PITCH THE VIBE

CORPORATE EVENTS

Why settle for dull meeting rooms when you can inspire your team in a space as unique as your ideas?

At our brewery, we've reimagined corporate occasions, combining professionalism with a creative, laid-back vibe. For smaller gatherings or intimate brainstorming sessions, our Brewers Table is the perfect fit. Nestled right in the heart of the taproom on the ground floor, it offers a cozy yet professional environment for up to 22 guests.

For larger events, step up to the Viewpoint on the top floor. This spacious, light-filled room is a blank canvas for presentations, workshops, or team-building events. With seating for up to 50 guests in a theatre-style setup, it's designed to inspire creativity and collaboration. Whether you're hosting a formal meeting, a team away day, or a client event, our spaces are as versatile as they are stylish. Pair that with our top-notch hospitality and optional brewery experiences, and you've got everything you need to make your event stand out.
