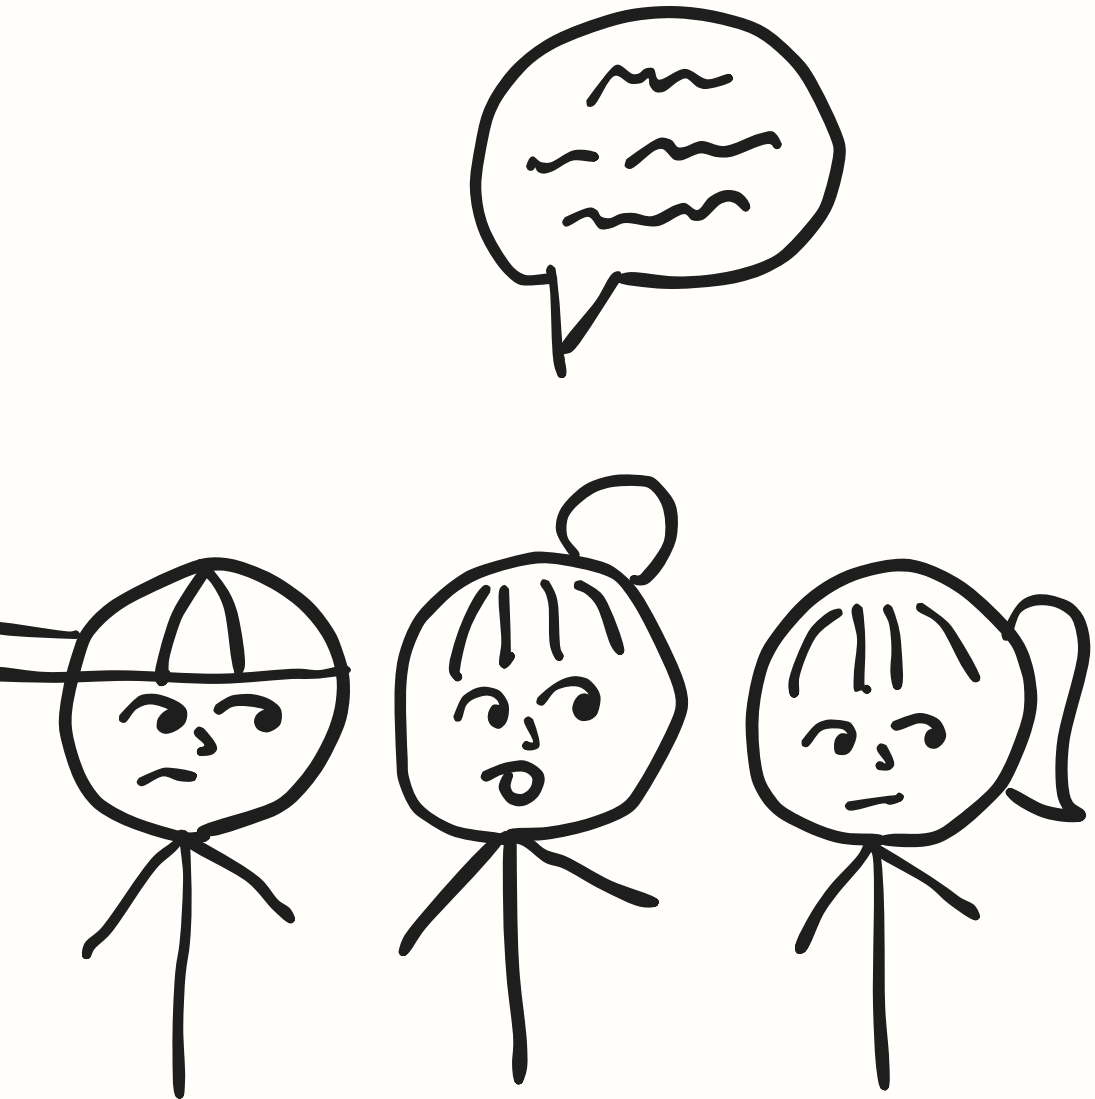

My idea is better!

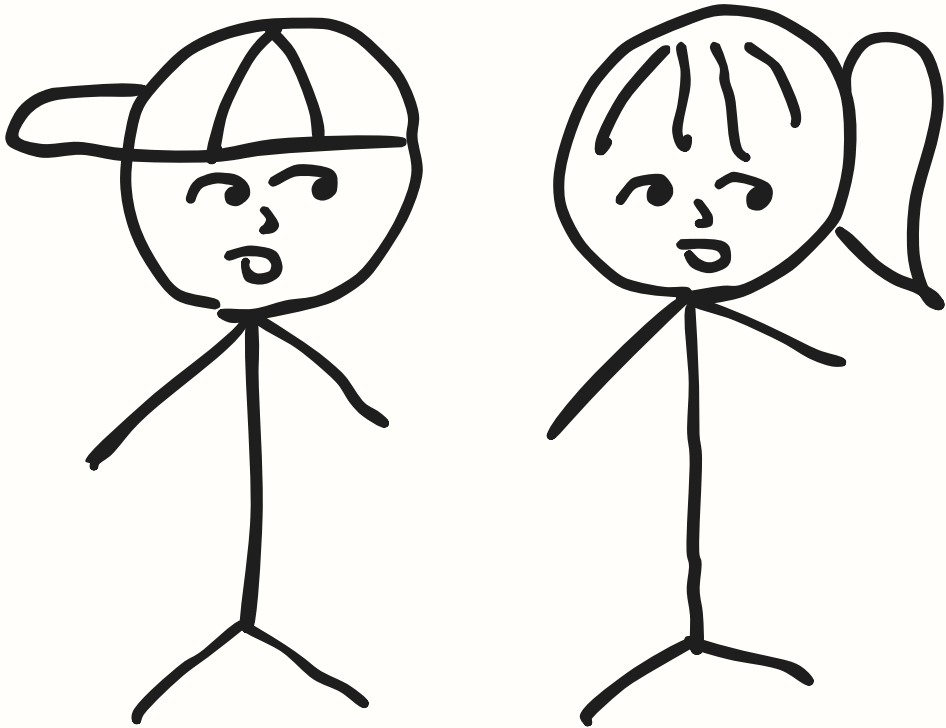

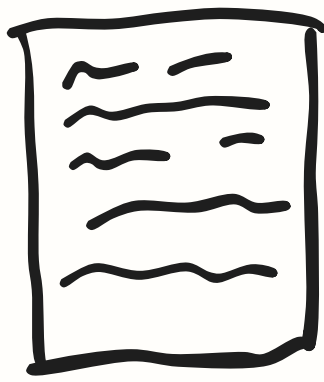

Seoyeon and Minjun have different ideas, so a conflict broke out.

Seo-yeon and Min-jun's friend
Ji-ho are listening to each
other's position.

Ji-ho listened to each other's
opinions and resolved the
conflict.
